D. C. A. Van Zandt's Health Restorative.
This is a medicine which not only cures but prevents disease, capable of great results, and equally calculated to be safely used for apparently small ones. We all know how dreadful and dangerous a seated bilious disorder is, and we are also well aware of the seeming insignificance of its first warnings or incipencies. The individual suffering from slight pains in his chest, back, or stomach, or from occasional nausea, dull headache, extreme nervousness, sleeplessness, trifling prevarication of appetite, and other disagreeable visitations so common, and foolishly looked upon as unimportant, may not know that these symptoms, treated so contemptuously, are the consequences of a diseased state of the liver, which if not remedied, will lead either to speedy death or a long train of unbearable ills which are known by the following names: Hypochondria, mania, rheumatism, slow fevers, epilepsy, asthma, dropsy, diarrhoea, chlorosis, convulsions, nausea, nervousness, cramps, gout, pleurisy, jaundice, irritability, and violence, dyspepsia, hystic, scurvy, foul stomach, dry coughs, glandular affections, colds, lingering sore throats, various disorganizations of the great intestine, strictures and spasmodic complaints internally, eruptions, shortness of breath, heartburn, neuralgia, vital inflammation, flulencia, gastric fevers, &c.

Sometimes, too, there ensues an irregular action of the heart. Take these pills and suffer no more.

TEAS, TEAS. TEAS, TEAS.
Washington, D. C.
Agency of the New York
CANTON TEA COMPANY.

THE OLDEST TEA ESTABLISHMENT IN AMERICA!

PRINCIPAL ESTABLISHMENT IN NEW YORK.

THE CANTON TEA COMPANY has been popularly known for many years. This is the largest and oldest Tea Establishment in America. The public have had full proof of their integrity and responsibility. But such has been the great and pressing demand for their TEAS of late, that they have been obliged to enlarge, to a great extent, their two principal establishments in New York, viz:

125 CHATHAM AND 163 GREENWICH STREETS.

They moreover possess facilities, in relation to the Tea Trade, in a very abundant degree, and doubtless, superior to any other Tea Concern in America. Their scrupulous regard to all principles that tend to elevate the character of a large house, is well understood, and has already secured them a connection, probably, larger than all other Tea Establishments united, and they consequently are determined to sell Teas purer, more fragrant, and perfect for the prices, in the aggregate, than any house in the world—China excepted.

They most zealously invite the attention of the inhabitants of WASHINGTON, D. C., to their Agency, where the following assortments are always on hand; and they feel no hesitation in stating that wherever a single trial is made, a very decided preference is given to the celebrated Teas of the CANTON TEA COMPANY.

Render, make the experiment! Retail Prices as follows, subject in all cases to be returned if not approved of—

GREENS.

Good Young HYSON, \$0 50 per lb.

HOWQUA, or finest Black Tea imported, 1 00

Ne plus ultra TEAS, both Green and Black, of all descriptions, the highest grades grown in China, \$1.50 per lb.

TAKE NOTICE!—THE CANTON TEA COMPANY are the exclusive vendors of the superior Black Tea called "HOWQUA'S MIXTURE." They introduced it in America in 1840—and every other person or house professing to sell the same at all, much less at a lower price—deceive the unwary, as the public themselves will perceive, by comparing the spurious with the genuine "Howqua" vendible by the Canton Tea Company.

Every package (in addition to its containing FULL WEIGHT, independent of the wrapper,) bear the stamp of neatness and elegance, and the Teas therein are so thoroughly secured from light and air, that their quality and power will remain unimpaired in any climate.

THE PILES.
A CURE FOR LIFE SECURED.

DR. UPHAM'S Vegetable Electuary, an internal remedy for the Piles, prepared by Dr. A. Upham, M. D., a regular educated Physician who has devoted fifteen years attention almost entirely to this disease.

The Electuary is a certain cure for the Piles, and also for other diseases of a similar nature, which are frequently found in conjunction with Piles, Rashes, Inflammation of the Liver, and Syphilis; Inflammation, Soreness, and Ulceration of the Stomach, Bowels, Kidneys, and Bladder; Inflammatory and Mercurial Rheumatism; Impurity of Blood; Weakness and Inflammation of the Spine.

THE VEGETABLE PILE ELECTUARY is the only really successful remedy for that dangerous and distressing complaint, the PILES, ever offered to the American Public.

Mark this: it is an INTERNAL REMEDY—not an external application—and will cure any case of Piles, either bleeding or blind, Internal or External; and probably the only thing that will. There is no mistake about it. It is a positive cure—speedy and permanent. It is also a convenient medicine to take, and improves the general health in a remarkable manner.

It is very mild in its operation, and may be taken in cases of the most acute inflammation, without danger. All external applications are in the highest degree disagreeable, inconvenient, and offensive; and from the very nature of the disease, temporary in their effects. This medicine attacks the disease at its source, and REMOVING THE CAUSE, renders the cure CERTAIN and PERMANENT.

The Electuary contains mineral medicine, *Atos, Coccyth, Gumberg,* or other powerful and irritating purgative. No fear of taking cold while under its influence; no change in diet necessary. If taken according to directions, a cure for life is guaranteed!

Sold wholesale and retail by WYATT & KETCHUM 121 Fulton st., New York. CHARLES T. T. Washington, and by Druggists generally throughout the United States. Price \$1 a box.

PRESERVE THE TEETH.
FAR better is it to cure the Toothache in minute, by using Wheeler's Teaberry Tooth Wash, than to suffer the aching; also to cure soreness of the gums, softness of the gums, stop bleeding of the gums, and always keep the teeth, gum and mouth pleasant, and in the best state of health.

To show the length of time for which this article has been patronized by the public, the following copy-right is published:
