Educate Public

The officers and directors of the New Britain Fish and Game association held a meeting last night in the the entertainment committee to fill to him,

The directors voted to recommend care of all complaints of law breaking especially against the members of the association and a form was adopted and an order placed for printing the property owners' agreements and protective posters which are necessary as it gives the committee members something definite to work on. The committee will also strive to start a campaign of education so that the public may become familiar with the fish and game laws

of the state. Reports were received from the fish committee that the members had examined five brooks for frout and when the survey of the streams has been finished, the state will be requisitioned for stock trout to be placed in these streams.
