I am only a "Hadassah Husband", but nevertheless, the Polk County Chapter of Hadasah, which includes Lakeland, Bartow, Winter Haven, Lake Wales, and Haines City, has been one of the most progressive chapters in all Hadasah. Bear in mind, it has just celebrated its first anniversary, which makes it more admirable. Then, the fact that its membership, comes from all of the above mentioned places, which means a long drive for most of the too numerous to mention, in the past year, makes me feel that, now, above all times, all Jews, can take a lesson from this group of women. Quotas for all drives means nothing to them. I can safely say that they have made and passed all quotas assigned them. Their most recent achievement, and to my way of thinking, since it was spontaneous, was outstanding. At their last regular meeting, held in Lakeland, Mrs. David Greenberg, V. P., National Hadassah, was guest speaker and after her most enlightening talk, Mrs. Jay Zolotrofe, outgoing President

thanked Mrs. Greenberg, and then made an appeal for contributions for Child Welfare. This as you know, is for the support and maintenance of children sent to Palestine. In less than 20 minutes, the wives, and few husbands that attended pledged over \$1800.00. Bear in mind, this chapter has one of the smallest memberships, which makes such a response all the more outstanding.

They have been very fortunate in having a leader, in Mrs. Zolotrofe, who never took "no" for an answer and no task was too small or too large, and she at all times inspired her members, as well as committee men or should I say, ladies, to more and more effort.

As you well know, we poor husbands, first felt like martyrs, since we were in reality, mere chauffeurs, but now we have been struck with the same spark, and I think I can speak for all the husbands, when I say, we, also are very active in their work. So you see, they must be doing a good job.

My sole purpose of this letter is to let the ladies know their work is being watched and appreciated, and a word of thanks to them from all of us may make their task a little easier. Also it may be an inspiration to others, in their work, in these trying times.

Sincerely,
PAUL LEVINE
