HOTELS—RESTAURANTS.

OCEAN SPRINGS, MISS.—The undersigned, having leased for a term of years the three newly discovered and highly valuable Mineral Springs, respectfully informs the public that he has opened a large and commodious hotel for the reception of persons visiting that place. During the past winter extensive additions have been made to the Hotel and no effort has been spared to render it in the highest degree convenient and comfortable. Attached to the Hotel are a number of Bath Rooms, and other amusements usually found at watering places, while the Bathing can be enjoyed in the Sea, which is only a few steps from the house. The analysis of the water of these Springs, so made by a distinguished chemist proves that it contains mineral qualities of the highest order. The Orders from and unsolicited testimonials of persons who have visited and many persons suffering from cutaneous diseases have been restored to health, are the best evidence of the virtues of the Springs. The steamer Creole will ply daily between New Orleans and Ocean Springs during the summer, starting from the Lake end of the Pontchartrain Railroad.

GREEN OAKS HOTEL, Biloxi, Miss.—This famed and popular Summer Retreat, as generally known, having changed its Southern owners, is under the management of Mrs. ELIZABETH PRADAT and her sons, JOHN H. PRADAT, situated about one mile distant from the village of Biloxi, will be opened on the 1st of June next for the season of 1854.

The "GREEN OAKS" is acknowledged to need no encomium. For many years the popularity of the establishment has been steadily increasing. The many natural surroundings, commanding the finest water prospect on the Lake, and receiving the pure salt water as it flows from the Gulf, have combined to impress favorably the many visitors from New Orleans, Mobile, and the surrounding country.

During the Winter the proprietors have made many improvements and additions. The BATHING HOUSES have been entirely refitted and fitted up, and SAIL BOATS will be at all times at the service of the visitors, free of charge.

CARRIAGES and HORSES may be procured at any moment.

In addition, the celebrated BRASS BAND of New Orleans is engaged and a Ball and Supper is expected twice every week.

Visitors wishing to stop at the GREEN OAKS, are requested to notify the Captains of the Steamers who will land them at the wharf of the Hotel.
