The American Adding Machine

The Latest Adder

Costs But \$35
See our exhibit--ask for 10 days' trial

Here is a new price on a competent Adder. On a machine that is rapid, full size and infallible.

The very latest machine, built by men who know, in one of the largest metal working shops.

It is an individual Adder, to be placed on one's desk, close to one's books and papers. To take the place of the central machine requiring skilled operators.

It is also intended for offices and stores where costly machines are a luxury.

The price is due to utter simplicity, and to our enormous output. Seven keys to do the work.

Each copied number is shown up for checking before the addition is made.

The machine will add, subtract and multiply. With very slight practice anyone can compute a hundred figures a minute. And the machine never makes mistakes.

Countless offices, large and small, are getting from these machines the best class service.

MANUFACTURED AND GUARANTEED BY
AMERICAN CAN COMPANY, CHICAGO
Sold in Watertown by Watertown Printing & Binding Company.

Now we make this offer so that offices everywhere may learn what this machine means to them.

Ten Days' Test

We will gladly place in any office one American Adder for ten days' test.

There will be no obligation, and charges will be prepaid.

Compare it with the non-lister--even the costliest. Let anyone use it. See if any machine can serve better than this.

Just send us this coupon and we'll send the machine.

Clint Bibbins.

TO THE VOTERS OF CODINGTON COUNTY.

I have decided to become a candidate for the republican nomination for sheriff of Codington county at the March primaries and if I should be nominated and elected to that office will give the same my entire time. If you can see your way clear to give me your vote and support I will appreciate the favor.

TO THE REPUBLICAN ELECTIONS OF CODINGTON COUNTY.

Yours most respectfully,
Fred M. Bronson.

TO THE REPUBLICAN VOTERS OF CODINGTON COUNTY.

I hereby announce myself as a candidate for the republican nomination for the office of clerk of courts of Codington county. I am a pioneer resident of Codington county and never before have asked for an office of any kind. I will appreciate anything my friends can do to aid me in securing the nomination for this office. I believe I am competent to handle the duties of the office in good shape.

ANNOUNCEMENT.

I desire to announce myself as a candidate for the office of Superintendent of Schools, subject to the will of the republican voters of Codington County at the March primaries.

Respectfully,
P. H. Moller.

TO THE REPUBLICAN VOTERS OF CODINGTON COUNTY.

By the request of my many friends in the city and county I have decided to permit myself to become a candidate for the office of sheriff of Codington county, subject to your decision at the primaries to be held next year on the 24th day of March. I am a life-long republican, and believe in the general principles of protection, and that I am not identified with any clique or combination or never was and never will be. There are no strings on me. I believe one elected to this position is a public trust, and the county and state are entitled to the earnest and loyal services of incumbent. I also believe a public service to be the highest to which a citizen of our country can be called, and he who holds such a position is derelict or slack in his duties or who fails in any respect to act in the best interests of the people is not a good officer. If I should be elected to this office I pledge myself to give you one and all a clean business administration without fear or favor, keeping always in mind to the best of my ability the greatest good to the greatest number. Every man has a right to conduct his own business in his own good way, so long as he does it legally and lawfully, and I earnestly solicit your support and your vote.

J. J. Ballou.

FOR AUDITOR.

I desire through this medium to announce my candidacy for the republican nomination for the office of county auditor for Codington county. I have served several terms on the board of county commissioners and I believe I am familiar with the duties of the office. If nominated and elected to the office I will give my whole attention and best services to the same. I respectfully solicit your vote and support for the nomination to this office on the republican ticket.

Yours most respectfully,
John A. Ries.

TO THE VOTERS OF CODINGTON COUNTY.

I hereby announce my candidacy for the republican nomination for sheriff of Codington county. I have been a resident of the county for the past thirty-two years and have always been a republican. I feel that I am competent to discharge the duties of the office in the proper manner if I should be nominated and elected. I respectfully solicit your vote and support for the nomination.

Yours very truly,
Fred McLaughlin.

FOR REGISTER OF DEEDS.

I wish to say to the republican voters of Codington county that I will be a candidate for the republican nomination for Register of Deeds at the coming primaries and will thank you in advance for any favors that will further the assurance of my nomination.

Very truly yours,
Curt Johnson.

FOR REGISTER OF DEEDS

In response to the advice of numerous friends, I hereby announce myself as a candidate for the office of Register of Deeds of Codington county, subject to the result of the republican primaries to be held in March, 1914. If nominated and elected, I pledge myself to render such service as will accord with the best interests of the people of the county, to the best of my ability, without fear or favor. I shall feel grateful for such assistance in the furtherance of my candidacy as the people of the various parts of the county may feel that they can consistently render, assuring them that I shall faithfully endeavor to prove worthy of their confidence.

Antone H. Scott.

TO THE VOTERS OF CODINGTON COUNTY.

I have decided to become a candidate for the republican nomination for sheriff of Codington county at the March primaries. Having acted as deputy sheriff I am familiar with the duties of the office, and if I am nominated and elected to that office will devote my entire time and attention to same. If you can see your way clear to give me your vote and support, I will appreciate the favor.

TODAY.

Today is your day and mine,
The only day we have, the day
in which we play our part. What
our part may signify in the great
whole we may not understand,
but we are here to play it, and
now is our time. This we know.
It is a part of action, not whining.
It is a part of love, not cynicism.
It is for us to express
love in terms of human helpfulness.
This we know, for we
have learned from sad experience
that any other source
leads toward decay and waste.

HOW TO BANKRUPT THE DOCTORS

A prominent New York physician says, "If it were not for the thin stockings and thin soled shoes worn by women the doctors would probably be bankrupt." When you contract a cold do not wait for it to develop into pneumonia but treat it at once. Chamberlain's Cough Remedy is intended especially for coughs and colds, and has won a wide reputation by its cures of these diseases. It is most effectual and is pleasant and safe to take. For sale by all dealers.

FIT HIS CASE EXACTLY.
"When father was sick about six years ago he read an advertisement of Chamberlain's Tablets in the papers that fit his case exactly," writes Miss Margaret Campbell of Ft. Smith, Ark. "He purchased a box of them and he has not been sick since. My sister had stomach trouble and was also benefited by them." For sale by all dealers.

Our answer is, by buying in large quantities and discounting our bills--frequently going right to the manufacturer and buying direct, thus eliminating the middleman's profit.
We have frequently been asked, "How can you afford to sell your groceries so much cheaper than other stores?"

And this though should suggest to you, the wisdom of also taking advantage of the less prices invariably charged for goods bought in larger quantities.
