

PREFERS INDEPENDENCE TO HIGH POSITION

The Democratic party of the Philippines will join the Nacionalista party, which is now in power, in the demand for immediate independence of the Philippines, Senator Teodoro Sandiko, only member of the Democratic party in the Philippine senate, said in an address at a luncheon at Manila. This

Hon. Sergio Osmena, noted Filipino leader, who stated he would prefer to be humblest citizen under independence than leader under another country.

means that all political parties in the Philippines are united for independence.

The luncheon was given for members of both houses of the Philippine legislature by former Senator Gabaldon, recently chosen resident commissioner at Washington.

Sergio Osmena, speaker of the Philippine house of representatives and head of the dominant Nacionalista party, who was recently termed "the greatest Filipino since Rizal," addressing Senator Gabaldon, said:

"We urge upon you in your capacity of resident commissioner to the United States to tell Congress and the people of that noble country that we who are gathered here today would prefer to be the lowest and humblest citizens of the Philippines with independence in our hands than the leaders that we now are in our country under the tutelage of another country."

URGE EXAMPLE OF SELF-DETERMINATION

That friends of Irish independence in the American Congress could make a more effective impression on Great Britain by granting Philippine independence than by merely expressing sympathy with Irish aspirations is the suggestion contained in a statement issued by the Philippine Press Bureau of Washington, D. C.

"Twice in a period of nine months," reads the statement, "the United States Senate went on record as being in sympathy with the aspirations of the Irish people for a government of their own choice."

"Still another way for the friends of Irish independence in the American Congress to make an impressive argument would be to grant the independence of the 10,500,000 inhabitants of the Philippines have repeatedly demanded. America's own representatives in the islands have officially reported they are ready for independence and have recommended that such independence be granted."

"We submit that the granting of Philippine independence would be likely to be accepted by Great Britain as even stronger proof of America's belief in self-determination than the passage of the Irish resolutions, because Great Britain's counselors of state could not then successfully make the point that the American Congress is asking Great Britain to do something the United States itself has been asked to do and has not done."

YOUNG FILIPINO WON FRENCH WAR CROSS.

Gregorio Cailles, a Filipino, recently returned to his Philippine home wearing a French uniform and a Croix de Guerre with palm. Cailles in December, 1916, arrived in France and enlisted as a private. He made an excellent record as a soldier. At one time when all the officers of his company had been killed, he took command and led the men in a charge. He was decorated for this act of bravery by the French Government.

"POLLY OF THE CIRCUS" BIG CHAUTAUQUA FEATURE

MISS JANET HERSHEY who plays Polly

"POLLY OF THE CIRCUS," GREATEST AMERICAN PLAY, ATTRACTION AT CHAUTAUQUA.

Margaret Mayo, America's greatest lady playwright, wrote "Polly of the Circus"—aiming it at those people who were narrow in their views toward others—those who were intolerant of life, love and laughter. The play was an instantaneous success and for several years played to capacity houses in the larger cities of this country and Europe. And now Community Chautauquas have taken it, and with talented players and special scenery are bringing the complete production to your very doors. The cast of players includes such well known actors and actresses as Miss Janet Hershey, the beautiful popular star; George Amesbury, well known leading man; Marjorie Dalton, Donald McLean, J. L. Clark, J. R. Armstrong and Kate Jepson.

"Polly of the Circus" is simple and sweet; it is a typical play of American life; its great dramatic power lies in its very simplicity. When you see little Polly you will love her just as did the village minister. To tell you the story of the play at this juncture would be as though you had seen the Christmas tree before the twenty-fifth of December. So we are not going to say more than this: "Don't miss 'Polly of the Circus' at your Community Chautauqua if you would spend a few delightful hours in the land of make-believe."

Meeting of Waldo County W. C. T. U.

The Waldo County W. C. T. U. held its 37th annual convention in the Grange hall at Monroe village. Devotions were led by County Supt. of Bible and Evangelistic Work, Miss Eda Woodbury of Belfast. The formal convention was called to order at 10.10 by County President Mrs. Annie Mae Frost of Belfast. Roll call found three county officers and nine county superintendents present. The outline of the program as arranged by County President, Mrs. Frost, was accepted as the order of the day, subject to necessary changes.

The following committees were appointed by the chair: Credentials, chairman, Mrs. Annie B. Aborn, Mrs. Abbie Bailey and Mrs. Evelyn Twombly; Courtiers, Mrs. Della Nealey.

Mrs. Sadie H. Bates, Treasurer, read greetings from the State President, Mrs. Althea Quimby, and upon motion the convention voted to send her a loving response for her splendid words of cheer and greetings.

The reports of secretary and treasurer were given and accepted with thanks. Mrs. Lora Maxcy acting as auditor.

In the absence of Mrs. Etta Dolliff, Mrs. Nellie Boyd was appointed to conduct the memorial service.

Sister Ella Lincoln of Monroe union was the only member in Waldo county who had passed to the higher life during the year.

The chair appointed Sisters Bates and Mansur as resolution committee.

A session on Parliamentary Usage and Institutes was conducted by Mrs. Bates, in a very interesting manner and clippings from several States were read and listened to with much interest by all present. At this time Mrs. Evelyn Twombly announced that dinner was ready for the hungry members from far and near.

Noontide prayer was voiced by Mrs. Charlotte Applin of Belfast. Then all sought the dining room below where the ladies of Monroe had prepared an ample and delicious feast, to which all did full justice.

After a social hour the executive meeting was called to order at 1.30 p. m. and after prayer the following superintendents were nominated and later elected by the convention:

CORNCOBS YIELD RARE DYES AT LITTLE COST

Of importance to the dye industry is the recent discovery that fufural, or fufuraldehyde—a dye base—can now be extracted, like cellulose, from the common corn cob, and at a cost of only 15 cents a pound, says an article in the July number of Popular Mechanics Magazine. This colorless, oily liquid has previously been obtained only in the laboratory, and at something like \$17 a pound.
