

LOSE SIXTEENTH GAME

Kaws Tied Score in Ninth But Could Not Hold Drummers.

St. Joseph, Mo., May 29.—In an eccentric ball game, featured by wild pitching and numerous errors, the St. Joseph Drummers helped the Kaws take a firmer hold on the cellar position here Thursday afternoon by nailing the long end of the score, 8 to 7. With the score tied in the last half of the ninth, George Watson walked, went to second on a passed ball, to third on a wild pitch, and scored the winning run off Davis' single, after Patterson had walked and stolen second and Britton had walked. The latter two were given free transportation.

Paul Brown started the game for the Kaws, but he was treated badly in seven innings, and got the hook, after Higginbotham went in to bat for him in the eighth. Gear, the new pitcher from Sherman, Tex., who joined the team yesterday, finished the game. He worked all right in the eighth, but couldn't get his curves adjusted right in the last frame.

The Kaws tied the count, making it 7 in all, in the half of the ninth. Lemon, first up, walked, took second on Forsythe's infield out, and tallied on Koerner's single to left. Tallion tripled to right, scoring Koerner, but was out trying to score. G. to R. Watson to Schang. McAllister singled, at which point of the struggle "Doc" Thomas was called in from the reserve list to save the day, which he did in his walk. Gear singled and McGee walked, filling the bases, but Black retired the side, grounding out, Thomas to Patterson. The score:

Notes of the Game.
Although the Kaws outthrew the Drummers almost two to one they couldn't win with the local fielding as they did. Out of five double plays pulled off three were credited to the Hollanders. Wall and Patterson each made one unassisted.

George expects Pitcher Sanders, who has been playing semi-pro ball in Kansas City, to join the team at once. Black just arrived in time yesterday to get into a uniform at the park and begin service at relief duty. He hadn't had much chance to warm up on the side lines, which probably accounts for the reason that he did not go better.

Gear got on every time he was up. He walked twice and poled a single once. Phil Koerner was the giant slugger for the Kaws, pounding out four hits out of five times at bat, one a double. McAllister garnered two hits out of four attempts.

McGee robbed Fox of a hit in the fifth by a pretty one-handed pickup and a speedy peg to first.

Higginbotham didn't prove much of a pinch hitter, striking out batting for Brown in the eighth.

The Drummers and Kaws will play a double header Saturday afternoon, the first game to start at 2:30 o'clock.

Bert King is hitting .261 for the Nashville club of the Southern league.

Pitcher Claude Hendricks, with the Chifeda has bought a farm in Johnson county with some of the money he secured from the Federal for jumping the Pittsburg National league club. Judging from the reports of small attendance at Federal league games, he soon will need the farm.

Major league teams are just like the clubs of the Western League. All are hunting better men to strengthen their clubs. On account of this, the major league, already have their scouts on the road. The scouts are hunting men principally for immediate delivery but might be induced to take on a few for future delivery.

Chick Fraser, scout of the Pittsburg Nationals now is making a trip over the Western League circuit in search of players. The success of Barney Dreyfuss in picking up Joe Kelly and Joe Leonard last year has given him confidence in the players of the Western League and he is wanting some more.

Catcher Shoddy Shaw of the Des Moines club is out of the game with a broken finger.
