NEW YORK COTTON

NEW YOPK, May 18.-(A)-The Cotton futures market closed firm today with gains of 5 to 50 cents a bale recorded.

Most of the buying came into the market in the closing minutes of trading and buyers were forced to bid up prices in an effort to obtain more surplies. Most of the demand was said to represent week-end 3-8

During the early part of the session price changes were small and irregular with considerable confusion shown over the threatened coal strike.

Mill demand absorbed light hedge sales. Profit taking was occasioned by reports of favorable crop devel-

Business Men

Pay By Check

Why Not You?

The fact that nearly all businesses transact their financial affairs by check is proof that it is "good business to pay by check." And not only for big business, but for the average office worker, housewife, salesman, in fact it is good business for everyone who pays bills to pay by check. It saves time, saves money and gives you incontestable proof of payment.

Morris Plan Bank Offers You Two Types Of Checking Accounts To Suit Your Individual Needs.

1—"POPULAR

CHECKING ACCOUNTS. - No monthly service charge. A book of 10 checks costs you \$1. That is your only cost, no matter how small your balance may be or how many checks you write.

CHECKING ACCOUNTS — Designed primarily for business concerns or individuals who carry a large balance. The service charge, if any, is based on the average balance and items handled each month.
