The men hanged there were two Indians, Henderson, King, George O'Brien, Victor Furnier and Edward LaBelle.

Baker Goes East
A letter from Seattle dated Oct. 17, says: "A. H. Baker, formerly of lower Broadway, passed through Seattle last Monday on his way to Baltimore, Maryland, from Valdez. He is through with the northern country having sold out all of his interests in Valdez. He had with him 'Jimmie' the mongrel cur dog whom all visitors to his place on Broad way knew."

The uniform success of Chamberlain's Colic, Cholera and Diarrhoea Remedy has won for it a wide reputation and many people throughout the country will agree with Mr. Chas. W. Mattison of Milford, Va., who says, "It works like magic, and is the best preparation I know of. It couldn't be any better." He had a serious attack of dysentery and was advised to try a bottle of this remedy, which he did, with the result that immediate relief was obtained. For sale by Kelly Drug Co.
