The Financial Reports Nos. 172, 172a, 172aa, and 172b, for the month of July last were approved upon the recommendation of Mr. Brandt, the Finance Committee.

The Financial Reports for the month of August, 1915, Nos. 173, 173a, 173aa, and 173b, were received and referred to Mr. Brandt for report.

A communication under date of August 18th, enclosing three copies each of contracts for the construction of a road and bridge at the Kapaa Homesteads, (P1220) and a road from Kukuiole Hill, Kalaeo, to the main government road at Lawai, [P1221] made out in the name of the Land Commissioner and the County of Kauai and which are to take the places of those already executed between the Superintendent of Public Works and the County were received and the contracts were ordered signed by the members of the Board.

Of the Board's own motion H. D. Wishard, A. Menefoglio and J. H. Moragne were appointed delegates to represent the County of Kauai at the convention of the International Irrigation Congress which will be held in September, in San Francisco and other places on the mainland.

The legal opinion of County Attorney Kaco in re-communication [P 1224] of the Kauai Industrial Accident Board calling the attention of the Board to section 2 of Act 221 of the Session Laws of 1915, known as Workmen's Compensation Act, etc. etc. was received and placed on file.

A petition [P 1231] from the Waimea Stables, Ltd., to authorize the County Treasurer to refund to that company the sum of twenty-five dollars paid for a garage license, etc. etc. was received and a bill refunding this amount was presented and approved.

After a verbal report from Mr. Moragne upon the application [P 1214] of Joe Aguiar for his ap-

pointment as a stable boy for the Kawaihau District, and upon the motion of Mr. Menefoglio, duly seconded, the application was tabled.

Acting in connection with the communication [P 1223] of Mr. Sauborn in regard to the appointment of a poundmaster for Hanalei and upon the motion of Mr. Menefoglio, duly seconded, the Board by a unanimous vote appointed W. P. Aaron to that office.

A suggestion [P 1232] from W. O. Crowell, Esq., Acting Sheriff of the County of Kauai, for the passage of an ordinance under which the police could control and regulate the operation, alignment, etc. of motor cars and other vehicles at places of public amusement, public landings, and highways in this County, was received, and upon motion of Mr. McBryde, seconded by Mr. Menefoglio, the Board ordered that the County Attorney be asked to prepare and submit to the Board an ordinance on the lines suggested.

The Petition (P 1175) of W. A. Fernandez for permission to exhibit moving pictures on Sundays within this County was again taken up for consideration, and upon motion of Mr. Menefoglio, duly seconded, the same was tabled.

A quit-claim deed to be signed by Alexander Steele of the Kapaa homesteads releasing all claims he has against this county for damages alleged to have been sustained by him on account of tunneling and laying of the county pipes, etc. etc. was submitted by the county attorney and by a vote the clerk was asked to forward the deed to Mr. Steele with instructions to sign and acknowledge the deed and return the same to the clerk.

Mr. McBryde made a partial report on the matter of the claim of one John Halaole, presented through Chas. S. Dole, Esq., and at his request he was given further time for a final report on the matter.

Upon motion of Mr. Brandt seconded by Mr. Menefoglio, Mr. McBryde was elected Acting Chairman during the absence of Mr. Wishard, who will leave soon for the mainland.

Upon motion of Mr. Brandt, seconded by Mr. Menefoglio, the Waimea district authorities were allowed to use the small rock crusher and outfit for the repairing of the roads in that district.

Upon Mr. Moragne's verbal request he was allowed, by a vote of the Board, to purchase a sufficient number of barrels of asphalt for the use of the County in the districts of Waimea, Koloa and Lihue, respectively.

At 12:30 P. M. the meeting adjourned subject to the call of the chair.

HAWAII AND MAUI VIEWS OF CONVENTION PLANS

It develops that not Honolulu alone, but Hawaii and Maui were making efforts for large delegations in the Civic Convention to be held at Lihue September 26-27, when the official invitations, which limited the total number to about 100, were received by them from the Kauai Chamber of Commerce. From all reports, newspaper and otherwise, received here, probably more than 100 delegates would have come to Lihue, although it is to be remembered that first figures are always considerably reduced.

The Hilo Board of Trade, and the Hilo newspapers, had been boosting for a large attendance. The former issued a circular letter, printed in large type, which ran as follows:

Ho! for Kauai!
Have you ever been to Kauai? No!

Then this is your big opportunity to see Hawaii First.

Cheap steamer rate (only \$23.00 round trip) and the best of good company from Hawaii, Maui and Oahu.

The Board of Trade of Hilo wants you to go.

It is imperative that you should go, to show that we are still in the front in cooperation and progress; and the Kauai Chamber of Commerce most cordially invites you to attend.

We owe it to Kauai (and to ourselves) to appear upon the scene in full force.

Send in your name now to E. M. Deyo, Secretary of the Board of Trade.

Leaving Hilo on Friday morning the Mauna Kea will land you at Honolulu on Saturday morning, a day in Honolulu, and thence leave on the Kinau for Kauai, arriving Sunday morning; leaving Kauai again on Monday night and Honolulu on Wednesday morning, you can be back in Hilo on Thursday the 30th., a. m.

A short time later the leading editorial of the Hawaii Herald ran as follows—and it will doubtless be a matter of general local regret that the news from Kauai, allotting only eleven delegates to the Big Island, arrived just in time to throw a chill upon such generous and kindly enthusiasm:

NOW THEN, HILO!

It is up to the citizens of Hilo, the residents of the country districts and every possible soul, to boost for the Fourth Civic Convention that is to be held on Kauai September 26-27. The Island of Hawaii must be shown to be fully awake and a repetition of the Maui fiasco, when fifteen or so Hilo people made the trip to Wailuku, must be avoided. Hilo is gradually coming into her own and her citizens owe it to the town they live in to see that this island is not again disgraced by so small a delegation to the convention.

Civic conventions result in people from the different islands becoming acquainted with one another. Spread over a distance of over two hundred miles or more of water, as these islands are, a man might live—or vegetate—on one island in the group and never know his neighbor on Kauai. Men have met many a time in San Francisco, after a residence of years in Hawaii, and have not known one another even by sight. Men have lived in Hilo for years and yet do not know a Kohala man by sight—except it be by seeing him carry around a copy of the Midget. That sort of thing should not be, and the surest way to meet and greet fellow citizens of Hawaii is to attend civic conventions and not be backward in speaking to everyone met there. It is the "get together" spirit that will count in the long run, and it is only by personal touch that that desired object can be obtained. All the newspapers and letters in the world cannot accomplish as much in the making of a personal friend as a trip on the same steamer, a gathering under the same roof and a talk about things of mutual interest.

As far as the Kauai convention goes, there is also the added attraction of the delegates seeing one of the fairest islands in the group. Men who will make the trip for the first time will be delighted with what they see and do on the Garden Island. Kauai is indeed a garden and even those old-timers who have visited the island before are beginning to feel excited over the prospect of once more visiting charming Lihue, beautiful Waimea and not to be surpassed Hanalei.

The people of Kauai are most hospitable and they will carry out their program in the manner that dear old Maui did last year. It is to be hoped that the Kauaians have the pleasure of welcoming as large a delegation of people from this island as attended the second convention in Honolulu in 1913.

(Alas! Since the above editorial was written the news has arrived that Kauai only wants eleven delegates from the island of Hawaii. However, let us hope that eleven men do make the trip.—Ed.)

The Maui News, of Wailuku, was probably a little more fortunate in not having its "booster" editorial set up in type when the notification of the allotments reached the Valley Isle, and the following was Brother Cooper's second thought:

Kauai is entirely justified in limiting the attendance at the Civic Convention to the number she has accommodations for, but nevertheless it again raises the question of holding the conventions every year in Honolulu in the future. The matter was discussed during the Maui meeting last year, but it was thought that the convention would soon lose its interest to the islands

generally, were this done. We do not believe that would necessarily follow, while on the other hand there is a real danger that by limiting the attendance to ten or a dozen from each island, the greatest good possible will not be attained from the meetings. Maui was obliged to fix a limit on the attendance of last year, and probably would again; but the idea is not right. The more citizens that can be interested in these gatherings, the greater value will come out of them. And the best way to stimulate this interest is to get people to attend.
