EDITORIAL

Jesus said—"Let not your heart be troubled; ye believe in God, believe also in me." John 14:1.

Washington said—"Good citizens will observe faith and justice toward all men."

One of the house organs which we enjoy looking over each month is "The Northwestern Bell" published in Omaha, by the Northwestern Bell Telephone Co. It has such a hearty tone and is a work of printing art. It is devoted to the welfare of the company employees and is issued by them. In the September number is an account of the awarding of the Vail bronze medal to a former North Platte boy, with his picture, a cut of Bruce Brown of Brady, president of the Nebraska Telephone Association and a tribute to Alexander Graham Bell, inventor of the telephone.

Probably North Platte people do not realize what it means to the reputation of this community to have Noel Bullock win the Pike's Peak race for 1922. The account of the feat was published in every city daily paper in the country. Some of them gave long accounts of the race and featured Bullock in a small car of his own construction, winning over the high-powered racers of the large factories. Bullock is said to have won the race because of his daring and it is to that daring that the racing fans will look for future victories. North Platte will benefit in that he resides here and calls this his home. North Platte is proud of the achievement and congratulates Mr. Bullock on winning the event and money prize.

How can North Platte be made a better place in which to raise boys? That is a question which is interesting a large number of people. There may be some things which the people of this community can do to make North Platte a better place in which to have a boy grow up and to find out what the women have to suggest we are going to ask the mothers of boys to tell us what they think. We are offering a prize of three dollars to the mother of a North Platte boy, big or little, who will write the best article proposing something which could be done to make this city a better place in which to raise a boy. All articles entered must be signed and such will be printed as will be of interest to our readers. Judges will make the selection on Saturday, September 23rd. They will not know the names of the writers until after the selection has been made. This is an opportunity for any mother to add something to the discussion of the needs of our community and any mother who feels there is anything wrong with the environment here in North Platte will welcome this opportunity to call public attention to the need for a change. Don't write about girls nor about men or women for that will come later. Bring or mail article to the Tribune office, sealed and addressed to the editor.

Always welcome at Danceland every Saturday night.

Miss Grace Breternitz has resumed her duties at the Western Union after a two weeks vacation.

William Landgraf returned Sunday from Denver where he attended the baseball tournament.

Mr. and Mrs. J. C. Den left Sunday evening for Omaha where they will visit for a few days.

Mr. and Mrs. Cody Boal left last evening for Bellingham, Washington, where they will make their future home.

Tickets for the Fireman's Fall Festival which will be held Sept. 22 are for sale at North Platte Bullock Co. garage, Hendy-Ogler garage and S. & R. Service Station.

Mrs. Otto Weber left yesterday for Marysville, Kansas where she will join Mr. Weber and from there they will go to Topeka to attend the State fair.

NO LOCAL SHOW HAS CAUSED INTEREST THAN "ALL ABOARD"

When the director from the producing company arrives in North Platte he will find interest high and enthusiasm strong for the musical comedy which is to be given here the last of the month. The general committee headed by Mrs. Ed Dickey is working on the cast and is meeting with such ready response that its work is much easier than was anticipated. The show is said to be more popular than any of the others which have been given here and this will make it more attractive to the talent of the city. The North Platte Woman's club is back of the production and that means a clean cast, a snappy show and enthusiastic audiences.

\$40.00

Right: Sport coat of double-surface Polaire.

\$22.50

Inexpensive Coats of real worth \$18 to \$45

The priced remarkably low the less expensive coats that we are featuring are no less cleverly designed than our more costly garments.

The cloths, if not delicately rich, are invariably of good texture, well loomed and fast dye—and will give highly dependable service.

The styles, if less elaborate, check with the fashions of the day.

The workmanship, in every garment, is absolutely right. No skimping or scamping here.

The savings in cloths and decoration and the use of highly durable linings in place of costly silks are reflected in every price.

The variety is ample. Tho we show but two in this advertisement there are enough models to meet every taste, purse or requirement.
