

## He Goes Straight Home

Now since his wife began to buy her TEA and COFFEE of us. He knows that a good meal awaits him and he won't be compelled to drink that trashy adulterated TEA or COFFEE that he has been in the habit of drinking. He certainly could not be blamed for getting one or two appetizers before reaching home heretofore, but now he is saved that expense as well as the injury he was doing his system and above all his life now is one of happiness, joy, sociability and prosperity. Let all housekeepers follow this lady's example and mark the difference.

Mrs Matthew Duggan of Dublin street, accidentally sprained her ankle yesterday by missing a step in going into her cellar. She will probably be laid up for only a few days, however, as the sprain is not a very severe one.

Thomas Finnegan of Wall street, an employee of the Scovill Manufacturing Co, is spending a vacation amid the scenes of his youth, in Ireland, quite near the spot made famous as the subject of Goldsmith's "Deserted Village."

A quartette composed of the Misses Nellie Carney, Alice Cosgrove, Martin Byrnes and Michael Robinson, all members of the choir of the Sacred Heart church, will sing several selections at Grange hall next Friday evening.

The funeral will take place Sunday afternoon.

Mrs Catherine McCauley fell down stairs at her home this morning, narrowly escaping serious injuries. She was standing on the veranda in the rear of the house hanging out clothes when the line broke, causing her to lose her balance and before she could get control of herself she was precipitated down a long stairway of twenty-seven steps. She was badly shaken up, but no bones were broken. Dr Hayes rendered medical aid.

## DWYER WAS DISCHARGED.

The Case Against Him By the Coppen Girl Fell Through.

Hartford, Sept. 10.—John W. Dwyer, who has been in jail for some time in default of \$10,000 bonds, charged with assault on Nellie Coppen, had a hearing to-day, which resulted in the justice discharging him. Attorney Flaherty, for Dwyer, presented a statement signed and sworn to by the Coppen girl exonerating Dwyer from the charge she made against him. This statement was made and sworn to before the last complaint was entered against Dwyer. The case has been the occasion of quite a sensation in Hartford, and very few looked for this sudden termination of it. Dwyer is a prominent contractor and builder, and a few days ago turned all his property over to Attorney Flaherty. He did this to insure the attorney against any loss in going on his bond or in defending him during the progress of the case. The Humane society have taken charge of the Coppen girl and will have her sent to the industrial school.

## A CRUEL FATHER.

Hurls a Lighted Lamp at His Son's Head.

Chicago, Sept. 10.—Charles Sayers, upon reaching home last night, became angry and upbraided his wife because upper was not ready. William, the elder son, took the part of his mother, and the father struck the boy on the head with a lighted lamp. Vedella, the 20-year-old daughter, attempted to save her brother from her father's violence and she is now dying at St Elizabeth's hospital, frightfully burned.

Mrs Ellen Sayers, the wife, and Burt, a 14-year-old son, made a brave attempt to rescue Vedella from the flames and they, too, were taken to the hospital, severely burned. William, the object of the father's wrath, covered with blood and burned also, was the fourth member of the family to be taken to the hospital, while the father, unhurt, was locked up at the West North avenue police station.

## TWO MEN KILLED.

New York, Sept. 10.—Two men were killed and three injured perhaps fatally by an accident to-day at the United States military post at Willett's Point, L. I. Seven laborers were engaged in setting up a huge derrick which was to be used in placing in position some new guns which have recently arrived at the fort. In some manner the supports gave way and the derrick fell on the gang of workmen. John Brogh and William Bendheimer, both residents of Whitestone, L. I., were instantly killed, and three others whose names have not yet been ascertained, were so badly injured that it is feared they cannot recover.

## THE BIBLE DID IT.

New York, Sept. 10.—Frederick W. Whitehead, porter in a tea store here, has fallen heir, according to rumors, to a fortune in England amounting to \$117,000 left by a maiden aunt. Whitehead, who is 35 years old, came to this country from England two years ago. He proved his identity to the law firm which was seeking for him by means of a little bible which he had carried with him for years and on the fly-leaf of which his mother's name was written.

## ONLY FOR CHARITY.

LONDON, Sept. 10.—Mrs Antonio F. de Navarre (Mary Anderson) to the Associated Press saying that the statement of the Daily Mail to the effect that she may appear on the concert platform in London this autumn is absolutely false. ## Her Mistake.

It is not necessary to repeat his remarks.

When his wife heard them imperfectly, being in the next room, she said: "Oh, do say that over again, dear."

"Look here, woman," he replied in a concentrated voice, "when a man gets his finger caught between a sprocket and a chain, it is no time for his wife to get funny."

"Oh!" said she, "Was that it? I thought you were repeating one of those Christian Endeavor 'yells.'"—*Indianapolis Journal.*

The man who lives fifty years without making an enemy hasn't cut much ice either way.

## SOMETHING TO DEPEND ON.

James Jones of the drug firm of Jones & Son, Cowden, Ill., in speaking of Dr King's New Discovery, says that last winter his wife was attacked with a grippa, and her case grew so serious that physicians at Cowden and Pana could do nothing for her. It seemed to develop into hasty consumption. Having Dr King's New Discovery in stock, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from the first dose and a half dozen \$1 bottles cured her sound and well. Dr King's New Discovery for consumption, coughs and colds, is guaranteed to do this good work. Try it. Free trial bottles at Apothecaries Hall Co's drug store.

## BOARD OF ALDERMEN.

Transacted Routine Business at Their Meeting Last Night.

The board of aldermen held an adjourned meeting last night, Chairman Hall presiding.

The following petitions were read by Clerk Grady and referred to their respective boards: Of Joseph Madigan et al, for the layout of Robbins street from the Watertown road west to the city line; of Edward Brennan et al, for the layout of Brennan place, so-called; of A. F. Belanger et al, for an electric light at the corner of Drayer and Sunnyside avenues; of the estate of Mary Guilfoile, for the abatement of city tax on the list of 1896, amounting to \$18.90; of Mrs John Fay, for the abatement of city taxes on the lists of 1895 and 1896.

Mrs F. J. DeBusssey gave notice that she will claim damages for injury to her property caused by the overflow of Little brook, and J. Williams, through his attorney, F. M. Peaseley, asked the board to investigate and determine on damages which surface waters had caused him on Sparks street. On motion, these applications were referred to the committee on law.

The recommendations of the board of public works for a storm water sewer in Riverside street from Green street to the Naugatuck river, and for changes in the channel of Little brook, were read and adopted.

The board of public works recommended that the Milford Land and Cottage company, petitioners for reconsideration of the vote in regard to the building line on the north side of Center street, be given leave to withdraw. The recommendation was adopted. On recommendation of the bureau of assessment the report on the benefits and damages arising from the layout of Center street, was returned for a correction.

The board fixed upon September 18, as the date for the annual inspection of the Branch reservoir, leaving City hall at 9 o'clock in the morning. Comptroller Cassin's semi-annual statement was received and ordered placed on file.

Chairman Hall thought the board should pass a resolution requesting the mayor to send in a nomination to fill the vacancy on the board of public safety, as many were of the opinion that the aldermen are doing business illegally and cannot proceed according to the charter until the vacancy is filled. Action was deferred on the matter until next Monday night.
