THE MAILS.—A number of letters that should have reached us yesterday morning, were detained in mails which were several hours behind time, owing to the snow blocking up the railroads.

Working from Under Tyrenny.

The Southern white people are now setting an example which the oppressed in other lands would do well to imitate. There is now two legislative bodies in South Carolina; and two legislative bodies in Louisiana, and also two Governors in each. One in each State in obedience to the will of the people; the other in obedience to the will of a tyranny set up in Washington and held up by a few soldiers. The Democrats propose to collect taxes sufficient for an economical government, and the people propose to pay tax to them. But they propose to pay no taxes to the government kept up by foreign bayonets. This is to be done in a peaceful way. If the people have self-government left to them the Democrats will succeed in securing l'berty in these States once more. If they will only continue to pursue this way peacefully, they will be sure to succeed in the end,and it will be a progresive step in the history of the world. If Grant sends his army to drive the Democratic Legislature from one house we hope they will meet in another; and if Kellogg or Chamberlain attempt to drive them away with arms let the hardest fend off.

Judge Spofford yesterday delivered to President pro tem. Ferry the democratic electoral certificates from Louisiana. No receipt was given. Their delivery was witnessed by Senator Bayard, of Delaware, and Representative Willis, of New York. The South Carolina democratic certificates for presidential electors were also delivered to Senator Ferry to-day. They were presented by Mr. Harrington, of South Carolina, in the presence of the gentlemen above named, and also of Gen. Gordon. of Georgia.

Among the articles of luxury purchased for the use of the U. S. Senate during the year ending June 30 last, were 10 gallons of cologne water, 13 gallons of hay rum, 1½ dozen bottles of Martinque snuff and 100 pounds of camphor. The two last items were for the Senate Chamber.

The Committee on Department of Justice Expenditures, when called in the House, will report a bill providing that the compensation of U. S. Marshals shall not exceed $5000 per year, and that the compensation of deputy U. S. Marshals shall not eeceed $5 per day while actually engaged in their duties, [their whole compensation not to [exceed $1200 a year.

WITHDRAWN.—Mr. Wilmer Atkinson, formerly publisher os the *Wilmington Commercial* has withdrawn from active dutyin the stock company, by which that paper is published. He still retaius his pecuniary interest. Mr. A. proposes to engage in the publication of a weekly agricultural paper in Philadelphia in the Spring. We wish him abundant success in his proposed future enterprise.

LOUISIANA.

THE TWO GOVERNORS TO BE INAUGURATED ON MONDAY—A NEW REPUBLICAN COURT.

NEW ORLEANS, January 2.—Both Nicholls and Packard were declared Governor of the state to-day by their respective Legislatures. Both will be inaugurated next Monday. The new civil court created by the Republican Legislature yesterday will probably go into operation this week. This court is necessary to protect Republican office-holders in office. It is thought there may be disturbances if the officers under the Nicholls government attempt to exercise the functions of office. The Republicans apprehend this and are guarding the offices. Some influential parties on both sides are talking compromise,but no compromise is possible or probable.

General News.

It is stated that another English steam ship will soon sail from New Haven with a cargo of munitions of war, valued at $2,000,000, for the Turkish Government.

Wade Hampton has issued an address to the people of South Carolina, calling upon them to make prompt payment to his agents of ten per cent. of the amount of taxes paid by them last year.

David Dudley Field, Tammany Democrat, was elected to Congress yesterday, in the Seventh New York District, to fill the vacancy occasioned by the resignation of Smith Ely, Jr. He received 3449 majority over Goetz, Republican.

The Minnesota Legislature met yesterday. J. L. Gibbs was elected Speaker of the House.

Frozen to Death.

SNOW HILL, MD., January 2.—John Miloin was found frozen to death early this morning, lying in a ditch on the line of the Worcester railroad, three miles south of Berlin, Md. He is a white man, over sixty years of age, and is supposed to have been under the influence of liquor.

FROM DOVER.

Special to the Gazette.

DOVER, January 2.

There is nothing of importance transpiring. The Legislature organized this morning.

The election of Mooie as Speaker ofthe Senate surprised the mass of knowing ones Mr. Moore is a fine gentleman and will do the State credit in his position.

No bills of importance have, as yet, been heard of. It is very probable that another effort will be made to pass the Milford and Bay Shore Railroad bill with $200,000 State aid.

The Governor's Message, read this afternoon, redounds to the honor of the State.

A Field Day at Dover.

THE BIENNIAL STRUGGLE FOR LEGISLATIVE POSITIONS—SIXTY APPLICANTS FOR FOUR OFFICES.

Special Corresponce of the Gazette.

DOVER, DEL., Jan. 2, 1877.

This morning the Legislature will meet in regular, biennial session, and in accordance with the usual custom, Dover yesterday, was crowded with applicants for the four positions of trnst and emoluments within the gifts of the Legislature.

During the afternoon a furious snow storm prevailed, and this served to keep both members and applicants inside the Capitol Hotel, so that they were within easy distance of each other, and buttonholing was rendered easy of accomplishment. Until late in the evening this interesting work was continued, and our worthy legislators placed on their list of acquaintenances some sixty additional gentlemen, who were desirous of assisting them to serve the State in an official capacity.

Senator Sharpley, of Brandywine Hd., did not come down until evening, and as several members of the House were similiarly delayed, it was nearly 10 o'clock before the caucuses convened.

THE CAUCUSES.

Abont 9:45, the members assembled for caucus in the respective chambers of the Legislature. The Senate caucus was presided over by C. J. Harrington, Esq., of Kent, and the candidates for the principal positions were as follows:

For Speaker—James H. Ray, of New Castle; H. B. Fiddeeman, of Kent John W. Causey and J. Turpen Moore, of Sussex.

For Clerk—Merris Taylor, of Wilmington; Dr. J. H. Parvis, of Blackbird; Chas. Hazel, Geo. B. Dickson, John Saulsbury, W. N. Wilson, Wm. Broadway, and A, N. Johnson, of Kent; Geo. W. S. Nicholson, and B. Barker, of Sussex.

THE BALLOTS.

Eighteen ballots were cast before a speaker was chosen, as follows:

Mr Moore receiving a majority of the votes on the 18th ballot, was declared the nominee for Speaker.

For Clerk, five ballots were taken as follows:

Saulsbury,	—	—	1	1	

Mr Taylor having received a majority of the votes on the fifth ballot was declared the nominee for Clerk.

For Seargent-at-Arms, D. R. Messick, of Misspillion Hd., Kent county, was nominated on the fifth ballot.

Rev. J. B. Parker, of the Baptist Church, Dover, was nominated for Chaplain, and Wm. Kirbin, of Dover, for Messenger. At 11:30 o'clock the Senate caucus adjourned.

THE HOUSE CAUCUS.

The House caucus assembled about 9:45 o'clock, with A. J. Wright, of Dover, a chairman. The candidates were as follows:

For Speaker—Thos. Holcomb, of New Castle, and Dr. Hugh Martin, of Seaford.

For Clerk—Wm. H. Newton, Jas. H. Scowdrick, of New Castle; C. H. B. Day, Jas. R. Mitchell, of Kent, and Lemuel Waples, of Sussex.

For Seargent-at-Arms—Wm. H. Crow, New Castle; Able Faries, of Smyrna; John Rupp, John Cumreen, Miles S. Holt, Sam'l G. Wilson, R. J. Lank and Wm. Carey, of Sussex.

Dr Martin received the united votes of the Kent and Sussex members, and was nominated for Speaker on the first ballot, the New Castle members voting for ex-Speaker Holcomb as a compliment for the fair and courteous manner in which he presided over the sessions of the House two years ago.

The figures of the other ballots could not be obtained, as they were destroyed before the caucus adjourned. The candidates nominated, however, were as follows:

Clerk—Chas. H. B. Day, of Dover.

Seargent-at-Arms—Wm. H. Crow, of New Castle.

Chaplain—Rev. J. H. Caldwell, M. E. Church, of Dover.

Messenger—Dennis Collins, of Dover.

The caucus then adjourned, and while the successful candidates received the congratulations of their friends, the disappointed retired, weary and dejected, to their rest.

HOTEL CHANGE.

Yesterday Mr. Wm. C. Fountain, late proprietor of the Capitol Hotel, moved out, and was succeeded by Mr. Lewis, late of the Star Hotel, Baltimore. Notwithstanding the inconvenience of his position, Mr. Lewis managed to prepare suitable accomodations for the numerous guests who thronged his house. He gives promise of making a most popular host.
