The Latest and Most Important Discovery of the 19th Century.

medical discovery, than that of Dr. JOHN BULL, of armed rebellion against the Government of the United Louisville, Ky. His inimitable preparation of Sarsapa- States, and seized for a violation of the laws of the United rilla, has long stood at the head of the various com- States, to-wit: of an act entitled "An Act to suppress in pounds of that valuable drug. His Compound Pectoral | surrection, to punish treason and rebellion, to seize and of Wild Cherry has become a household word throughout | confiscate the property of rebels, and for other pur the West and South, and his Worm Lozenges, in less than | poses," and praying process against said note, and a year after their introduction, artained a reputation as that the same may be condemned and sold as enemies wide spread as the continent of North America. But the crowning glory of his life remains to be attained in his Now, therefore, in pursuance of the Monition under the latest discovery, or rather combination, for he does not | seal of the said Court to me directed and delivered, I do claim to have been the discoverer of CEDRON, which is | hereby give public notice to all persons claiming said honor belongs to the native inhabitants of Central Amer- | thereio, that they be and appear before the said, the Disica, to whom its virtues have been known for more than | trict Court of the United States, to be held at the city of two hundred years. Armed with it, the Indian bids defi- Indianapolis, in and for the District of Indiana, on the 1st ance to the most deadly malaria, and handles without | Tuesday of May next, at 10 o'clock of the forenoon fear the most venomous serpents. It is a belief with them of that day, and then and there to interpose their claims that while there is a breath left in the body the Cedron is and make their allegations in that behalf. potent to cure, no matter what the disease may be. While Dr. Bull is not prepared to endorse this extrava-gant pretension, he is nevertheless satisfied from a thorough examination of the evidences relating to its virtues, that, as a remedy and preventive for all diseases arising from exposure either to changes of weather and climate, or to the miasmatic influences, it stands without a rival and justly deserves the reputation it has long enjoyed in Central America and the West Indies. In

DYSPEPSIA

And its attendant train of sympsoms, it acts more like a charm than a medicine. There is nothing in the whole range of maeeria medica that can for a moment bear a comparison with it in this disease. A full account of this wonderful plant may be found in

the 11th edition of the U. S. Dispensatory, pages 1587 and A series of experiments, in which Dr. Bull has been for year- engaged, has just been brought to a successful ter-mination, and he is now enabled to offer to the public a combination of Cedron with other approved tonics, the whole preserved in the best quality of copper-distilled Bourbon Whisky, which he is confident has no equal in the world. He might furnish a volume of certificates, but the pub-

lic have long since learned to estimate such things at their true value. The safest plan is for every one to test for himself the virtues of a new medicine. Give the Codron Bitters One trial and you will never use any other. It is not necessary to publish a long list of the diseases for which the Cedron bitters are a spe
