are quartered at Odd Fellows' Hall, on seventh streat, nearly caused a riot hat evening shortly after 6 o'clock. Officers Hamilton and Kenney had arrested one of their command and placed him in the Fourth Precinct patrol wagon, when his comrades discovered his position and attempted a rescue. Hundreds of them swarmed around the wagon, but the officers succeeded in holding them back until assistance arrived from the First Precinct. When they made their appearance the crowd slowly dispersed and order was restored.

went up into the Catskill mountains to take a little nap of twenty years or so, and when he wakened, he found that the "cruel war was over," the monthly magazines had "fought it over" the second time and "blown up" all the officers that had participated in it. This much is history, and it is also an historical fact that, during the same period, Dr. Pierce's Golden Medical Discovery had become the most celebrated, as it is the most effective, Liver, Blood and Lung Remedy of the age. In fact, it is the only medicine for purifying the blood and curing all manner of pimples, blotches, eruptions, and other skin and scalp diseases, scrofulous sores and swellings, and kindred ailments, possessed of such positive curative properties as to warrant its manufacturers in selling it, as they are doing, through druggists, under a positive guarantee that it will either benefit or cure in every case, or money paid for it will be refunded. It also cures bronchial, throat and lung diseases. Even Consumption (which is Lung-scrofula) yields to its marvelous curative properties, if it be taken in time.

LEAVING IN DROVES.

Fifty Thousand Persons Dep the City To-Day. It is estimated that over 50,000 people left Washington to-day. Every out-going train was filled to its utmost capacity, but there was no noticeable decrease in the crowds was no noticeable decrease in the crowds that throng the stations. It is very different from the enthusiastic, merry, jubilant crowd that surged through these same gates before inauguration. The women are pallid, most of them have colds contracted from standing in the rain, and the men weary, limp and spiritless. They cheered the new President and now their voices have much the sound of a rusty file being grated against a piece of metal. berths in the Pullman cars was never greater and the man at the ticket office is kept very busy.

A number of military companies and political clubs left for home to-day. They boarded their special trains at Maryland avenue and Ninth street.

The Eighth Massachusetts Regiment was the first to leave. They marched down the Avenue from their quarters before 7 o'elock this morning. They were followed an hour later by the Third Connecticut Regiment, who left in a special train of ten cars. The Wife-Awake Club of Hartford had their car attached to the train. ther car attached to the train.

This morning Drake's Veteran Corps of Elizabeth, N. J., headed by their band, visited all of the public buildings. They left for home at 2:20 this afternoon.

A Delegation From Chicago Who are Traveling in Style.

Morton Club of Chicago still linger in this city, and this cannot be wondered at considering the luxurious appointments of their special train, which now lies at the head of New York avenue.

head of New York avenue.

This is one of the most popular and powerful political and social organizations in Chicago and did excellent service in the last campaign. They spend no money in the legitimate expenses of the canvass, and, though all prominent business men, they devoted their time and attention to the success of the party, though their private interests might suffer inconsequence.

The members of the organization accompanied by the ladies of their families, left Chicago Saturday in a special train of Pullman cars, and after a delightful trip, reached this city Sunday. Mr. Daniel Lace Steward of the Lehand Hotel, Chicago, has charge of the culinary department, and right royally does be execute his duties. It is a revelation to dine with the club on their train, a revelation that one would not object to prolonging indefinitely.

The following gentlemen are members of the committee of arrangements and to their good hard work should be credited the comfort and pleasure of the excursionists. Colonel R. M. Littler, chairman, J. H. Barnett, Samuel Page, C. B. Ayres and George Lyun. The organization will leave for home to-night at 12 o'clock, well satisfied with their trip.
