The breach of promise suit brought by Francis Zigler against John Weisbeck, both of Collyer township, has been grinding away for several days. Friday evening pictures of the army and navy will be shown. This is a very special number and the films have been given out by the U. S. Government and have been recently shown in New York. The army and navy, battleships, President reviewing troops and many other pictures will be shown. Three reels in all. The price will be 10 and 15 cents and every one should see these pictures for they are instructive and the opportunity is not often given to see this class of pictures, which are under the supervision of Col. Jack Eckler. A stove in the picture show building now adds to the comfort of the patrons.

Last week time forbade mention of the Auto-Polo game held Thanksgiving afternoon at the baseball park. Two dismantled Ford cars were equipped for the game and it is played similar to pony polo except there is more noise, dust and general excitement. Each car had a driver and clinging to the side of the car was a fellow with a mallet whose duty it was to keep a basketball away from the other fellow with a mallet on the other car. Two goals one for each car were provided and Wichita played against Natoma the victory resulting in Natoma's favor. It was quite exciting, a fellow who is paid to turn his car over occasionally certainly pulled off the stunt in a very realistic manner and from the noise, dirt, yells and general uproar it just about made the 50 cent admission price look like 30 cents.

Gene Homes, the Ransom drayman, was a Wa-Keeney visitor last Monday.

The management of the Garden theater has put in some very nice improvements. A new Gold Sun Kist picture curtain, new wings, new stage and a brand new drop curtain make the Garden a very up-to-date picture theater. The artist on the job is Col. Jack Eckler. The front curtain is a very fine one in five colors. It is completely covered with advertisements of the wide awake business concerns of the town.
