At the regular monthly meeting of St. John's Lutheran Ladies' Aid, held at the home of Mrs. Harold Flatt, Thursday, February 7, Mrs. Martin Botchek was elected president, and Mrs. Harold Flatt, Sec-Treas. Mrs. Botchek will replace Mrs. Walter Neils who resigned her position of leadership in the Aid. For the past 25 years Mrs. Neils devoted her time, talents and leadership and was the leading spirit behind the successful program and functions of the Aid. The resigning President was tendered a vote of thanks for her diligent service. Mrs. Kenneth Spencer and Mrs. Fred Clark Jr. were received into membership in the Aid.

The surprise of the afternoon was on Mrs. Walter Kataryz and Mrs. Fred Clark, Jr., when a life-size cork was brought into the room. Before each lady a cradle was placed filled with many appropriate and practical gifts from the ladies of the aid. The cradles were constructed by Mrs. Harold Flatt. They were made of card-board and beautifully decorated with crepe paper.

After the gifts had been opened and seen by all the ladies, Mrs. Harold Flatt, hostess, served a tasty luncheon. Favors, in the shape of a baby-booty and filled with candy, were made of crepe paper cleverly sewn together by Mrs. Martin Botchek.

### LIBBY SKI CLUB TO HOLD HUMOROUS TOURNEY

Continued from page one  
would be a help in that field, also. A skating pond, sled run, toboggan run, picnic places, perhaps a community club house are a few of the items mentioned. The Libby Ski Club owns only their club house and have a lease on the less than

an acre where the club house stands—all the hill is public land for the public to use.

A planning committee, composed of Norris Adams, Fred Cloutier, Carl Rawlings, and Max Sturm was appointed to work on the ideas presented and present estimates and items that are possible of accomplishment.

Upon arrival the members were delighted to see the new lights on the hill and also a new porch light. The light committee who has labored long and faithfully to secure lights for the cabin and hill was Norris Adams, Fred Cloutier, E. M. Davidson and Lee Harmon. Fred Cloutier, E. M. Davidson and Norris Adams assisted Dick Powell in stringing the wire on the hill and the members appreciated Mr. Powell's donation of time and work. John Ronning, Chris Rambo and Almer Fjeseth put up the brackets, reflectors, etc. Norris Adams and Fred Cloutier put up the porch light.

To help celebrate the occasion Carlton Joughin assumed the duties of chef and concocted a delicious oyster stew that was gustatorily enjoyed, accompanied by crackers and coffee.

Some of the members spent time before and after the meeting skiing and they report that the lights are sufficient to enjoy night skiing.
