Bad rainy warmish weather keeping market low. Clear and colder today, and we hope for a better state of things next week.

WOMAN OUT FOR COUNTY OFFICE

In spite of the fact that her name is not allowed on the ballot there is a woman candidate for county superintendent of schools. Caroline Van Nee of Ashland is asking the voters to write her name on the ballot on the grounds that if the suffrage amendment carries she will be eligible. She will go on record as the first woman to run for office in southern Oregon if not in the state.

SMITH WOULD MAKE FINE COMMISSIONER

One of the candidates for county office whose claims to preferment appeal strongly to the voters at the ensuing election is Joseph C. Smith. At the suggestion of many of his friends and neighbors he allowed his name to be presented for the position of county commissioner for the short term to the republicans at the April primaries, and he was nominated by a unanimous vote, a flattering testimonial to his worthiness.

Mr. Smith is at present extensively engaged in farming in Wimer precinct, which avocation he followed at different places in the county since he became one of its citizens long ago. For a number of years he was engaged in business in Medford as a member of the firm of Smith and Maloney, shoe merchants.

Mr. Smith is thoroughly conversant with and mindful of the best interests of the county and will be a commissioner for the whole people, playing no favorites and giving to

each section the assistance and attention it is entitled to. His acknowledged qualifications and undoubted integrity make him peculiarly well fitted for the place. Safe, yet progressive, energetic and public spirited, free from all sectional alliances and jealousies, the welfare of Jackson county will be faithfully and efficiently looked after by Joseph C. Smith as county commissioner.

SUFFRAGETTE MEETING DRAWS LARGE CROWD

B. F. Mulkey spoke at the suffragette meeting at Haymarket square on Friday evening. Mr. Mulkey spoke well for the cause and his speech was a brilliant one. The Andrews and Burgess quartet sang three selections and at the close of the address two more selections were given. Tonight at the same place Mayor R. G. Smith of Grants Pass will speak for women's rights.

BULL MOOSERS TO CLOSE CAMPAIGN TONIGHT

The Bull Moose will end their campaign in Jackson county with a rally at St. Mark's hall tonight. The flying squadron and Colonel H. H. Sargent will discuss the issues of the campaign. Mrs. Ed Andrews will sing patriotic airs and the Marion orchestra will give a number of selections. The meeting will begin at 8 o'clock and a large crowd, including a number of G. A. R. members, will be in attendance.

How Does This Sound to You, Mr. Piano Buyer?

From a Dollar and Cents Standpoint, and Real Piano Quality

We are the only direct factory to home distributors of the world's best pianos and player pianos at the least possible expense to each purchaser in Southern Oregon.

Wouldn't you much rather buy from the man that sells you direct from the Factory with one profit than buy from the man that is forced by the lack of capital to charge you three profits because he is forced to handle goods on consignment and pay big prices.

Don't be misled to buy cheap unknown and unworthy makes of pianos that your yourself can't truthfully say that you ever heard of such a make before in your life. Why the factories themselves can't tell today whether their experimental efforts of making such pianos will be a success or not. If they don't know why should you take a chance on an experiment.

We don't plead to sell you our pianos because we belong to a certain institution. It is only a cold blooded business proposition with us; we will sell you any piano that you want to buy when you take quality and price into consideration for \$100.00 less than you can get same elsewhere. Wouldn't you rather have this money in your pocket than the other fellow's? It pays to investigate and have this proven to your satisfaction. This we agree to do or we don't want your business. The quality of goods we sell are such that we don't have to make extra efforts to close them out because they will not sell to people who are real judges of good pianos and versed in prices.

We sell such pianos as the famous Steinway & Sons, A. B. Chase, Knabe, Sterling, A. M. McPhail, Behning, Kurtzmann, Estey, Emerson, Laffargue, Paul G. Mehlis, Krell, Royal, Huntington, Mendelssohn, Le Verne, and many other well known makes. We handle Players of all the above makes and they are the very finest goods on earth, and our prices are right.

We are in the piano business to do what the other fellow can't do when it comes to deliver good pianos at low prices. For your advantage give us a chance to show you what we can do after you have looked around and then you will appreciate our good offer.
