Westover Certifies Wasmund's Democracy

Democratic Candidate Has Always
Given Support to Democratic
and Fusion Candidates

ENDORSEMENT OF HOME PAPER

Hon. H. F. Wasmund, Sr., writes The Herald to refute stories said to be in circulation calling in question his democracy, and encloses a letter from Judge W. H. Westover and a clipping from the Rushville Standard for publication:

Letter from Judge Westover

Rushville, Nebraska, Oct. 4, 1912.
H. F. Wasmund, Sr.,
Rushville, Nebraska.

My Dear Sir:

It having been brought to my attention that the story is being circulated by some parties of this representative district, that in the past you have failed and refused to support democratic tickets and fusion tickets regularly nominated; and it appearing that the purpose of these reports is to induce democrats to vote against you this fall: Now, for the purpose of stating the facts, permit me to say that I have been intimately acquainted with you and your political acts for the last twenty-five years, and have known what your political action has been each fall at our general elections, and I want to say most emphatically, without fear of contradiction, that at every election you, as well as your large family of boys, as soon as they became old enough to vote, have given unqualified support to our fusion and democratic tickets, national, state, and county. These facts are so well known by democrats generally in this community that I believe that each and every one of them who is not opposed to you for personal reasons, would give a certificate as I have done in this letter. Very truly yours,
W. H. WESTOVER.

Clipping from Rushville Standard
Voters, we call your attention to the fact that H. F. Wasmund, Sr., is your candidate for representative. All who know him know full well that he stands for the interests of the people and can be trusted to do what is best to their interests. He cannot be bought, coaxed or scared into doing something that the interests want. Cast your vote for Mr. Wasmund and you will have a true representative in the legislative halls at Lincoln this winter.

HON. J. H. MOREHEAD VISITS ALLIANCE

Democratic Candidate for Governor
Speaks from Automobile to
Attentive Crowd

MAKES FAVORABLE IMPRESSION

Hon. John H. Morehead of Falls City, a democratic candidate for governor, is making an automobile tour of northwestern Nebraska, accompanied by Hon. Floyd Seybolt of Geneva and their chauffeur. They were to have arrived in Alliance from the North Platte valley Tuesday evening. Bills were printed announcing an address by Mr. Morehead at the opera house that night, but Judge Magill was notified earlier in the evening that he would not be able to reach this city that night.

They arrived the next forenoon and Mr. Morehead spoke from the automobile to an attentive audience in front of the Alliance National Bank. He is not reputed to be much of a spellbinder, but he speaks fluently and made a very favorable impression upon those who heard him, speaking in regard to how the office of the governor should be conducted, how

it is being conducted now, and how it will be conducted in the event of his election. He promised if elected to give his entire time to the work of the office during his term and not be a candidate for re-election, saying that he believed a governor should devote his time to the duties of the office and not to the building up of a political machine.

From here the automobile party went to Hemingford, thence to Marsland and Crawford, expecting from the last named place to go east down the line of the Northwestern. Judge Westover accompanied them as far as Gordon. The following named persons went in automobiles as far as Hemingford: Mr. and Mrs. Wm. Mitchell, Joe Westover and Fred Mollring in Mitchell's car; Sheriff Cal Cox, Eugene Burton, Robert Graham and John O'Keefe in Cox' car.

OBTAINS MONEY UNDER FALSE PRETENSES

Walter Graham, colored, passed Bad
Check and Is Arrested

A colored man by the name of Walter Graham went to the store of J. B. Denton Saturday night and purchased a pair of mittens valued at forty cents. He tendered in payment a piece of paper purported to be a check for nine dollars, which he had signed on the back. Mr. Denton did not examine the paper closely and gave the sum of eight dollars and sixty cents in change.

On being examined the paper was found to be a crude attempt at being made into a note or check. The negro had told Mr. Denton that he was employed at the Drake Hotel, and the paper had the name Drake on it with other names. Graham had signed his name on the back before presenting it.

After cashing the check the negro went to 519 Third street where some colored people were living and demanded a gun, frightening the inmates of the house, who phoned the police station. Police Judge Gregory Zurn did not know the man but went toward the depot looking for him and arrested him in company with some other negroes in the depot.

Graham had been in trouble a few nights before but got off without being arrested. He had frightened some women. He is now locked up in the county jail awaiting a hearing. It is doubtful if a more serious charge than obtaining money under false pretenses can be placed against him, in which event the sentence would be from ten to thirty days in jail.

The Alliance Times has been sold again, the purchasers this time being Messrs. John H. Moist and Ben J. Sallows of Cody, Wyo. The Herald extends a fraternal hand and good wishes to the new proprietors.

Now that Congressman KinKaid has withdrawn from the race for re-election, Hon. W. J. Taylor, democratic and peoples independent candidate, seems to have a walkaway for the position held by him. This is as it should be.

It is said to be a difficult task to "carry water on both shoulders", but it's like taking candy away from a baby compared with the job some candidates are having this year trying to carry the G. O. P. elephant and the bull moose both at the same time. Looks now like some of them are liable to get tramped on by the elephant or kicked by the bull moose, or both.

Scottsbluff is now without a democratic paper. The Herald of that city, democratic, and the Star, bull moose, have been purchased and consolidated under the name of the Scottsbluff Star-Herald, by A. B. Wood and H. J. Wisner. They announce that the new paper will be independent.

A. E. Clark, editor of the Hemingford Journal, is again trying to branch out in the newspaper business, having purchased the Marsland Tribune.

WILL SPEAK AT ALLIANCE

Former Governor Shallenberger of Alma, now candidate on the Democratic ticket for United States Senator, will speak at Alliance and Hemingford on October 22 or 23, the exact date not yet being decided upon. The Herald will advise its readers of the date and place of speaking before that time.

ALLIANCE RIFLE RANGE

R. E. Roberts has leased the building at 119 Box Buite avenue, next door south of The Herald office, and has it fitted up for the Alliance rifle range. A good deal of interest has been added to target shooting by the offer of valuable prizes. The prizes for this week are as follows: First, \$25 Remington; second, \$5.00; third, \$2.50. The winners thus far are Ira Phillips, R. J. Dettlein, Earl Douglas, Frank Merritt and P. F. Gahler.
