18 SOUTH FRONT STREET

Copr. 1946, Tomlinson of High Point, Inc

How FEWER but LARGER PIECES give you more space!

You would think that the smaller the pieces the more room you'd have in a bedroom. But Furniture by Tomlinson brings you a better idea. Here is bedroom furniture so designed that two pieces can take the place of three. A beautiful vanity table that's gracious and feminine in every line, a companion chest . . . and the drawer space problem for two is solved.
