Kauai High and Vets to Play at Lihue Park

The annual game between Kauai High and Kauai Vets on Thanksgiving Day is causing so much interest and so many tickets are being sold that it has been necessary to change the location of the game from the high school field to Lihue Park. The necessary permission has been secured from the plantation.

Last year's crowd practically taxed the capacity of the high school field and from all appearances of the advance sale this year's crowd will double that of last year.

Both teams are out to win, the high school especially, since they were held scoreless by Kapaa on Armistice Day. The high school boys are blaming their failure to score on Kapaa on overconfidence and with this idea in mind they redoubled their efforts in practice. They hope to take the measure of the Vets on Turkey Day.

The Vets have increased their practice to three times a week and are also planning to get in a Sunday practice so it can be seen that they are not holding their opponents lightly by any means. The Vets are out to repeat their victory of last year but if they do so they will have a battle on their hands, as the high school team has gained a great deal of experience since last Thanksgiving Day.

The high school team has been greatly strengthened by three new backfield men, Paul Rice, Charley Killau and Tim Montgomery, being the new men on the school team. With the addition of the backfield men the school team has been able to move two of last year's back up into the line, and this has added considerable weight to the school line.

The freshman class this year did not bring very much new material that will be available this year with the exception of Solomon Tseu. There is quite a bit of material in the class that will be available in a year or so when the boys take on some weight.

The Vets' line has also been changed from end to end this year, the only men remaining regulars from last year being A. Wedemeyer at center, Amalu and Makanani at guards, and Kalwi and Mahloka at ends. New men who will play in the line-up for the Vets are Gandill and Aguilar at guards, Lydgate and Christian at tackles and Carter and Crawford at ends.

In the backfield last year's veterans, Lane, Longstreth, Yoshida and Fern will be playing while the new men will be Bush, Lizama and Sadao.

With the improvement in both teams this year's game should be a far better game both from the spectators' point of view and from a football standpoint.

Tickets for the game are now on sale and can be obtained from any high school boy or girl. General admission to the game will be 25

Kauai Soccer League Starts In January

The Kauai Soccer League will open its regular season the first Sunday in January. This year will see five teams in the league, with two of them new teams. The McBryde team which won the championship in 1921 and took second place in 1922 will not enter a team this year. Just what the reason is for this action is not known. The failure of McBryde to enter a team will be a serious loss to the league as the Scots have always had a strong team and have been one of the few teams in the league that always had eleven regular men on the field at every game.

The soccer fans of the island will regret the failure of McBryde to enter, as one was always assured of a good battle when the Scots trotted on the field.

Another feature of soccer is the fact that a game which is played primarily by the skilled help of a plantation and the failure of a district to enter a team robs the skilled employees an opportunity to engage in healthful competitive sports.

The new teams in the league this year are Kekaha and Makee. Both districts have a wealth of material and both will be heard from before the season is over. The district of Makawell, Lihue and Koloa will again be represented this year.

The Lihue and Makee teams are being entered by the Kauai Athletic Association.

INDOOR LEAGUE TO START SOON

The indoor baseball league will be started just as soon as the wiring of the armory is completed. This year's league will follow along the lines of last year's and will be a racial league. At present six teams have expressed a desire to enter and it is probable that there may be two more teams with Kauai high as one.

K. A. A. HOLDS FIRST SMOKER

The Kauai Athletic Association held its first smoker at the county building last Saturday evening. Owing to the fact that there were no less than four luau's in the immediate vicinity of Lihue the attendance was not as large as expected.

Neil Locke spoke to the members on co-operation, while Rev. Bayless spoke on high standards of athletics. Judge Achi presided at the meeting.

cents while automobile parking space will be 50 cents. The game will start at 2:30.

BOYS CLUB WAS ORGANIZED AT KUKUIULA

Last Tuesday evening, the grammar school boys of Kukuiula met in the old school building and organized a Y. M. C. A. Boys' Club. The officers elected for this club were Tsuruo, president and leader. Hajime, vice president, Shigeru, secretary, and Mansaku, treasurer.

Like the other clubs, the program of the Kukuiula boys club is based upon Bible study. Already this club has taken a definite place of service activities, namely, the general care of the building in which they hold meetings, and to boost the attendance of Sunday school which also started last Sunday.

KOLOA BOYS CLUB SPENT NIGHT AT BEACH HOUSE

Friday after school the members of the Koloa Boys' Club packed their bundles across their shoulders and frolicly hopped down to Dr. Waterhouse's beach house to spend the evening. Upon their arrival to the destination they released the packs each for each prepared himself a fishing tackle and ruthlessly invaded the high water marks.

After enticing the fishes with unpalatable bait, the invaders were frustrated in their hopes for landing a whale. They all returned to the beach house with a simple fisherman's luck and that was an empty fish bag and wet trousers. They caught none but their hopes were illuminated when they thought of the warm campfire, juicy ham and egg sandwiches that mother made and a cosy place to sleep away the night.

Dinner hour arrived and each boy spreading his eats before him, and began filling up the inner man until he was quite contented. The boys then assembled in one of the rooms and played games and told stories until their eyelids began to get heavy. Masuo and William having heard a mild ghost story, began crawling in one of the closets and there peacefully slept the whole night. Upon the floor there five tiny ones, Kiyoto, Yukio, Bernard, Willie and Toshio, all of them in a row.

In the morning all got up and took some exercise and went in swimming. Then the boys had their breakfast and did some more fishing and came home.
