AGAINST BRADY

The Alaska Forum, the ploneer journal of the Yukon valley, is one of the many papers in the district of Alaska that is opposed to a continuation of Bradysm in this district. The Forum has been a member of the Ala-ka newspaper family for several years and may be said to fairly represent the separation of the majority of the people of Yukon may not be misplaced."

The Whitehorse Star, in commenting upon the Yukon election, says:

"Had Mr. Lowe been the candidate a different story would have been told over the wires and there would be no occasion for an article on 'How it Happened.' Indeed, to the personality and popularity of Mr. Lowe is largely due the heavy vote polled by the liberal and this mame on the ticket, the result at Dawson and on the creeks would have been other than it is.

"The Star esteems the member elect. Pr. Alfred Thompson, as a clean, honorable gentleman, but fails to see what he, a member of the opposition, can accomplish for Yukon at Ottawa. We hope to be agreeably disappointed and sincerely wish that the confidence of the majority of the people of Yukon may not be misplaced." be said to fairly represent the sentiment of its field, it says the influence of Gov. Brady has been a loudstone ence of Gov. Braily has been a loudstone to Alaskans in their efforts to secure possibilities of Alaska an idea that has legislation and it complains, justly, been presented in the crossing of the

been presented in the crossing of the sheep to be imported with the native mountain sheep. Men with years of experience in the woolen business claim that if a cross can be made between the breeds brought from the states and the native mountain sheep. More than the population of Alaska, one half as much as he has on behalf of the white population of Alaska, one half as much as he has on behalf of the Indian, Alaska today would be knocking at the door for statehood. With Gov, Brady, the Indian has always half the preference.
