Also copies of all orders issued by said commander in carrying out the provisions of said act, or either of them; also that he would inform the Senate of what progress he as made in the matter of registration under said acts, and whether the sum of money appropriated for carrying them out be probably sufficient. In answer to that portion of the resolution whether the sum of money appropria-ted for carrying these acts into effect is probably sufficient, reference is made to the accompanying report of the Sec-retary of War. It will be seen from that report that the appropriation of \$5,000,000, made in act approved is that his view of things? deadly opponents. He is notoriously unif for the office. He is unfit by his want o Democracy shall surrender all their self-respect, give the lie to all their past history, and cover themselves with diagrace, by laying down their standard at the feet of General Grant, because if they do not the Radicals will, and thereby obtain him, needs only to be mentioned to be scorned. We are mortified and astonished that a man of Mr. Cox's position and antecedents, should urge it for a moment. If the Radical want General Grant, let them take him conspiracy; therefore, to open all sources of evidence the committee shall be empowered to report a bill granting grace and amnesty, according to parliamentary usages, to any persons having cognizance of such conspiracy not already put on trial and convicted of complicity therein, who shall give material and faithful evidence another General Scott 1852 affair—an utter rearding to being to light feets at said contending to bring to light facts of said couspiracy; and that, in the judgment of his
