### Galveston's Sea Wall

makes life now as safe in that  
city as on the higher uplands.

E. W. Goodloe, who resides on  
Dutton st., in Waco, Tex., needs  
no sea wall for safety. He writes:

"I have used Dr. King's New Dis-  
covery for Consumption the past  
five years and it keeps me well  
and safe. Before that time I had  
a cough which for years had been  
growing worse. Now it's gone."

Mr. R. A. Patrick has the finest

on upland and is worked partly  
on the Williamson plan. If no  
disaster comes to it, he will make  
40 bushels per acre. N.

There is nothing so pleasant as that  
bright, cheerful, at-peace-with-the-  
world feeling when you sit down to  
your breakfast. There is nothing so  
conducive to good work and good re-  
sults. The healthy man with a healthy  
mind and body is a better fellow, a  
better workman, a better citizen than  
the man or woman who is handicapped  
by some disability, however slight. A  
slight disorder of the stomach will de-  
range your body, your thoughts and  
your disposition. Get away from the  
morbidness and the blues. Keep your  
stomach in tune and both your brain  
and body will respond. Little indis-  
cretions of overeating can be easily cor-  
rected and you will be surprised to see  
how much better man you are. Try a  
little Kodol For Dyspepsia after your  
meals. Sold by all druggists.

### Definition of "Gentleman."

Asked to define a "gentleman"  
a wise old man once replied as  
follows: "A man who is clean  
both inside and outside, who  
neither looks up to the rich nor  
down to the poor, who can lose  
without squalling and win with-  
out bragging, who is considerate  
of women, children, and old peo-  
ple, who is too brave to lie, too  
generous to cheat, and who takes  
his share of the world, and lets  
other people have theirs."

### In Self Defense

Major Hamm, editor and man-  
ager of the Constitutionalist, Emi-  
nence, Ky., when he was fiercely  
attacked, four years ago, by Piles,  
bought a box of Bucklen's Arnica  
Salve, of which he says: "It cured  
me in ten days and no trouble  
since." Quickest healer of Burns,  
Sores, Cuts and Wounds. 25c at  
Jno. H. McMaster & Co.'s drug  
store.

### Cause For Joy.

"Well, now, which do you  
think is correct, 'measles is' or  
'measles are?'" chucklingly in-  
quired the landlord of the Tor-  
pidville tavern. "Also, would  
you say, 'The Glee Club are' or  
'the Glee Club is?'"

"D'know!" replied the patent-  
churn man, shortly. "Those old  
catch questions don't interest me  
a little bit. But what I'd like to  
know is why everybody looks so  
pleased and smiling to-day? Is  
there a picnic or a celebration or  
something of the sort on the  
tapis?"

"No, skureely that. It's the  
relief that is tripping 'em, not  
anticipation. You see, the Glee  
Club of the village academy was  
going to give a concert and canta-  
ta to-morrow night, and now the  
measles have, or has, as the case  
may be, broken out, up there in  
the temple of learnin', and every  
member of the Glee Club have,  
or has got it, or them, good and  
plenty, and the entertainment  
has been indefinitely—haw! haw!  
—postponed."—Watson's Maga-  
zine.

### The End of the World

of troubles that robbed E. H.  
Wolfe, of Bear Grove, Ia., of all  
usefulness, came when he began  
taking Electric Bitters. He writes:

"Two years ago Kidney trouble  
caused me great suffering, which  
I would never have survived had  
I not taken Electric Bitters. They  
also cured me of General Debility."

"Sure cure for all Stomach,  
Liver and Kidney complaints,  
Blood diseases, Headache, Dizzi-  
ness and Weakness or bodily de-  
cline. Price 50c. Guaranteed by  
Jno. H. McMaster & Co., drug-  
gists.

### A Railroad Man's Prayer.

The following is the text of a  
"railroad man's prayer" pasted  
on the fireman's side of the switch  
engine in the Northern Pacific  
yards in Spokane.

"Now that I have flagged Thee,  
lift up my feet from the rough  
road of life and plant them safely  
on the deck of the train of salva-  
tion. Let me use the safety  
lamp of prudence, make all the  
couplings with the link of love  
and let my hand lamp be the  
Bible, and keep all switches  
closed that lead off the main line  
into the sidings with blind ends.  
Have every semaphore block  
along the line show the white  
light of hope, that I may make  
the run of life without stopping.  
Give me the Ten Commandments  
as a working card, and when I  
have finished the run on schedule  
time and pulled into the termi-  
nal, may Thou, superintendent  
of the universe, say: 'Well done,  
good and faithful servant; come  
into the general office to sign the  
payroll and receive your check  
for eternal happiness.'"

### Summer Diarrhoea in Children.

During the hot weather of the sum-  
mer months the first unnatural loose-  
ness of a child's bowels should have  
immediate attention, so as to check the  
disease before it becomes serious. All  
that is necessary is a few doses of  
Chamberlain's Colic, Cholera and  
Diarrhoea Remedy followed by a dose  
of castor oil to cleanse the system.  
Rev. M. O. Stockland, Pastor of the  
first M. E. Church, Little Falls, Minn.,  
writes: "We have used Chamberlain's  
Colic, Cholera and Diarrhoea Remedy  
for several years and find it a very  
valuable remedy, especially for sum-  
mer disorders in children." Sold by  
Obeur Drug Co. and all medicine  
dealers.

The cook was going.  
"How, shall I word the recom-  
mendation, Marie?" her mistress  
asked. "You know I can't touch  
on industry, and on the question  
of neatness the less said the better,  
while as for culinary skill—"

"Well, ma'am," the cook cut in,  
"suppose you just say I stood  
this place four weeks. That will  
do me, I think."—Ex.
