## ITCHING BURNING AND SCALY ERUPTIONS OF THE SKIN AND SCALP WITH LOSS OF HAIR.

The agonizing itching and burning of the skin, as in Eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalled head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants and the anxiety of worn-out parents, as in milk crust, tetter, and salt rheum - all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura remedies are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy, have made them the standard skin cures and humor remedies of the civilized world.

Those who have suffered long and hopelessly and who have lost faith in doctors and medicines may make trial of these great curatives with the most gratifying success. The treatment is simple, direct, agreeable, and economical, and is adapted to the youngest infant as well as adults of every age. Bathe the affected parts with Hot Water and Cuticura Soap to cleanse the surface of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment freely, to allay itching, irritation, and inflammation, and soothe and heal, and lastly take the Cuticura Resolvent to cool and cleanse the blood. This sweet and wholesome treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning, and scaly humors of the skin, scalp, and blood, and points to a speedy. permanent, and economical cure when all other remedies and even the best physicians fail. The SET, costing \$1.25, consisting of Soap, 25c., Ointment, 50c., and Resolvent (half size), 50c., or each separately, may be had of all chemists and stores where medicines are sold throughout
