

**THE TELLER.**

**LOCAL INTELLIGENCE**

**No WATER.**—The Lewiston ditch has nearly dry the present week.

**SETTING STREETS.**—Lewiston has now a sprinkler, which is doing good work.

**LOW.**—One of the severest wind storms have ever experienced in Lewiston occurred on Monday afternoon.

**NO WAR NORTH.**—A. J. Cain writes from Spokane, saying that there will be no war with northern Indians this season.

**REPUBLICAN CONVENTION.**—The Idaho Republican Territorial Convention will meet at Boise City September 21st to nominate a delegate to Congress.

**FIRE.**—Large fires are raging in the timber to the north and east of this place and the atmosphere is dense with smoke.

**CONVENTION.**—Democratic Territorial Convention for nominating a delegate to Congress will meet at Boise City, September 21st.

**COME TO TERMS.**—The Northwest Company have brought the O. S. N. Co. to terms and the Northwest now carries freight for the O. S. N. Co.

**NEE PRICES.**—The reservation Nez Perces and not better go off their reservation with any fire arms. They are very liable to be shot down as hostiles.

**BIDS.**—Col. J. M. Wilson will receive sealed proposals for excavating rock from channel of Snake river, at his office in Portland till August 20th.

**DRIVE.**—The drive of logs and timber under the auspices of the Small Brothers was mostly at Trux's place when the Northwest came up.

**A New road** is being constructed via Lake Wabash to the timber on Craig's mountain, where about 40,000 rails are awaiting transportation to the ranches this side.

**TO BE ENFORCED.**—We are told by our city marshal that on and after Monday next, all city ordinances in relation to stock running at large will be rigidly enforced.

**LOW WATER.**—Both the Snake and the Clearwater rivers are near the lowest water mark. It is said that now they can run at any season, except when obstructed by ice.

**WHAT THEY SAID.**—The band of White Bird's who was urged by the Kamias to come in and surrender, peremptorily refused to do so, but told the Kamias that they were going to the Umatillas.

**HARVEST PROSPECT.**—A. Counts come to us from all points in Northern Idaho that the grain fields look well. Wheat, Oats and barley have all filled well and if the crop be gathered before rain, the yield will be large.

**GOING TO NEW YORK.**—Abel Loewenberg left on the Northwest on a visit to New York and other eastern cities. Joy go with him. He is just the right size to work his way through a crowd.

**YIELD.**—Dr. Kell is of the opinion that his late sown wheat upon the dry land southeast of town will yield 15 bushels per acre. If so the land will be good for 30 bushels in a wet season.

**TABABOO.**—Webster, an Indian on Sweetwater reports that young Tababoo and his mother who were with White Bird's band, came to their old home on Sweetwater one night last week and stayed all night and left the next morning.

**WATER.**—The experiments made to find water by digging in different localities on the table land south and east of town, have all proved successful so far as we can learn. Good and full supply of water will make this section the Paradise of Nez Perce county.

**NORTHWEST.**—This boat arrived here on Tuesday with 35 tons of freight. She came up over the Texas Rapids with 55 tons of freight and need no line. The Captain says he will be able to make several more trips. He brought freight for the O. S. N. Co. as their boats cannot run, except the Spokane and she has to use a line on the rapids.

**DEPARTED FOR HOME.**—Mrs. Timberlake who has been making a visit of several weeks with her mother and friends in this city, left on the Northwest for her home in Colorado. She leaves many warm friends here who wish her a safe journey home and a happy meeting with her husband in her distant home.

**THE INDIAN WAR SOUTH.**—The late dispatches inform us that the hostiles are scattered into small bands from 20 to 150, and that they are still murdering and robbing, and refuse no signs of being conquered. The troops are weary and foot sore, and their transportation animals nearly worn out in their fruitless pursuit. The cry comes up from almost every quarter from the unprotected settlers, give us protection from these murderous herds of savage fiends, and yet the army of the Pacific is entirely inadequate to afford relief. The glory of the military is departed and the prowess of the day is among the savages.

**CORRECTED.**—The *Moscow* corrects the dispatch in the *Oregonian*, by saying that Lieut. Wallace killed 6 Indians, wounded 3, killed 28 horses and captured 31 horses instead of 19 Indians, on the 21st ult.

**FROM HOWARD.**—Alex Foster writes from Howards camp, Aug 1st, saying that a large band of hostiles were making to cross Snake river near mouth of the Malheur, and that they had just stolen 150 horses from one man and 50 from another on Willow creek.

**PATENTS.**—The following cash patents have been received at the Lewiston Land Office:

David Notman Sr., Wm. Stevenson, C. Schorhorst, J. mes. Ellis, M. Dock Cameron, Heirs of Wm. Fairfield, Thomas Stewart, A. A. Lieutell, D. Notman Jr., Rufus H. Beeman, H. H. M. Stuck, Ferdinand Ross, H. Crites, La Fayette Phillips, Samuel M. Neff and Geo. A. Manning.

**WHEREABOUTS.**—Where is Howard? Echo says where? The Indians have scattered and gone. — *East Oregonian*.

It is suggested too that Howard has scattered and gone, a k Sarah Winnemucca.

**CONSTITUTION OF THE STATE OF WASHINGTON.**

Continued from 4th Page.

**ART. XI. EDUCATION.**

**SECTION 1.** The general supervision of the Public School of the State shall be vested in a Board of Education, whose powers and duties shall be prescribed by law; the Superintendent of Public Instruction, Secretary of State, and State Treasurer shall constitute the Board, of which the Superintendent of Public Instruction shall be President.

**SEC. 2.** The Legislature shall, as soon as practicable provide for the establishment and maintenance of a thorough and uniform system of free public schools throughout the State, wherein all residents, between the ages of five and twenty-one years, may be educated gratuitously. One or more public schools shall be maintained in each school district within the State at least three months in each year.

**SEC. 3.** The Public School Fund of the State shall forever remain irrevocable; the interest thereon only shall be expended in the maintenance of the schools of the State, and shall be distributed among the several counties and school districts in such manner as may be provided by law. No part of this fund, principal or interest, shall ever be transferred to any other fund, or used or appropriated for any other purpose than that herein provided. The State Treasurer shall be the custodian of this fund, and the State shall make good all losses thereof that may in any manner occur.

**SEC. 4.** The net proceeds of the sale of all lands that have been, or hereafter may be granted by the United States to the State for educational purposes, except the lands heretofore granted, or that may be hereafter granted for the purpose of a University, or for a college of agriculture, and all moneys and the clear proceeds of all property that may accrue to the State by forfeiture or escheat; all moneys which may be paid as an equivalent for military duty; and all moneys arising from any grant to the State, where the purposes of the grant are not specified, the net proceeds of the sales or other disposition of the five hundred thousand acres of land to which the State is entitled on its admission, by the provisions of section 2378 of the Revised Statutes of the United States; together with the five per centum of the net proceeds of the sales of the public lands which the State may receive on its admission into the Union (if Congress consents to such appropriations last mentioned) shall be set apart as a separate fund, to be called the School Fund, the interest of which, and all other revenue derived from the school lands, shall be exclusively applied in such manner as the Legislature may prescribe to the support of common and graded schools and the purchase of suitable libraries and apparatus therefor.

**SEC. 5.** All fines, penalties and forfeited recognizances, arising under the general laws of the State shall belong and be paid over, to the counties respectively, where the offenses shall have been committed, and shall be appropriated exclusively to the support of common schools where the same may accrue.

**SEC. 6.** Provisions shall be made by law for the distribution of the net proceeds of the school fund among the several districts, for the support of common schools therein, in proportion to the number of children, between the ages of five and twenty-one years; and no appropriation shall be made from the school fund to any district for the year in which a school shall not be maintained at least three months.

**SEC. 7.** Provision shall be made by law for the support of the State University, and for connecting with the same, from time to time, such colleges, in different parts of the State, as the interests of education may require. The proceeds of all lands that have been, or may hereafter be, granted by the United States, to the Territory or the State, for the support of a University, shall be re-

main an irreducible fund, to be called the University Fund, the interest of which shall be apportioned to the support of a State University and its branches, wherever located within the State; and no sectarian instruction shall be allowed therein.

**SEC. 8.** The Superintendent of Public Instruction, the Secretary of State, and the State Treasurer, shall constitute a State Board of Land Commissioners, for the sale, leasing and general management of the public lands belonging to the State, and for the investment of the funds arising therefrom, in such manner as the Legislature may provide. Any two of said Commissioners shall be a quorum for the transaction of all business pertaining to the duties of their office.

**SEC. 9.** It shall be the duty of the State Board of Land Commissioners to provide for the location, protection, sale or other disposition of all the lands belonging in, or to the State, under such regulations as may be prescribed by law. No law shall ever be passed by the Legislature, granting any privileges to persons who may have settled upon any school-lands subsequent to the public surveys thereof; by which the amount to be derived from the sale or other disposition of such lands, shall be diminished directly or indirectly. The Legislature shall, at the earliest practicable period, provide by law that the several grants of land, made by Congress to the State, shall be located, preserved and held for disposal for the respective purposes for which said grants were made, or which are designated in this Constitution; and shall provide for the sale, leasing and general management of said lands from time to time, and for the application of the proceeds thereof in the manner directed in this Constitution.

**SEC. 10.** University, college, common-school, or other lands, which are now held or may be hereafter acquired by the State, for educational purposes, shall, before the sale of the same, be appraised, and shall not be sold for less than the appraised value.

**SEC. 11.** There shall be a County Superintendent of Schools in each county, whose term of office shall be two years; and whose duties, qualifications and compensation shall be prescribed by law. He shall be ex officio Commissioner of Lands within his county, and shall discharge the duties of said office under the direction of the State Board of Land Commissioners, and as provided by law.

**SEC. 12.** No religious test or qualification shall ever be required of any person as a condition of admission into any public school or educational institution of the State, as teacher or pupil; and no sectarian doctrines shall ever be taught in the public schools in this State, nor shall any fund, set apart for educational purposes, be appropriated for the support of schools controlled in whole or in part by any Church, religious society or sectarian denomination; and no appropriation from the common-school fund shall be made for the support of any private school or seminary whatever.
