Makes Trouble on Public Works in Fort Wayne-Street Labor Strike.

Special to the Indianapolts Journal. FORT WAYNE, Ind., June 19 .- The Barber Asphalt Company is having a series of labor troubles in this city with teamsters, shovelers and laborers. Work on the Jefferson-street and the Hanna-street contracts has been delayed a week by inability to reach an agreement with the laborers. although a working arrangement has been the statute passed by the recent Legislature making that the minimum wage for unskilled labor. This is an increase of 20 to 25 per cent. over old prices, and the company is having difficulty in securing men to take the strikers' places. The Barber Company is resisting suit for wages at 20 cents an hour in several cases in justices' courts on the ground that the law is unconstitutional in that it is an infringement of the right of private contract. Under this law the city has been compelled to pay 20 cents an hour to men in the parks and on the streets, materially increasing
