

## Will War Sound Death-knell Of Kaiser, Czar and King?

KAISER and CZAR with STAFFS

This picture shows the kaiser and the czar standing together surrounded by some of their staff. It is interesting because they were friends then. Now they are fighting each other and have set all Europe afire.

Here in America people are saying: "When this European war is over there won't be any kaiser or any czar or any king left. The people will rule. Republics will arise out of the ashes of royalty." What do you think yourself about this?

## WOMAN REFUSES OPERATION

Tells How She Was Saved by Taking Lydia E. Pinkham's Vegetable Compound.

Logansport, Ind.—"My baby was over a year old and I bloated till I was a burden to myself. I suffered from female trouble so I could not stand on my feet and I felt like millions of needles were pricking me all over. At last my doctor told me that all that would save me was an operation, but this I refused. I told my husband to get me a bottle of Lydia E. Pinkham's Vegetable Compound and I would try it before I would submit to any operation. He did so and I improved right along. I am now doing all my work and feeling fine.

"I hope other suffering women will try your Compound. I will recommend it to all I know."—Mrs. DANIEL D. B. DAVIS, 110 Franklin St., Logansport, Ind.

Since we guarantee that all testimonials which we publish are genuine, it is not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner?

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.

Write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

### ROUTS BURGLARS

Sixteen Year Old Colebrook Employee Has Revolver Battle With Bandits.

Colebrook, Aug. 4.—George Gosch, 16 years old, employed at the summer home of L. J. Phelps, a New York lawyer, put to flight three armed burglars who had been ransacking the home, after a sharp revolver fusillade late last night. The thieves got away with some cash and a small amount of other goods, but they were forced to drop a bag of silverware and to abandon the Phelps automobile which they had taken from the garage. The Phelps family is away and no definite estimate of the amount taken is available.

Gosch was asleep in his room in the house when the burglars moving about awakened him. He could not leave his room without being seen, but as soon as the robbers went out of the house to the garage, Gosch took a revolver and going to the veranda opened fire on them from behind a post. The robbers had the automobile out of the garage and were about to get into it, when a shot from Gosch's revolver struck the machine. The robbers returned the fire, one of the bullets striking the post behind which Gosch stood. There was a further exchange of shots and then the robbers broke and ran dropping the bag of silverware in their flight.

### STREET WORK CONTINUES.

Church Street Pavement Will Be Completed in Short Time.

Work of laying the new concrete top pavement on Church street between Stanley street and the railroad crossing is progressing rapidly and already almost half of the stretch is completed. The pavement has a smooth surface and will offer a welcome improvement over the old conditions. The entire job will be completed in a short time.

This new pavement, however, will not continue to the tracks but will end 100 feet below. The reasons for this are that it is probable that before long the Union Manufacturing company will need to rip up the street to make connections, and inasmuch as the hill is quite steep the smooth surface of the pavement would make it too slippery for safety.

### ASTOR CUP RACE.

New York Yacht Club Fleet Competes in Annual Struggle.

Newport, R. I., Aug. 4.—The New York Yacht Club today started its annual race for the Astor cup, presented this year for competition by Vincent Astor. The weather conditions were good although the wind was light.

Mr. Astor at the same time has offered a special cup for the two cup yachts, Vanitie and Resolute, and they started today in the fourth race of the cruise.

The entries for the Astor cup were: Enchantress, Endymion, Ariel, Princess, Alice, Venona, Shilma, Samuri, Grayling, Carolina, Spartan, Pleione, and Barbara.

### RUSSIAN WARSHIP AGROUND.

Andre Pervosvanyi Went Ashore After Being Defeated in Naval Battle.

Copenhagen, Aug. 4.—A Russian warship is aground at Aland Islands. It is said to be the Andre Pervosvanyi, a battleship of 17,400 tons, laid down in 1902.

A despatch from Stockholm yesterday said that the Russian ship had been defeated in a naval engagement off the Aland Islands, the Russian vessels later taking refuge in the Gulf of Finland.
