## CONFIRMATION OF HINCKS EXPECTED

### Senate May Act on Federal Judgeship Upon Reconvening

By GEORGE H. MANNING  
(Washington Bureau, N. B. Herald)  
Washington, D. C., Dec. 29.—Senate confirmation of the appointment of a federal judge to the position of chief judge of the United States district court for the district of Columbia is expected to be completed by the Senate upon its reconvening on January 6.

The regular procedure in this committee is to investigate the qualifications of the appointee and report its findings to the full committee. In the absence of an unfavorable report from the subcommittee, the full committee reports its recommendation to the Senate and, as a rule, the Senate follows the committee's recommendation. Senator George W. Norris, chairman of the Judiciary committee, has not yet indicated his opinion on the appointment of Judge Hincks. He is expected to make his recommendation as soon as Congress reconvenes.

### Through the Static

Under (and) of Snow Village is due to play the part of the hard-boiled and much harassed village policeman with a Santa Claus complex in the sketch tonight at 7:30 o'clock. The Santa Claus part of the New England life story is the idea of Aunt Hattie, enthusiastically endorsed by Margie and the Bepko group.

A group of "Blues" will be a feature of the "Happy Bakers" program tonight at 8:30 o'clock through station WABC. Frank Black, conductor of the orchestra has made a new arrangement of six of the most popular songs written in the blues form. The group will be played by the orchestra with vocal introductions by Phil Jones, Jack Parker and Paula Burke, customarily identified as the "Wendy Rogers" Trio.

The group opens with "Let's All Along-Along Blues" which Jerome Kern wrote as part of the score to "The Nightingale" the musical comedy hit at several theaters. Then it goes to "Wash Blues" which was one of the earliest "Home Again Blues" and finally the last known of them all, "St. Louis Blues."

## Hoover's Naval Aide Is Dead in Mystery Case

Washington, Dec. 29 (UP)—A mystery has developed in the death of Lieut. Bruce Settle, naval aide to President Hoover. Settle died unexpectedly yesterday at the Washington naval yard. An autopsy was performed and a naval board of inquiry was continuing its investigations today.

It was indicated from bruises on the body that Settle might have died from a fall from the mezzanine floor of the interior communications school when his body was tossed. Fellow workers said he had been in good health and could give no reason for his sudden death.

## BOBBY JONES WAS SUPREME IN GOLF

### Won Four Outstanding National Competitions, Great Record

By H. H. Ramsey  
President-Elect, United States Golf Association  
New York, Dec. 29 (UP)—Golf in 1930 can be summarized in three words: Robert Tyre Jones.

When the major competitions of the year were over, this supreme golfer had won the four outstanding national competitions, a record that never before has been approached. The announcement of his withdrawal from further competition was not a great surprise to those who have watched his progress through the years. Like Alexander, he had no more worlds to conquer. The news of his withdrawal was the signal for tribute from the press of the world such as no other figure in the world of sport had ever received.

### SHOT WHILE ASLEEP

MA, I'VE GOT NEWS! WHERE'S DYMIE.

SHE'S BEING GONE ALL MORNING TOO. OH HERE SHE COMES. HELLO.

TOLKS—I'VE DECIDED NOT TO TAKE THE LOAN! I'VE GOT MY OLD JOB BACK, AND WE'LL STAND ON OUR OWN FEET, EVEN IF THEY ARE WOBBLY. BETTER TO BE POOR WITH OUR OWN MONEY THAN RICH WITH SOMEONE ELSE'S.

GOOD OLD PA—I WAS SO SURE YOU'D DECIDE THAT WAY, I WENT AND GOT A JOB MYSELF—IN B'S DEPARTMENT STORE.
