#### May Abolish Differentials.

At present there is a strong competition for passenger business between Chicago Shore in connection with the Pittsburg & have made improvements to their road- the wisdom of accepting the offer.

AVENUE. Best chop suey house in city. Cook to lessen the importance of a differential pair your gas engines. Old phone 252. MON-ARCH GAS ENGINE CO., E. New York st. and Belt R. R. class, while the differential lines-the Panhandle, the B. & O., and the Lake Shore. Erie and P. & L. E. combination have used a rate of \$10.50 first-class and \$9 secondclass. Now the Panhandle has gained almost the degree of proficiency attributed to

the Fort Wayne and, in many instances, makes good time; the B. & O. is able to compete with some of the other roads in a fair business test; and the Lake Shore and Erie make the claim that they are almost as direct as the Fort Wayne, if, indeed, they are not the short line. All of these things have caused the Pennsylvania to demand that it be not dis- Buffalo.

criminated against in favor of the other that will reduce the present amounts. Some look for an entire abolition of differentials through. on all way points, leaving the scheme in

# Masters of the Situation.

er known a season when the shipments | sales of tickets in June exceeded June, 1890,

On Wednesday of last week six heavy E-4 type of freight engines were completed at the Juniata shops of the Pennsylvania. More men are working in these shops than at any previous period.

In June 410 cars were handled on the switches of the Atlas engine works, shipments of last month being record breaking from this establishment, which now gives employment to over 1,100 men.

The Northern Pacific passenger department has sent out photographs of the North Coast Limited, taken when the train was in motion. It is the most artistic and best advertisement by any of the big roads.

A large delegation will go from Indianapolis to Detroit, over the Cincinnati, Hamilton & Dayton, to attend the annual meeting of the National Educational Soclety, to be held in that city this week.

The Pennsylvania Company is replacing many of the old Howe truss bridges on the Madison branch of the Louisville division with heavy new steel structures. The bridges removed have been in service since 1881

E. Randolph, superintendent of the Southern Pacific at Tucson, has tendered his resignation, effective July 31. He will take the management of the Huntington electric railway interests in southern Call-

fornia Under the new order of things the Baltimore & Ohio is carrying the bulk of immigrant business out of New York and Baltimore west, last week having several trains immigrants en route to Idaho and

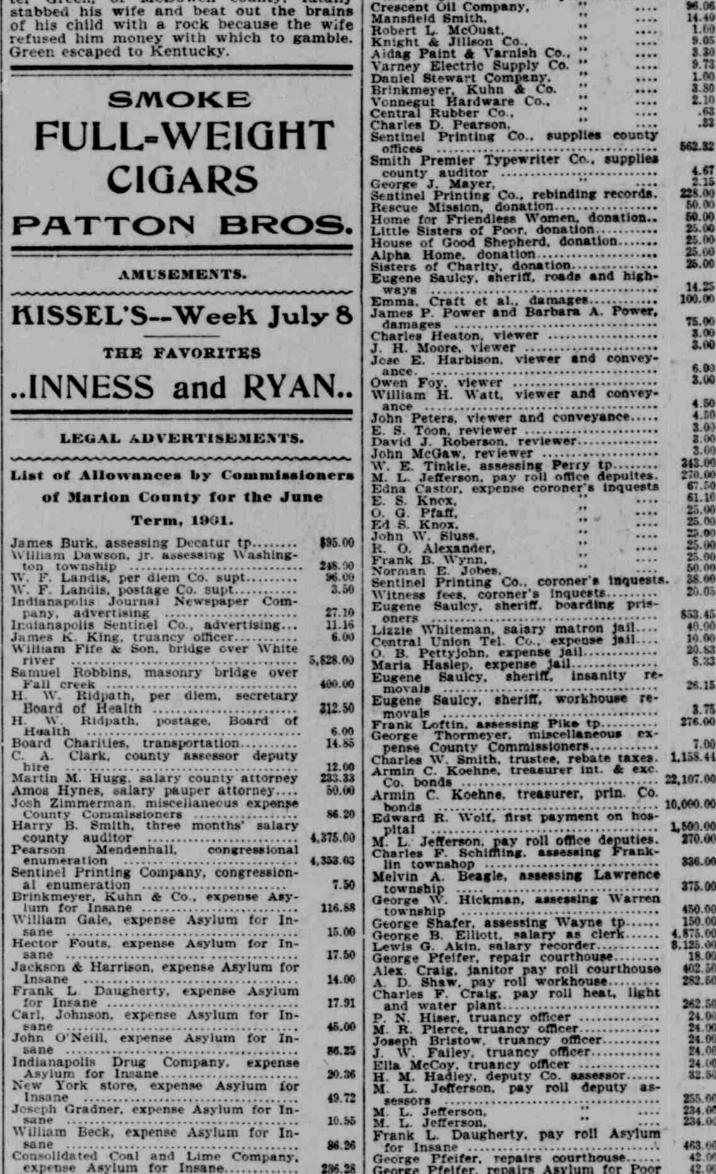

Binghamton, N. Y., has offered the Lackawanna a large tract of land providing it Lake Erie as a Pittsburg-Chicago line has | will locate its proposed extensive new car had something to do with the matter and shops at that point, and officials of the road were in Binghamton on Wednesday to look the ground over and advise as to

Indiana to pay the price asked by the for those lines. At present the standard Santa Fe Company for land it owns in the lines, the Fort Wayne and the C. & P., in vicinity of the Dearborn Station may revicinity of the Dearborn Station may result in the Santa Fee building a passenger station of its own and prevent the former company replacing the Dearborn Station with a much larger and more modern structure.

> The monthly meeting of the Central Passenger Association will be held on Wednesday at Cambridge Springs. Pa. At that time the Pennsylvania and the Buffalo, Rochester & Pittsburg will make application for admission into the organization, this being occasioned by the fact that the Pennsylvania has recently acquired lines in the Central Passenger Association territory through purchase of lines entering
