

RESOLUTIONS.

Resolved, That his excellency the governor of this State be requested to forward a copy of the above resolutions to the Hon. D. C. Broderick.

PROTECTION TO AMERICAN INTERESTS IN CENTRAL AMERICA.

The message of the President to Congress on the 15th instant commends itself, in our judgment, to the hearty approbation of his countrymen, and we trust it will be sanctioned by Congress.

PROPOSED MAIL FACILITIES IN THE GULF OF MEXICO.

We inserted on the 15th instant a communication upon this subject, since when the reports of the Postmaster General and the Post Office Committee of the Senate have been placed in our hands.

BALLOON VOYAGE TO EUROPE.

Mr. John La Mountain is busily engaged in this city in making preparations for the construction of the balloon with which he hopes to be able to cross the Atlantic during the coming season.

CITY INTELLIGENCE.

The SHIELDS' GUARDS, of Baltimore, visited the metropolis yesterday, and were received with military honors by a battalion, composed of the Montgomery Guards, 1st St. Landguard, and the Union Guards, Capt. Clark.

PERSONAL PARAGRAPHS.

Gen. W. B. Burnett, surveyor general of Kansas and Nebraska, is at Kirkwood.

INTERNATIONAL POLITICS AS THEY AFFECT THE UNITED STATES.

The bill of indictment presented by the "two Supreme Chiefs" of Costa Rica and Nicaragua against the government of the United States, and their agents in those territories, if it came only from the pervasiveness of those "Chiefs," would merit from the agents implicated only peremptory denial, and from the government reproach and chastisement for the insolence.

THE ADMINISTRATION IN CALIFORNIA.

It appears there is no mistake as to the support which the measures of Mr. Buchanan have received in California. That State has stood by the Kansas policy of the President from first to last.
