Haunting and Infectious.

There is certainly a haunting and infectious air about the new things in Jerseys and Spring Wraps. Irresistible, irrepresible. One cannot help liking and remembering them.

But our prices are coldly fixed according to value. We don't charge extra for unusual grace and sprightliness in style.

Unlike England, America is fortunate in being at peace with the world. Its citizens are devoting themselves solely to domestic affairs.

Minor questions, however, occasionally crop out. The change in the seasons suggests one now. "What are to be the reigning styles in wearing apparel for the Spring and Summer?"

We know. In a progressive business to know is to have. New goods daily received in all departments.
