The V. C. I. U. was entertained last
Friday afternoon by Mrs. Charlotte Ap-

M. Ellis. After a short business pro-
gram all were invited to the dining room
where delicious refreshments were served
in honor of Mrs. Appleton's birthday.

A large amount of yarn has been re-

excellent opportunity to get special train-
ing before entering the service.

Monday evening the Young People's
Improvement Society of the Baptist church
entertained their pastor, Rev. J.
Wilbur Richardson. The Junior room at
the church was arranged as a parlor with
rugs, chairs, flowers, etc., and the piano
moved in from the vestry. Here a social
hour was spent with a costume dance by
Virginia Dutch, a piano solo by Louise
Ellis, a vocal solo by Bertha Hayes and
a humorous reading by Deacon Alton K.
Brady. Then all adjourned to the young
men's room which had been converted
into an attractive banquet hall and re-
freshments were served from small tables.

Harry C. Snow played several selections
on a Victrola and invited the pastor's
opinion on the records used. On learn-
ing of his pleasure the records were pre-
sented him with the best wishes of the
members. Immediately following this
surprise Albert L. Cuzner, with a few
well chosen words of regret at his de-
parture in the near future, presented Mr.
Richardson with a set of solid gold cuff
links very handsomely engraved with his
initial. It was several minutes before
Mr. Richardson could respond to the
unmistakable evidence of the most cor-
dial relations of pastor with the young
people, with whom he had been most in-
timately associated.

Robert W. Rollins has enlisted and will
leave August 15th for the Westworth In-
stitute, Boston, where he will decide on
which branch of the service he will enter.

ONLY THREE MORE DAYS

Today, tomorrow and Saturday and the Great Dollar Shoe Sale is Over. Really, there is no need of us writing this advertisement. When people found out they could buy good desirable shoes "in these high cost of living days" for the small sum of One Dollar they fairly overwhelmed us. Never in the history of our business have we sold so many pairs of shoes as our sale slips show since last Thursday. Better still, we have yet to hear of one dissatisfied person. Have you?

So our only purpose in writing this advertisement is to let you know that we are going to give even greater values these last three days than any previous day during the sale. Why? Because it has been our experience that the last three days of a sale always drag. The Best is always grabbed up first. So for this reason we have purposely held back some of the greatest values for these last Three Days' selling.

SPECIAL HOUR SALES

NO MAIL OR PHONE ORDERS.

Today—Thursday—Eight O'clock

Another 12 pairs of those White Canvas and Nubuck Boots go on sale this morning at eight o'clock for One Dollar a pair. Last week these boots were on sale exactly FIVE MINUTES, so you better hurry.

FRIDAY MORNING—EIGHT O'CLOCK

36 pairs Women's Colonial Pumps in fancy colors and combinations. Nearly all sizes. Think of it! One Dollar a pair.

SATURDAY MORNING—EIGHT O'CLOCK

75 pairs Women's White Canvas Colonial Pumps, turned flexible soles, high heels, regular \$2.00 value, sizes 3 to 5, One Dollar. You won't believe your eyes when you see these shoes in our window.

TRADE MARK

The Dinsmore Store was obliged several times to lock its doors on account of the crowd attending its famous Dollar Shoe Sale last week.

Mrs. Irving L. Perry, chairman of the sewing committee at the Red Cross rooms, met with a severe accident last Friday afternoon, when she caught her right hand on the brass electric fan. The cut on the thumb required three stitches when dressed. Miss Annie V. Field, chairman of the surgical dressings committee, is ill at her home, No. 130 High street, the result of over-exertion in the recent rush of work.

BOWLING AT WARD'S ALLEY. The shoe factory team played the sardine factory team in a matched game last Saturday evening. Capt. Maurice French of the former team requests any one interested in playing a matched game with his team to confer with him. The line up:

DESECRATION OF THE STARS AND STRIPES. Abraham Caseman, a junk dealer, who is believed to be a German Jew, was before Judge Maurice W. Lord of the Belfast Municipal Court Saturday forenoon on the complaint of Walter F. Trundy of Stockton Springs, charging the defiling of the American flag by using parts of it as a fly net on his horse. Caseman, who speaks fairly good English, was arraigned and plead not guilty. The evidence, shown by the testimony of War Deputy Ernest McLaughlin, was to the effect that the Jew appeared early Friday morning on the streets of Stockton Springs with parts of the flag on his horse. He was accosted by Walter F. Trundy, who advised him to remove it. Caseman insisted that it was not the American flag and that it "had no blue stripes on it" and began to argue as was his custom. At this juncture McLaughlin took a hand in the case and removing the flag from the horse put it into the wagon and told the man not to use it for that purpose again. Mr. Trundy's testimony substantiated Mr. McLaughlin's.

Caseman several times attempted to interrupt the witnesses and to argue before the presiding justice, but was told his place by Judge Lord and was obliged to keep quiet. He was not represented by an attorney, but plead his own cause amounting in substance that he did not know there was a law against using parts of a flag for such a purpose. In response to questions by Judge Lord he said he was a naturalized citizen, that he belonged in Dover and that he "had lived in the little place of Maine for eighteen years without having any trouble in court." Judge Lord frankly told him he did not believe he was ignorant in the use of the flag and fined him \$10 and costs of court. He was also severely admonished by Judge Lord to be more careful of his conduct in Stockton Springs and refrain from giving offence in any way. It also appeared that Caseman was on the street Saturday morning with a net on his horse made entirely of the 15 inch wide white stripes of the flag. This capped the climax of a long series of minor offences and Caseman was brought over by Deputy McLaughlin, accompanied by Messrs. Trundy and Leonard La Furlay in an auto. The parts of the forty-foot wool bunting flag were shown in court, but Caseman denied all knowledge of it, even as to where it came from. He paid his fine and costs.

The electrical showers last Saturday covered a wide section in this vicinity. Lightning struck trees near the Marriner residence on the Belmont road and rain fell in torrents, as it did in Waldo and Northport. In Belfast very little rain fell but the few flashes of lightning were very severe. It struck the residence of Mrs. Effie M. Harrison on Lincolnville avenue, destroyed a chimney and burned out the electric light wires. Mrs. Harrison was sitting in the open shed door at the time and hardly noticed the shock. A brick from the chimney struck near Amos Partridge who was working on a roof nearby and he felt the effects of the lightning several hours.

POSTMASTER EXAMINATION. At the request of the Postmaster General the United States Civil Service Commission has announced an examination to be held at Belfast on August 14th for the position of postmaster at Seaport. This office has an annual compensation of \$1400. To be eligible for this examination an applicant must be a citizen of the United States, must actually reside within the delivery of the office and have so resided at the time the present vacancy occurred. Applicants must have reached their twenty-first, but not their sixty-fifth birthday on the date of the examination. Application Form 304 and full information concerning the requirements of the examination may be secured from the postmaster at the place of vacancy or from the Civil Service Commission, Washington, D. C. Applications should be properly executed and filed with the Commission at Washington, D. C., in time to arrange for the examination of the applicant.

COMMUNITY CHAUTAUQUA. The Chautauqua tent arrived Monday evening and work of placing it in position began at once. Mrs. Bessie Bradshaw, the play leader, began her work here with the children last Friday. Wednesday's program was all that it was advertised to be. The musical attractions for the remainder of the week are among the best in this country and will be sure to please the most critical. This, Thursday, evening Albert Edward Wiggam will speak on "The Life of Our Boys in France." The management selected Mr. Wiggam, one of the ablest lecturers in America, to go on a special mission to the Western Front this spring where the military authorities have given him every facility for getting the information of greatest interest to the American people. Mr. Wiggam has brought back with him some wonderful pictures and many interesting exhibits, among them being the recently invented life saving suit which he used on his ocean trip and which has been the means of greatly reducing the terrors of the submarine. Friday evening the lecture will be by Ralph Parlette, who is called a professor, a poet, a philosopher, a humorist and an orator. He is best known, however, as the "Humorist who helps Humanity." His good cheer, his quaintness, his personality illuminate every utterance. So great has been the demand for Parlette's lecture on "The University of Hard Knocks" that it has been published in book form and is now in its fourth edition. His lecture has already been delivered over 3,000 times and its popularity is further attested by the fact that the public has paid over half a million dollars to hear it. Sunday evening Wallace Bruce Ansberry, a poet, dramatist and publicist of wide note, brings to the Chautauqua in his own masterful and charming way a lecture recital on "Kipling, Master Interpreter of the War Spirit." Mr. Ansberry's work is absolutely different from that of every other platform man. Not only does he convey to his auditors a deeper love and a wider understanding on Kipling's stories, but he gives such an intimate and faithful picture of the author himself, that you feel you have known and lived with him all your life.

The management desires to call attention to the fact that the Weber Male Quartet announced on its program is of New York City and not of Boston. The members are as follows: Mr. Robert Armour, 1st tenor; Mr. Marlowe Jones, 2nd tenor; Mr. Malcolm Barnes, baritone; Mr. Frederick Thomas, bass. All of whom have been with the Quartet for eight years without a single change in the personnel. This announcement is made in order to avoid any misunderstanding or confusion arising in the minds of any people as to the identity or reputation of the Weber Male Quartet.

A large number of children gathered Tuesday evening for the Junior Parade, which was very attractive with its decorated pony carriages, Uncle Sams, Red Cross nurses, etc. Then followed a program of songs and fancy dancing. All made merry at the ticket hunt on the lower chool common, when four lucky little ones found their course tickets. The Fisher Shipp Concert Company, Wednesday, gave a most delightful program. Miss Shipp's voice is a lyric soprano of remarkable range and flexibility and in the sextet was especially enjoyed. Miss Majors, the violinist, demonstrated her ability as an artist throughout the program. Another pleasing feature was the burlesque on grand opera. Dr. Joseph Clare of London, the English orator, from start to finish held the closest attention. He told of life in Petrograd, where he had been pastor of the British American church five years, and his lecture was replete with thrilling revelations.

Don't forget. Only Three More Dollar Days at the Dinsmore Store.

Mr. and Mrs. Charles E. Brown have moved from the Pastures in Belmont to the Murphy house, so called, on Northport avenue.

Belfast friends have received cards announcing the engagement of Leon Deek with, U. S. N., and Miss Eunice L. Tucker, both of New Haven, Conn.

Archie Robinson of this city has enlisted in the U. S. N. with the intention of entering the Harvard Radio school. He is taking a short course in the Federal and State radio-buzzer class in the B. H. S. school building under the direction of Supt. E. E. Roderick.
