“And Still the Work Goes Bravely On!”

Our sales were larger than during any previous week.

For the benefit of the dealer who has taken the time to call and examine our goods, prices and methods, we are sure that all those who are familiar with the business of buying in this city and know the extent to which we supply many of the leading stores in the business, will see the advantages which these transactions shall have had been greatly affected by the number of parties who will patronize our store.
