ATHLETICS.

ATHLETICS

The members of the Ocala High School Athletic Association wish to express their thanks for the contributions to the Athletics fund.

As is generally known, our school has always been backward in athletics. One cause which has a great deal to do with this, is the fact that we have no equipment. Furthermore, the board makes no appropriation for athletics.

Our basketball court is no more than two good posts on either end of a large sand bed. We have no football gridiron, and for that reason, have had no team.

In baseball, we have no room to complain for Manager Hunter has kindly consented to let the boys have the use of Hunter Park. As a result, we have already had a pretty fast baseball team. But even in the latter sport we lack equipment, such as bats, masks, mitts, balls, base markers, etc.

This year marks Ocala's initial attempt to organize a track team. No equipment whatever was at hand.

A petition is being carried around to the different business men in town. The following is a list of contributors to whom we wish to express our grateful thanks:

H. A. Waterman \$1.00; Cash 50c; S. P. Hollinrake \$1.25; M. L. Merhson 50c; J. G. Parrish \$1.00; D. E. McIver \$1.00; A. E. Gerig 50c; J. J. Plalock 75c; Cash 50c; S. A. Moses & Bro., \$1.00; B. Goldman 50c; J. Malever 50c; J. H. Rentz 50c; F. W. Ross 50c; Foy Carroll \$1.00; Cash 50c; C. R. Tydings \$1.00; Jno. H. Taylor \$1.00; D. Oliver Davis \$1.00 Mark D. Bryant \$1.00; E. J. Kohlhammer 50c; H. A. Davies \$2.00. Total, \$19.00.

BASEBALL

Baseball will be well represented in the O. H. S. this year in spite of the fact that other teams throughout the state are weaker than usual.

strong, for Winer, that big husky boy, with the speed of a bullet, and and control of a "food administrator," could make any batter feel like 30 cents with the "3" erased. On the other hand, we are very fortunate in securing Carnahan. As we all know he is a very clever boy, quick to learn, and capable of mastering anything that he sets out to do. Although he has had little experience, he has been making fairly good progress, and by a little effort on his part he stands a good chance of becoming a pitcher.

It is not necessary to say anything about the catcher, "you know him." And there is no better high school catcher in the state.

The infield is splendidly covered. Wesson on first, Talbott and Agnew for the second sack, Canover on third, and with Klock on short, it is easily seen that it will be a tough job to get a ball through any point in that part of the field.

Hall, Smith, Chazal, and Meffert constitute the candidates for the outfield, and they are an enthusiastic group of rivals too, so of course they all will have to hustle if they expect to share in the honors for the team this year.

A game on the ninth will be the first victory for Ocala. It will be in Gainesville with the high school team of that city. It is understood that they have a pretty fair team in that "burg", but it is a well known fact that we have a better one here. So look out, Gainesville, we're hunting scalps this year.

Any team wanting to play us will kindly write manager Reuben Blalock, Ocala, Fla., for terms and date.

GIRLS' BASKETBALL

In a very close and exciting game, the O. H. S. girls lost a second game to Gainesville by a score of 17-14. This was the last game of the season as there is no chance for the championship and it is so late in the season. There were four more games scheduled, two with St. Petersburg and two with Duval.

St. Petersburg cancelled their games and O. H. S. has cancelled their Duval games, this ending not a very successful season.

In the last game the locals did some good playing and if they could only have played as well in the first half as they did in the second the score would have been very different.

The line-up was:

Gainesville (17.)

Forwards: Pauline Murrell, Edna E. Chestnut.

Centers: Cecil Cobb, Grace Bullock.

Guards: Jessie Bishop, Louise Brannon.

Ocala (14.)

Forwards: Callie Gissendaner, Lourene Spencer.

Center: Kathleen Leitner, Louise Spencer.

Guards: Ruth Simmons, Mertie Blalock.

In the second half Ella Mae Rivers substituted for Louise Spencer and Agnes Burford for Mertie Blalock.

Mrs. Gobert of Gainesville refereed the game and was considered by all the best referee that has ever refereed a game here.

ATHLETIC ASSOCIATION

The Ocala High School is hoping to come off with flying colors at Dade City next Friday. Although a large number of boys has not come out to practice, we are sure that those who have come have plenty of vigor and enthusiasm; and if the high school will get behind in spirit, at least, we are certain to carry off some of the honors.

The following is a list of the most promising contestants:

Polo Vault—Francis Talbott.

Shot Put—Marshal Carn.

Hundred Yard Dash—Leonard Todd.

Relay Race—Leonard Todd, Wellie Meffert, Francis Talbott, Harold Klock.

High Jump—Robert Hall, Marshal Carn.

Broad jump—Robert Hall Marshal Carn.
