Dear Alice Maud, at Fishmongers' Hall about freedom of Good thoughts thou bring'st to methought and freedom of speech in the South, Darting Alice Maud, but he could tell them that for thirty-three Shall I ever again meet theo? years there had been nothing of the kind in Hitto, Jan. 15, 1862. C. O. C. the country. (Hear, hear.) The Southerner came to New York, lectured in their halls, A Union Man's Speech in England. and bearded them in their homes, yet was treated with every courtesy; but when the We learn by a private letter that Young America, G. F. Train, is lecturing in England Northerner went to the South he was muzon America, and is doing good service for the zled on the very threshold, insulted in every way; and did they not, the other day, take Union cause by the plain matter of fact style with which he deals with treason, rebellion a British captain from his ship and tar and feather him on the quay at Mobile ? They and foreign sympathy. never did that in the North. He appears to be well posted, and judging The Northerners step by step and year by from the approbation with which his speeches are received. there is more sympathy with year had always been their friends. Who had consumed the enormous quantities of the North among the people of England than manufactured goods which had been sent we had been led to suppose from the tone of from this country? There were twenty the press. millions of people in the North, and but ten In the summary of news received by Ren-ter's Telegram the following paragraph ocmillions in the South, and it was the North curs-" Mr. George Francis Train has adthat had consumed them, and the North had dressed a letter from London to the New also furnished the money to plant the cotton in the South. The North had all the manu-York Herald, declaring that a number of vessels are fitting out at English ports with facturing interests of the country. The ammunition for the South. He makes a mechanics came from the North. They could not get a bale of cotton from the violent attack on the British Government, Southern plantations, unless it was moved and declares that English neutrality is conby Northern capital, and when it was in a temptible." It would seem that Mr. Train's Southern port it could not go further without opinions are of importance enough to be telegraphed to the London press. People the aid of Northern ships. The thousands cannot make him out here. He has any of miles of railroad had been built by Northquantity of invitations to lecture upon Ameri- ern men and paid for by Northern money. can affairs throughout England. Last even- They cannot make a locomotive, nor brooms, ing he gave a lecture before the English nor car wheels, nor steamboats, nor shoes. camp at Aldershott, Col. Pennifeather in the Whisky that bears the same position in the chair. Mr. Train, after talking to the assem- Southern country that beer does in England, blage present for some time in a general wine in France, arrack in India, all comes from the North. They cannot even get manner, then announced that he wished to drunk without Northern assistance. (Loud my a few words, upon his own account, upon a war between Great Britain and the United laughter.) Their bacon, butter, beef, and States,-said he did not come into the camp pork all come from the West. They do not even raise enough corn or hay, or vegetables, as a spy, but came under a flag of truce; and he was only one, he had no friends, no for their own use. Exchange is always against them. Cotton is bought by draft, supporters, inside or outside. For two hours he pitched into England right and left, and usually at sixty days. They get cash for raw material, while the North trusts from talked to them like a father; they took his six to eighteen months. They are now fightgemarks good naturedly, and testified their approbation by frequent applause. No young man ever had brighter prospects before him for making a gigantic fortune than George ing on Northern capital. They owed £40,-000,000 of private debts, which they repudiated. The first basis of a gentleman is mercantile honor. * * * * * * Francis Train has now in Great Britain, but his frank, out-spoken opinions may be the means of ruining him entirely; he considers They say that we have done nothing? Is it nothing to improvise an army of 500,000 men out of our farmers, mechanics and his country, and the stars and stripes, of tradesmen in three months? Is it nothing vastly more importance than £, s, d., or to cut a navy of 500 vessels of war out of horse railways; and, m the words of the the forest since Sumpter? Is it nothing to song-"He will speak his mind if he dies make 4,000 miles of coast air-tight and shut for it." up every bale of cotton ? Is it nothing to We make a few extracts from Mr. Train's speech delivered at Hawley in Staffordshire, on the 27th of December, as reported in the draw a line-of-battle 1,500 miles from Hatteras to St. Louis, so that no rebel can pass except as a prisoner of war? (Applause.) Loudon Times. Referring to the course of Is it nothing to take up £30,000,000 Gov-England, Mr. Train said-But you have not been true to us-be not surprised then if 1 speak in earnest-if I talk with emphasis-for I feel every word I say. You call us proud-we are. You call us sensitive-you ernment loan, and £20,000,000 more State loans in four months? Perhaps England is right-it is nothing-nothing like what the United States can do when aroused to action against a foreign foe, instead of crushing are right again. So proud we will receive no dictation from other nations-so sensitive out domestic conspiracy ! * * * England is Secession ; her army is Seceswe will support our flag or perish in the attempt. (Applause.) England did not unsion, her navy is Secession, her church is derstand us before the rebellion, she does not Secession, and her bankers vote for treason; understand us now, but the time is not far her merchants cheer for traitors, and her off when she will know more of our geogra- statesmen endorse all, and even laid the phy, our history, our agriculture, our manu- sentiment. So as England cheers for treafactures, our politics, and the extent of our son, let me vary my discourse and cheer army and navy. Let me tell you what this with her. Hurrah for treason ! Ireland rebellion is not. It is not a question of aboli- awake-arise-strike again O'Brien and your compeers, for England decides for treation as against slavery-it is not the tariff son! Chartists of '48 leave once more your agitation by protection against free tradeneither is it for subjugation, for conquest, or hiding-places and create anarchy in this fair for power-(hear, hear,)-but we are fightland, for England offers up her prayers for treason ! Where is Papineau and M'Kenzie ? ing for national life. (Cheers.) There is Lose no time, Canadians-you are nobody something terrible in the death of a great now-be up and doing, for England believes nation. We are fighting for our flag, and in treason ! Nena Sahib come forth from before we drop the weapons, we intend to the jungle, and seek another Cawnpore, and prove to the world that we will have one Constitution, one Congress, one Country, and be successful, since England has decided a flag to float over its capitol. (Cheers.) Tothat treason is lawful and should receive support! Yes, what is wrong with us cannight I shall call things by their Christian names, a shovel will be named a shovel-a not be right with you. You love your councrate a crate-and a secessionist, a rebel, a try-1 love mine-and it chills my heart to hear your leaders all siding with the traitors. renegade, and a traitor. (Hear, hear.) The question in America was not one of aboliwho, when they found they could not reign in Heaven, determined to rule in Hell-our tion or of slavery. They must pardon him when he told them that they in the North. Government stands almost alone among your when they talked of abolition, were no more statesmen. The Duke of Argyl says some in earnest than tney (the English) were. brave words for us, so did the China member Had they not for forty years been studying the doctrines of Wilberforce to graduate in for Brighton ; and Mr. Baxter spoke kindly ; but what are these few advocates and friends favor of slavery ! Ask the apostle of Exeter among so many enemies ? Sir John Bow-Hall why he makes such a clamor against ring dares to compare such men as Davis, slavery, when he wears a slave-grown cravat, Cobb. and Floyd, with the nation's benefacslave-grown hose, a slave-grown shirt, sweet- tors, Washington and Jefferson and Madison -(shame,)-and Beresford Hope disgraces ens his coffee with slave-grown sugar, all the rules of fair debate in calling the smokes slave-grown tobacco, and makes a chimney of his nose with slave-grown snuff ! North a hot-bed of anarchy !- General Scott He believed that all of them had partaken a second-rate soldier !-- Secretary Seward an of slave-grown corn, and about five and a unprincipled politician. and the President of half millions sterling of their revenue that our nation an incapable pretender! How went towards paying the expenses of this great singular that all these gentlemen (?) volunempire, was obtained by a protective tariff teer their advice to the North. Nobody has empire, was obtained by a protective tariff on slave-grown tobacco. With such facts before them, how they dared speak to an American in opposition to slavery he did not teer their advice to the North. Nobody has any counsel for the rebels. What they do must of course be proper. They can rob and violate and murder—they can repudiate
