## MARTS STUMBLE AFTER RISING

NEW YORK, May 31.—(U.P.)—The stock market averages stumbled today after five successive rising sessions to highest levels since 1937.

Transfers of 1,210,000 shares compared with 1,600,000 Tuesday. Customers returned from their holiday with selling ideas generally predominating. These were based partly on the thought of a technical correction, talk of further Washington steps to restrain speculation and fears of international complications resulting from the row in Syria. Idle investment funds and post-war prosperity hopes persisted as bolstering factors.

The Associated Press 60-stock composite was off .5 of a point at 66.1 of 926 issues appearing, 452 were down, 268 up and 206 unchanged.

Prominent casualties included Santa Fe, N. Y. Central, Southern Pacific, Southern Railway, U. S. Steel, Chrysler, General Motors, Goodyear, Sears Roebuck, American Can, Westinghouse, American Smelting and International Nickel.

Continued optimism over the American Telephone refunding program lifted this stock to a new top in the forenoon but it backed away to finish unchanged at 172. M-K-T preferred and Canadian Pacific reached 1945 highs. Ahead were Johns-Manville, U. S. Gypsum, Du Pont and Woolworth.

A few railway bonds enjoyed popularity but many loans faltered. Cotton was unchanged to 30 cents a bale lower.

In the Curb Fedders Mfg. advanced 1 3/8 on a 1-2 cent dividend, first since 1942 when 15 cents was paid. Pentecost improved 1 1/4. Laggards were E. W. Bliss, Electric Bond and Share and Cities Service. Turnover here was 340,000 shares versus 410,000 in the preceding session.
