—We thoroughly proved our inefficiency as a weather prophet in our note last week to the effect that the weather was fine for sowing grain. That note was written Tuesday afternoon when the weather was just fine and we had no idea that before the paper could leave the postoffice on the morning trains the ground would be entirely frozen over and the thermometer down in the neighborhood of zero. And so this time we shall say that when the weather is suitable within the next ten days sow oats.

### Pension Board to Meet.

There will be a meeting of the country pension board at the court house in Winnsboro Monday, Feb. 6th, at 11 o'clock. A full attendance is desired.

J. A. Brice, Chairman.

### Mr. Pagan the Nominee.

The county Democratic executive committee met at the court house Thursday and made the official count of the vote polled in the second primary on the 24th. All the boxes were present with the exception of three and by supplying the figures as published in the News and Herald for these small boxes Mr. Pagan's majority over Mr. Richmond was 38. He was therefore declared the nominee for the office of auditor. Mr. Pagan has twice before been a candidate for the office. The handsome vote that he received at his home box was very complimentary indeed and is a fine testimonial to the esteem in which he is held by those who know him best.

### For the Orphans.

Thursday evening the ladies of the Missionary Society of Zion church met at the hospitable home of Mrs. W. C. Beatty to quilt two quilts which the pastor's mother had pieced for the Thornehill orphanage. Busy fingers to the music of lively tunes soon put in the many stitches, the last roll was made, and the quilts taken out of the frames ere the lamps were lighted. A delightful lunch came next and the pleasant occasion closed with music, readings and recitations. As the good-byes were said all wished that quiltings came oftener.

### Meeting of Library Association.

There will be a meeting of the Winnsboro Public Library Association at the Thespian Hall Thursday evening. In addition to the regular business of the meeting there will be some recitations and music, which will add very much to the pleasure of the meeting. All the members are urged to be present as the officers for the year will be elected. Those who are not now members are urged to join. The membership fee is only one dollar, this entitling the member to the privilege of taking out any book or periodical for a limited time. There is no better evidence that the library is serving a real need in the community than the fact that its membership has increased to more than ninety and that the number of books taken out during the twelve months ending January 31 has been 1385. The reading for the past four months has been as follows: October 131; November 147; December 129, and January 184. Among those who have recently joined are several from the country, and this is to urge upon those who have the opportunity of having their books changed at intervals of one to two weeks to take advantage of the excellent opportunities afforded. The membership committee will be about looking out for new members within the next few days and none who have the opportunity to join should fail to take advantage of it. The membership should be not less than 150, which would greatly increase the efficiency of the association in its efforts to supply the community with good, wholesome literature.

### The Picture Exhibit.

The picture exhibit at the armory the past week was not as largely attended as it should have been on account of the very cold weather. Those who did take advantage of this opportunity to see so fine reproductions of the great masterpieces were greatly pleased, as the pictures were all that was claimed for them. Mr. Baker deserves great credit for arranging for this exhibit and for the great interest that he took in showing it to the greatest advantage.

### Pneumonia and La Grippe.

If you but knew the splendid merit of Foley's Honey and Tar you would never be without it. A dose or two will prevent an attack of pneumonia or la grippe. It may save your life. The prevention of consumption is entirely a question of commencing the proper treatment in time. Nothing is so well adapted to ward off fatal lung troubles as Foley's Honey and Tar. Sold by McMaster & Co.

### Boney-Wooten.

A pretty marriage took place at the home of Mr. John Wooten, near Blythwood, on Wednesday evening, Jan. 25th, when Mr. D. B. Boney led to Hymen's altar Miss Alice J. Wooten. The ceremony was performed by Rev. G. P. White, of Ridgeway. After the ceremony the guests were invited to the dining room where an elegant supper was served. A number of handsome presents were received by the bride.

Mr. Boney is a son of Mr. C. B. Boney, a prosperous farmer of the Blythwood community. He is a young man of fine sterling qualities and splendid business capacity.

Mrs. Boney is the second daughter of Mr. and Mrs. John Wooten which name has for a long time been connected with the interest of Fairfield county. She is a young woman of great worth. Her domestic ability, kind and loving disposition, and Christian character all combine to make her well fitted to assume the position she now occupies.

The best wishes of many friends go with this young couple. After a few days Mr. and Mrs. Boney will be "at home" to their friends in their new cottage which is being erected at Blythwood.

A Guest.

### A Successful Entertainment.

The silver tea at Mrs. Thos Blair's Friday evening proved a decided success. There was a good attendance. Misses Pixley, Carrie and Eloise Elliott, Campbell and Walker furnished the music which was most delightfully rendered, the sweet tones of a new Wellington piano adding much thereto. The recitations of Miss Frances Creight were in her inimitable style and were greatly enjoyed. The net proceeds were \$29. Miss Sallie Bertha Blair was voted the cake for being the prettiest girl in attendance.

The party from Winnsboro who went out that evening were most delightfully entertained by Mrs. G. W. Brooks at her hospitable home at Lion, she having contributed very largely to the success of the entertainment of the evening. The next morning the party visited the quarries of the Winnsboro Granite Company, seeing, in addition to the interesting work that is carried on there, the ruins of the big water tank that had been burned the day before. They returned home that afternoon, having greatly enjoyed their little outing.

### Ridgeway Paragraphs.

The Ladies' Book club was entertained on Tuesday afternoon by Mrs. Chevis L. Wray. There was no literary programme for this afternoon so after all business was transacted very dainty refreshments were served in the dining room. The tables were gracefully dressed in maid-en hair fern and violets and the place cards bore suitable quotations for each guest. The menu consisted of chicken salad, Saratoga chips, peanut and olive sandwiches, coffee and crystallized ginger.

Mrs. Wray is ever a most charming hostess and on this occasion gave much pleasure to her guests.

Miss Jennie Thomas will entertain the next meeting.

Mr. and Mrs. John A. DesPortes from Winnsboro have moved into town. Mr. and Mrs. DesPortes lived here several years ago.

Miss Mary Spence has gone to Davidson, N. C., for a stay of several weeks.

Dr. W. T. Edmunds of Entwistle spent last Sunday in town.

Miss Coachman of Georgetown arrived last week to accept the position of governess in the family of Mr. E. G. Palmer.

Mr. and Mrs. R. P. Edmunds have returned to Columbia after a visit of several days in town.

Mrs. W. C. Boyd of Winnsboro has been with relatives for several days.

Messes Caesar and Tompkins of New York are at the club house for several weeks.
