THE written signature the only safeguard against Counterfelts.—The public attention is invited, and particularly referred to the advertisement, setting forth the new style of labelling, and the putting up of Dr. Beckwith's antidyspeptic and dinner pills. Also to that of Dr. Dyott's up proved anti-bilious pills; both of which, it may be seen, are protected from being counterfeited, by the only safeguard to be depended upon—the wartren signatures of the proprietors on the label of each box of pills.

All others which may be offered for sale by unprincipled persons are surely base counterfeits, and will be rejected as such. The pills that were in the hands of persons who purchased the genuine have all been exchanged for such as have the written signature of the proprietor.

The sole agency for the sale of Beckwith's anti-dyspeptic and Dyott's anti-bilious pills, is vested in the hands of T. W. Dyout & Sons, of the Columbian College, No. 132 North Second street, Philadelphia, who will execute any orders for the same.

Druggists and all wholesale dealers, who wish to be furnished with the genuine pills, is will be applied on the most liberal terms, by applying as above.
