FISH LINES

By JACK COWIE

Star-News Staff Writer

In the mail today, for delivery tomorrow, are several hundred copies of the New Hanover Fishing club's 1946 prize list and annual. A preview copy of the edition was given to FISH LINES yesterday by T. I. Watkins, Sr., president. The book contains pictures of catches made during the past year in addition to complete prize lists for the coming season. Catching the eye of the writer was a small box which offers a \$100 prize for the first member catching a CHANNEL BASS weighing over 54 pounds... offered by George Huttatt, Sr., present holder of the club record for that type fish. Huttatt landed a 54-pound BASS in 1930.

Another top prize of \$50 is offered for the first BLUEFISH weighing over 10 1/4 pounds. Present record holder is E. R. Johnson... made in 1935. The book also contains the names of club members (your writer's name is not listed although he is a member;) the tides for the coming year, and page after page of additional information of interest to club members and other fishing enthusiasts.

They were catching them two at a time last week at the Atlantic View pier. Double catches were reported by Bill Fenley, 116 South Fourth street. His catch—a three-pound POMPANO and a one-pound BLUE on the same double tackle. Steve George, 721 N. Fourth street, landed a one-pound three-ounce POMPANO and a one-pound and four-ounce BLUE on the same cast. George also had three other BLUES in his string.

The manager of Luma pier ups with the fact that 150 BLUES were landed on his quay yesterday. Large catches were made by Clifton Jones, Gus Worin, and Floyd Cox.

A letter from Capt. Victor P. Lance, of Southport, owner of the sport fishing cruiser Moja, tells of a catch of 100 BLUES close to the shoals earlier in the week. The same letter sent the captain's best to George Canady, secretary-treasurer of the fishing club.

A second letter from the Southport resident tells of a real day's fishing enjoyed by a party of Fayetteville and Lumberton Wallopites. The party boated 14 large BONITAS, 17 mackerels and one BAR-RACUDA. Two big AMBER-JACK broke leader wires, the captain reported. The ocean was alive with BONITA, MAC-KEREL and FLYING FISH. No Sailfish were sighted, he said (ed's note: Wait until the middle of July.)

A Topsail DRUM is pictured to the right of the column. It shows G. B. Dunn, 15 S. Fourth street with his 35-pound catch. Another large DRUM was beached during the week at Topsail when Richard M. Rochell tied into one weighing 31 3/4 pounds... the largest CHANNEL BASS registered here in the last four years was landed in Rich's inlet by Oscar Earl Durant... 42 1-2 pounds.

PULLS SURPRISE
INGLEWOOD, Calif., June 29—(AP)—Rolling Hills Farm's Shim Malone, 12-1 outsider, pulled a surprise to beat Louis B. Mayer's Stepfather, odds-on favorite, by one length today in the \$25,000, six furlong Haggin Stakes.

Dunn's First Drum Was A Big One

G. B. Dunn, 15 S. Fourth street, is pictured with a Drum weighing 35 pounds which he caught recently at Topsail. When the fish was weighed in at the Sport Center Dunn told George Canady, secretary-treasurer of the New Hanover Fishing club, the Drum was his first.

Three Others Pressing

Harry Todd Blisters Back Nine To Take Slim Lead In Canadian Open

MONTREAL, June 29—(AP)—Harry Todd of Dallas, Tex., blazed around the Beaconsfield Club course in a six-round par 66 today to hold a slim one-stroke lead at the 54-hole mark of the Canadian Open golf championship.

The lanky Texan clipped one stroke from par on the first nine with a 35 but turned on the steam in the stretch with a sizzling five under par 31 for a 66 and a total of 207.

Pressing Todd closely at 208 was a trio headed by Lloyd Mangrum, the slim, dapper U. S. Open champion from Chicago who also turned in a 35-31-66 today. George Fazio of Los Angeles and Gordon Brydson of Toronto each turned in third round 70s to match Mangrum's 208.

Another pair of ranking U. S. pros, E. J. (Dutch) Harrison, of Little Rock, Ark., and big Vic Ghezzi of Knoxville, Tenn., were right up in the running with 209. Harrison, leader at the halfway mark, skidded to an even par 72—not impressive in this field of par-busters. Ghezzi, co-runner-up to Mangrum in the U. S. Open, breezed around the course in a snappy 64.

The third 66 of the day was turned in by Skip Alexander of Lexington, N. C., who was

three strokes off the pace with 210. He was tied with Bobby Burns of Burlington, Ont., who fired a 69.

Four strokes away from Todd at 211, came Stan Leonard of Vancouver, Ellsworth Vines of Chicago and Ed Furgol of Pontiac, Mich., a quartet came in with 212. They were Stan Horne, Ilsemer, Que.; Chandler Harper of Portsmouth, Va.; Dick Metz, Arkansas City, Kans., and Ed Oliver, Chicago.

Ky Laffoon, Chicago, had 216. The leading amateur was Nick Wismock of Toronto, whose par 72 today gave him a 216 total.

Frank Stranahan of Toledo, Ohio, simonpure slipped to a 77 today for 218.

Minnesota's Bob Fitch Sets New Discus Record

SAN ANTONIO, Tex., June 29—(AP)—A new world's record in the discus throw and a stirring 1,500 meter performance by Sweden's crack distance star, Lennart Strand, highlighted the 58th annual National AAU track and field championships today.

Minnesota's star footballing end, Bob Fitch, bettered by more than four feet the 174-foot world discus mark of 17 feet 10 1/2 inches set by Adolfo Consolini of Italy.

Van Lingle Mungo

Clinton's Got Him---The Duke Happy

BY REESE HART
United Press Sports Writer
CLINTON, June 29—(AP)—Manager Willie Duke, of the Clinton team of the Class D Tobacco State league, beamed today over the fact that he has Van Lingle Mungo, former major league ace, under contract and said he was expecting great things from the ex-fireballer.

"We were real lucky to land Van," Duke said. "It all came about like this—you see, after Van left the Giants back in the spring, he went to this home down at Pageland, S. C. but he was anxious to get a cottage at White Lake and spend the summer there with his wife and children.

"I heard about it and got on the phone real quick. Van and I have been friends for years. Since White Lake is only 20 miles from Clinton, Van liked the idea of playing with us, so he signed right away."

Mungo is in Pageland today making plans to bring his family to White Lake over the week-end. The 220-pound star will join the Clinton team Monday.

"He's plenty serious about playing with us," Duke said. "And I'm counting on him to take his regular turn on the mound. He's in good shape. His arm feels good. You know, he's been pitching five and six innings three and four times a week with a semi-pro team down at his hometown."

Whether the temperamental Mungo has turned over a new leaf remains to be seen. During his career in the majors, his "badboy" antics became known far and wide.

"Van could have signed with two major league clubs when he left the Giants," Duke added. "But he was sort of fed up with things. He wanted to be with his family, so he returned to his hometown where he's been since then. His arm appears to be good as new. He doesn't have the fire and speed that he did when he was with Brooklyn about 10 years ago, but he still has plenty of stuff."

Last season Mungo won 14 and lost 14 for the New York Giants. But during the past spring he didn't fare so well, both on the mound and with Manager Mel Ott, finally winding up with his release.

VISITORS EDGE PIRATES, 4-3

By GENE WARREN

Star Sports Writer

Errors proved costly to Wilmington's Pirates last night at Legion stadium against Smithfield as two infield bores, one by Roy Lamb and Bill Hartsfield resulted in three Leaf runs. The visitors went ahead to cop, 4-3.

New Pirate hurler, Wilford Haidet was nicked for only three hits, but was wild throughout, giving up eight free tickets to first. The southpaw walked the final Leaf run home in the third.

Wilmington tallied one run in the fourth when Paul Smith doubled, went to third on an infield play, and came home on Larry Diorio's long fly to right.

In the fifth, Wilmington chalked up its last two runs. After Cullen and Haidet got on, Jim Staton singled the runners home. Both runs were scored after two were away.

The Pirates play Sanford this afternoon in the Spins' city.

California Net Ace Fights Way To Quarter-Finals At Wimbledon

By BILL MACKLIN

WIMBLEDON, June 29—(AP)—

California Tom Brown, who rolled through Europe two summers ago pumping mortar shells at the Nazis, today gave fresh life to American hopes of winning all five Wimbledon titles in the all-English tennis championships.

While Queen Mother Mary and Prime Minister Attlee gazed from the royal box, the 23-year-old San Franciscoan ousted Tony Mottram, Britain's last hope in the men's singles, 6-1, 6-1, 6-3, and wound up with seven others in the quarter-finals.

The victory left Brown alone to carry on for the United States.
