

AT THE CAPITOL.

THE IDAHO BILL INTERFERES WITH TARIFF IN THE SENATE.

THE COX EULOGIES AGAIN POSTPONED.

Federal Election Law—Carlisle's Successor Sworn in—Cause of Mr. Enloe's Motion—Other Matters.

In the Senate Mr. Fverts gave notice that on account of the absence of Mr. Voorhees the eulogies on the late Samuel S. Cox were again postponed until Tuesday of next week.

The Senate passed the House bill in relation to oaths in pension and other cases.

The bill for the admission of Idaho was then taken up. After the reading of the bill Mr. Morrill gave notice that he would, at the earliest possible moment, move to take up the Tariff bill.

Mr. Platt declined to allow the Tariff bill to interfere with the Idaho bill.

Mr. Gorman asked when the Tariff bill would come up.

Mr. Morrill said it was not his purpose to interfere with appropriation bills or conference reports, but he would call up the Tariff bill at the earliest possible moment.

Mr. Teller said the Idaho bill would likely consume most of the week, and he would call up the Tariff bill on Tuesday of next week.

Mr. Platt thought the bill could be disposed of to-morrow.

The report was then read and the bill laid aside temporarily.

The Agricultural Appropriation bill was taken up.

The only amendment of any importance reported from the committee was one striking out \$25,000 for the use of a portion of the Arlington estate as an experimental station and farm.

All the committee's amendments were agreed to.

On motion of Mr. Coke \$2,500 was appropriated to investigate the natural history and remedies for the cotton worm.

The bill was passed without further amendment.

A further conference was ordered on the Legislative, Executive and Judicial Appropriation bill, the point of difference being on the amendment to pay Senators' clerks \$1,800 a year, instead of \$6 a day during the session.

In the House.

The Election bill occupied the attention of the House to-day, and Representatives Waddell of Virginia, Houk of Tennessee, spoke in support of the bill, and Messrs. Herbert of Alabama, Coleman of Louisiana, Outwater of Ohio, Turner of Georgia, vigorously opposed the measure.

The Moving Cause of Mr. Enloe's Motion.

The real reason why Mr. Enloe of Tennessee last Saturday made his motion to amend the Journal is said to be because the Democratic managers of the debate on the Federal Election bill intended to allow him twenty minutes.

According to this version he determined to use up twenty minutes anyhow, and made his motion for that purpose. If that was his intention he certainly succeeded, for the debate was delayed a little more than twenty minutes.

Fourth of July Adjournment.

It is probable there will only be four days' session of the House this week.

The Fourth comes on Friday and adjournment will likely be until Monday.

The Speaker favors this course, and most of the members would like a few days' holiday—or, rather one holiday and two days to recover.

If this programme be adopted, it is thought the Committee on Rules will report an order setting apart Thursday for the consideration of the Bankruptcy bill. The Election bill will by that time have gone to the Senate to pluck that body.

Carlisle's Successor.

M. W. W. Dickerson, the successor in the House to Senator Carlisle, was sworn in and took his seat this morning.

He is a tall, slim man, with black hair and mustache. He has something of an appearance, and appears to be about 50 years of age.

Silver Conference.

Mr. Walker of Massachusetts, one of the House conferees on the Silver bill, is out of the city. Cases only there will be no conference meeting before his return, probably Wednesday.

Favor the Transfer.

Mr. Spooner presented to the Senate resolutions favoring the transfer of the Revenue Marine Service to the Navy Department from the Post-Office.

Mr. A. R. of Brooklyn, N. Y., and Dodge Post, of A. B. Moore, Md.

Ballot-Box Forgeries.

Mr. Cogswell of Massachusetts is absent. Consequently there will be no meeting of the committee investigating the Ohio ballot-box forgeries this week. It is expected a report will be agreed on next week.

District Appropriations Extended.

The Senate this afternoon passed a resolution to extend the District appropriations until the new appropriations become available.

MASS MEETINGS.

TO BE HELD TO PROTEST AGAINST THE OUBTEROUS ELECTION BILL.

Democratic leaders in Congress are advising the calling of mass meetings throughout the country to protest against the passage of the vicious, partisan and outrageous Election bill now being discussed in the House. The time is being chosen for the springing of the revolutionary measure upon Congress and the taking of the vote is so short that in no other way can the people put the seal of their disapproval upon this infamous scheme to perpetuate in power a party which does not contain within its ranks a majority of the voters, and which is in a minority.

New York, June 29.—The meeting is to be held at 10 o'clock, and will be held in the city.

Dangerously Injured by a Cable Car.

At 3 o'clock this afternoon an unknown man, about 60 years of age, was thrown from a cable car at the 14th street crossing, and dangerously injured.
