## COUNTY NEWS.

### Localwise and Otherwise.

Mrs. W. C. Mattingly and Mrs. Charles B. Church, of Leonardtown, left by bus on Tuesday morning for a short visit to friends in Washington.

If you are in the market for horses or mules read the advertisement of Mr. George C. Peverly in this issue. He has some A No. 1 work teams for sale.

Tuesday, April 2nd, Easter Tuesday, has been selected as the date for the annual supper for the benefit of St. Aloysius Church, Leonardtown.

The last of the semi-monthly dances at St. Joseph's Hall, Morganza, before Lent, will be held on Friday of this week. This is the last chance to dance until Easter Monday night. Take advantage of it.

The Daughters of the American Revolution are making preliminary arrangements for a grand ball to be given at the Hotel St. Mary's, Leonardtown, on Easter Monday night, April 1. Don't forget the date.

Miss Edith Ching, one of the county seat's most popular young ladies, has just returned from an extensive trip to Washington, Baltimore and Philadelphia. Her return is the source of general satisfaction among the younger set.

The crying need of the nation for ships, and that means men to build them. Read the advertisement of the Maryland Council of Defense in this issue, and if you are a carpenter, or have the making of one, register at the office in your district.

Since the "old time" dances were so much enjoyed at the Hospital Charity Ball, there have been many requests that they be repeated and there is a rumor that we have something of this kind to look forward to after Lent.

Are you ready for the Farmers' Convention to be held in the Court House, Leonardtown, on Tuesday, Feb. 19? Besides the addresses, covering the principal features of agriculture, many discussions will be engaged in. The labor and marketing problems will be thoroughly thrashed out.

A meeting will be held at Chaptico on Tuesday, Feb. 12, at 2 p. m. to select delegates to present to the Legislature a petition for a State road through that section. Whether you live in the Fourth district or not, if you are interested in good roads, your presence at the meeting will be heartily welcomed.

His many friends in St. Mary's will regret to learn of the serious illness in Baltimore of Mr. Wm. Fenwick, son of Mr. and Mrs. A. F. Fenwick, of Leonardtown. Mrs. Fenwick is at the bedside of her son, who is reported to be slightly improved. Pneumonia is stated as the cause of his illness.

We are reliably informed that during the last week Mr. Umphrey W. Smith, Carrier No. 2, Hollywood, has made a daily average of \$100 in the sale of War Savings Stamps. Good for you, Mr. Smith. If you keep up that record St. Mary's should have no difficulty in selling her quota.

Mrs. F. O. Morgan, who is spending the winter in Washington, returned to her home in Leonardtown for the week end, and attended the Charity Ball given by the Ladies' Auxiliary of St. Mary's Hospital, at Hotel St. Mary's, Friday evening. Mrs. Morgan has been much missed during her sojourn in the National Capitol and her many friends were delighted to see her.

There is a very persistent rumor that Miss Lillian Mattingly, the popular demonstrator of Home Economics, who is now attending Peabody College at Nashville, Tenn., has been offered a "field" in the South. Some of St. Mary's "swains," who may be pardoned a personal interest in the matter, are concerned as to whether the offer includes a "home" as well as a "field."

Despite the inclement weather, a good crowd was present at the Hotel St. Mary's on Tuesday night to hear the illustrated lecture by Dr. Atherton, of the State College of Agriculture, on the subject of Hog Cholera. Dr. Atherton impressed his listeners with his exhaustive knowledge of this disease, and is a most entertaining and instructive speaker, who should be heard by every farmer in St. Mary's. Meeting tonight (Thursday) will be at Community Hall, Cedar Point. Tuesday, Feb. 12, 7.30 p. m. at Oakley; Wednesday, Feb. 13, 7.30 p. m., at Valley Lee, and Thursday, Feb. 14 at Hollywood.

To bring our history of this winter down to date, we have to report another 8-inch snow last Wednesday. This leaves just about a foot of what was originally snow, but is now almost solid ice. No boat for 6 weeks today and no prospect of one any time soon, with the bays and rivers frozen from 12 to 18 inches thick. Wood sheds are getting empty and stocks in the stores are rapidly diminishing. Sugar is merely a memory and gasoline a thing of the past. Still we are glad to say that there is little real suffering reported, and most of that among people who would not work last summer when they had the chance.

That Terrible Headache. Do you have periodic attacks of headache accompanied by sickness of the stomach or vomiting, a salivary skin and dull eyes? If so, you can get quick relief by taking Chamberlain's Tablets as directed for biliousness, and you may be able to avoid these attacks if you observe the directions with each package.—adv.

Notwithstanding the cold weather and the almost impassable condition of the roads, the Charity Ball, "500" card party and parcel post sale, held at Hotel St. Mary's on Friday evening last for the benefit of St. Mary's Hospital, was a great success. The Leonardtown and Medley's Neck crowd was there, of course, with a good delegation from the Seventh district. The Oakley neighborhood never fails to be represented at all the social affairs of the county seat. This, with our good friends from Morganza and the eastern and lower portions of the county, made a very fair gathering that hugely enjoyed the dancing and cards and liberally patronized the parcel post booth and the fancy table. And we must not forget our neighbor, Charles, Messrs. Middleton and Bowling were much appreciated guests from our sister county. First prizes for "500" were won by Mrs. Stephen King and Mr. Joseph H. Ching; second prizes were drawn by Mrs. Joseph H. Ching and Mr. Edwin Warren, with "booby" prizes to Miss Ethel Joy and Mr. Linwood J. Sterling. Mr. Joseph Mattingly monopolized the dancing honors, winning the waltz with Mrs. F. O. Morgan, and the one step with Mrs. L. F. Abell. An old time Quadrille and Virginia Reel furnished the real fun of the evening. Honors seemed to be about evenly divided between T. Lee Mattingly with Miss Cleo Hayden; Walter B. Dorsey with Mrs. L. B. Johnson; Frank Wathen with Mrs. Bernard Guy and Clem Mattingly with Mrs. L. F. Abell, until Messrs. "T. Lee" and "Walter B." began cutting the "Pigeon Wing" in real old time style. They "hoed her down" properly and the crowd had to "give it to them." Miss Bessie Gibson, address unknown, won the gold vanity box donated by Mrs. Williams and purchased by her in Paris.

Dr. Zachariah R. Morgan. Died at his residence, Mechanicsville, on Tuesday, Feb. 6, at 11 p. m. Dr. Zach R. Morgan, one of the most prominent physicians in this county. Requiem Mass will be solemnized at St. Joseph's Church, Morganza, on Thursday, Feb. 7, at 10 a. m. Interment in the new cemetery. May he rest in peace!

News From the Ninth. Mr. Morris Thwaites left for Washington, D. C., on Thursday, where he expects to secure a position.

Mr. Albert Poe was summoned to Baltimore county to be examined for military service.

Mrs. Henry Stephens, after long months of illness, departed this life on Jan. 29. She bore her suffering with Christian fortitude. The funeral ceremonies were performed by Rev. Sheridan, from the M. E. Church on Friday last. She is survived by a husband, a daughter, Mrs. George Thomas, and one son, Mr. Graydon Stephens. May the rest in peace!

A novel sleigh-ride was enjoyed by a party of young people, who hooked a couple of horses to a boat and drove up to the straits with the intention of going to Leonardtown, but finding the ice too weak, contented themselves by driving up and down the island.

The Ladies' Auxiliary of St. Mary's Hospital wish to thank the ladies of the Island for their generous donation of fancy articles for the entertainment held Feb. 1. St. Mary's Hospital is for the benefit of the entire county, and each and everyone should contribute to this worthy cause.

"SEA WEEDS." To Citizens of Fourth-District. You are requested to meet at Chaptico on Tuesday, Feb. 12, at 2 p. m., for the purpose of selecting delegates to present to the Legislature a petition and claim for a State road through this section. All who are interested in good roads, whether residents of the Fourth district or not, are cordially invited to attend the meeting.

By order of COMMITTEE.

News From Dynard. Miss Edie May Pilkerton, of Dynard, accompanied by her cousin, Mr. Aloysius Thompson, of Budd's Creek, spent a very pleasant week with Mr. and Mrs. J. Bruce Thompson, of Budd's Creek.

Mrs. James Gagan and Mr. Aloysius Thompson, of Budd's Creek, were sleigh-riding in the Dynard section last Saturday with license on their new sleigh.

Mr. Arthur Gagan, of Budd's Creek, visited Wicomico last Monday.

Misses Cora and Mattie Suite have moved from Chaptico to Maddox, and many of their friends regret their leaving.

Master Ernest Pilkerton, of Milestown, is visiting his aunt, Mrs. Esther Pilkerton, of Dynard.

Quarter of Barrel is 49 Pounds. The United States Food Administration states that in some parts of the United States dealers are using a twenty-four and a forty-eight pound sack of flour and selling the same as one-eighth and one-quarter of a barrel. One eighth of a barrel should weigh twenty-four and a half pounds and one-quarter of a barrel forty-nine pounds. The prices quoted by the Food Administration in its fair price list are for eighth and quarter barrels.

Packages containing twenty-four and forty-eight pounds must not be sold as eighth and quarter barrel packages.

EDWIN G. BAETJER, Federal Food Administrator for Maryland.

Lamb or Mutton Not Prohibited. There has been no prohibition against the use of lamb or mutton, except on meatless days. On the other days of the week it is the hope of the Food Administration that lamb and mutton may be substituted for other meats of an exportable type.

Indigestion. Take a few doses of Chamberlain's Tablets as directed for indigestion, and you will soon forget about your stomach troubles. Try it.—adv.

Notice to All Persons Engaged in the Fish, Crab, Oyster, Clam, and Other Seafood Industries. Under the requirement of a proclamation of the President of the United States, all persons engaged in any manner in the above-named industries, must license by February 15, 1918.

No charge will be made for license. This applies to each tonger, scrape and dredge, boat captain, crabber, clammer, fisherman, and application for license must be made by mail to License Division, U. S. Food Administration, Washington, D. C.

To Holders of Liberty Bonds. "It has been brought to my attention that a large number of patriotic citizens who subscribed to Liberty Loan Bonds of both the first and second issue are being approached from time to time by agents who have, with too frequent success, induced them to sell their Liberty Loan Bonds and take in exchange securities which in a number of cases have been of very questionable value.

"I believe it is for the best interests of the people at large, as well as for their actual protection, that they disregard all such offers, and hold fast to the best investment in the world, that is, bonds of their own Government."

WM. G. MCADOO, Secretary of the Treasury.

News From the Seventh. Mr. C. Medley Owens, of Hard Bargain, near Bushwood, and Miss Eva Long, daughter of Mr. and Mrs. Bernard Long, of Milestown, were married last Sunday at Sacred Heart, the Rev. Father John Butler performing the ceremony. Mr. Owens is one of our most progressive farmers and is very popular in this section. We extend the happy couple our congratulations.

Mr. and Mrs. Conrad Morris, of Abell, received a visit from the stork last Thursday, which left a delightful baby girl. Our congratulations.

Mrs. Richardson lost her family coach horse, "Easter," last week, 29 years old. The late Mr. Richardson refused \$250 for Easter several times.

Messrs. Addison Herbert and Leland Higgs, of near Chaptico, visited this section last Saturday.

Miss Filene Wise, of Bushwood, is visiting her aunt, Mrs. Adam T. Wible, of Capitol Hill.

Mr. Gilbert Long, son of Mr. Robert Long, of Brookfield, volunteered for the Navy and has received his call to Norfolk, Va. He left Washington on boat Saturday, the 22nd. May success be his.

Gerard Jameson, one of our most respected young colored men, also volunteered for the Navy and has been in Norfolk, Va., for about two months. Gerard was one of the best all-round workers in this section and nearly everybody misses him.

Take care of the flag and the war will take care of itself. Being patriotic is like making love to a widow—you simply can't over do it.

Mrs. T. G. Hodges, of Barton Hall, is very much better after a severe attack of heart trouble.

Mr. Frank Simpson, Jr., of Bushwood, has returned home after a pleasant week spent with relatives and friends in the Morganza section. He returned about 2 o'clock Monday morning, singing "The Girl I Left Behind Me."

At a meeting in Oakley Hall Saturday evening, steps were taken to secure a State road from Colton's Point to Morganza.

Order Limiting Sale of Flour. Beginning this Monday morning, January 28th, all retailers, millers, or other dealers are forbidden to sell flour in towns or cities to individual consumers in quantities in excess of one-fourth barrel, in rural communities they are forbidden to sell in quantities in excess of one-half barrel. Wheat flour can be sold to consumers only when the consumer also purchases an equal quantity by weight of other cereals, including barley flour, buckwheat flour, corn flour, cornmeal, cornstarch, corn grits, feteria flours and meals, hominy, oatmeal, potato flour, rice, rice flour, rolled oats, soybean flour, sweet potato flour. This notice supersedes all advertisements of flour sales and such sales will be conducted in accordance with the terms of this order.

Any attempt to realize an excess profit on flour by charging an extra profit on the other cereals sold with it will be treated as a violation of the order. Such cereals must be sold at the same price as if sold separately.

Jobbers and wholesalers are not allowed to make sales of wheat flour to retailers unless the retailer purchases an equal weight of the above cereals.

EDWIN G. BAETJER, Federal Food Administrator for Maryland.

Dr. Chamberlain's Cough Remedy. A severe cold is often followed by a rough cough for which Chamberlain's Cough Remedy has proven especially valuable. Mrs. F. W. Olsen, Marysville, Mo., writes: "About two years ago my little boy Jean caught a severe cold and coughed dreadfully for days. I tried a number of cough medicines but nothing did him any good until I gave him Chamberlain's Cough Remedy. It relieved his cough right away and before he had finished taking one bottle he was cured. I think it is just fine for children."—adv.

Obituary. Died suddenly on January 29, 1917, at the home of Dr. G. F. Owens, Chaptico, Miss Katherine S. Hill, daughter of the late Richard S. Hill and Elias Beth Snowden Hill. Interment at St. Joseph's Cemetery, Morganza, St. Mary's county, Md.

All Aliens Must Register. According to an order from the Attorney General of the U. S., "all natives, citizens, denizens or subjects of the German Empire or of the Imperial German Government, being males of the age of 14 years and upwards, who are within the United States and not actually naturalized as American citizens, are required to register as alien enemies, at the post-office from which they receive mail, between the dates of February 4th and 9th, 1918, both dates inclusive, between the hours of 6 a. m. and 8 p. m."

All aliens should inquire of their nearest postmaster for full particulars regarding registration. A heavy penalty is provided for all who fail to comply with this law.

All German alien enemies who are required to register will be assisted and advised, in every proper way, in filling out their registration affidavits. No fees will be charged nor gratuities accepted from registrants by registration officers for administering oaths or for any other reason.

IMPORTANT! All aliens, when presenting themselves for registration, must take with them four photographs, three by three inches in size, on thin, flexible paper with light background.

Circular Letter From Navy Dept. "To get 100 per cent fighting efficiency out of John Parsons you've got to give him his old carpet slippers after a hard day's work in trenches. A good clear and a piece of apple pie to round it out and you're got a satisfied man that will do anything you tell him. I've lived with him ten years and I know."

This note, addressed to Marine Corps headquarters by Mrs. John Parsons, also contained an inquiry as to whether there was any embargo on carpet slippers, Betsey Lees and apple pie going to fighting Marines in France.

It's a big question and while the Marine Corps maintains no welfare department, it is felt that if his old carpet slippers will enhance John Parsons' fighting qualities, he'll just have to have them, that's all.

Save the Hens. Every laying hen sold from the first of May means a loss of about 30 eggs to the food supply of the nation. These eggs are valuable food, manufactured largely from insects, weeds and grass, garbage and waste. The eggs, therefore, are almost wholly a net gain in human food. Moreover, the hen is just as good meat after she has laid these eggs as before.

There is a message that the United States Department of Agriculture is sending broadcast through press notices and posters, and through its county agents, especially in the southern poultry-raising sections.

## Buy a \$4.12 War Savings Stamp

### The Government Buys it Back from You January 1, 1923, for \$5.00

Buy it Outright for Cash. Or buy it on the Installment Plan: 25c down and 25c whenever you feel like saving it.

#### HOW TO BUY IT ON THE INSTALLMENT PLAN

Go to any bank or post office. When you get inside, look for the stamp window where they are selling War Savings Stamps. Pay 25c, and the man at the window will give you a U. S. Government Thrift Stamp and a Thrift Card. Paste your Thrift Stamp on your Thrift Card. When you feel like saving another 25c buy another Thrift Stamp and paste it on the same card. When you have pasted sixteen of these Thrift Stamps on your Thrift Card, take this card to any bank or post office and give it to the man at the Savings Stamp window. Also give him 12c.

The man will give you a W. S. S.—a U. S. War Savings Stamp. He will also give you a U. S. War Savings Certificate. A War Savings Certificate is a pocket-size folder on which you can paste 20 War Savings Stamps.

Paste your War Savings Stamp in your War Savings Certificate. Take good care of it as it is worth \$4.12. On January 1st, 1923, the U. S. Government buys this War Savings Certificate from you, paying you \$5 for every stamp pasted on it.

Thus your War Savings Certificate has made you a profit of 80c on each stamp pasted on it. This profit is 4 per cent interest compounded quarterly. It is a good profit and it is guaranteed to you by the U. S. Government—the safest guarantee in the world.

Every man, woman and child, in this hour of our country's need, should save money and buy as many War Savings Stamps as he can afford. You can buy your second War Savings Stamp on the installment plan just as you bought your first one.

Paste your second War Savings Stamp into your War Savings Certificate. Then you will have a complete War Savings Certificate. On January 1st, 1923, the U. S. Government will pay you \$100 for this complete War Savings Certificate.

Thus you have made a profit of \$17.60 on your War Savings Certificate. This profit is 4 per cent interest compounded quarterly. It is a good profit and it is guaranteed to you by the U. S. Government—the strongest guarantee in the world.

#### HOW TO BUY IT FOR CASH.

If you do not wish to buy War Savings Stamps on the installment plan as explained above, you simply pay \$4.12 at the War Savings Stamp window of any bank or post office. War Savings Stamps cost \$4.12 during January.

During February they will cost \$4.13. After February they go up one cent more each month. So you see, the sooner you buy your stamps the more money you earn on them.

If you should need your money at any time, take your War Savings Certificate to any post office. The post office will give you back your money plus accrued interest at the rate of about 3 per cent.

If you do not wish to go to a post office or a bank write on a postcard "Send me one 25-cent Thrift Stamp, C. O. D." And write your name and address on the postcard. Address the postcard to "The Post Office." Next day your postman will bring you a 25-cent Thrift Stamp and a Thrift Card, C. O. D.
