Col. M. Emmett Urell Elected Commander-in-Chief—Amalgamation with Rival Organization Assured.

BY J. WALKER MITCHELL, HISTORIAN, NATIONAL ARMY AND NAVY, SPANISH WAR VETERANS.

The Third Annual Assembly and Encampment of the National Army and Navy Spanish War Veterans, held last week at Detroit, was the most important in the history of that organization so far as results are concerned. The young soldiers of the war with Spain accomplished more than mere routine business during the session. They firmly welded the ties of friendship already existing between the aged and battle-scarred veterans of the struggle from 1891 to 1895 and themselves. The honored ladies of the veterans of the war of the rebellion and those of the Spanish-American war by unanimously electing as Commander-in-Chief Col. M. Emmett Urell, a veteran of both wars. In the great parade, Monday afternoon, Sept. 22, the Spanish war soldiers followed the Grand Army Posts as a guard of honor jointly to the older veterans and President Roosevelt.

During the war of the rebellion Col. Urell first served in the 24th N. Y. State Militia, subsequently known as the 82d N. Y. Vols., having joined in April, 1861. He took part in the battles of first Bull Run, Ball's Bluff, Fair Oaks, Gaines's Mill, Malvern Hill, Second Bull Run, Antietam, Fredericksburg, Chancellorsville, Gettysburg, Bristol Station and the Wilderness.

He was wounded at Fair Oaks, May 31, 1862, and at Bristol Station, Oct. 14, 1863. The last wound was a serious one. The bullet penetrated his right arm and body and he was left on the field for dead. He was finally picked up and sent to a hospital for treatment, and before his wounds had fully healed he returned to the front for active duty. He was discharged May 24, 1864, "on account of wounds received in action." During his service he was promoted through the grades from private to First Lieutenant and was brevetted Captain and Major, United States Volunteers, for gallantry in the face of the enemy. Col. Urell received from Congress the highest honor that can be conferred on an American soldier or sailor, the Medal of Honor.

During the war with Spain he was Major of the 1st Battalion, 1st Regiment, District of Columbia Cavalry, and was with his regiment in the trenches at the siege and capitulation of Santiago. Col. Urell is 38 years of age, and the present Colonel of the 1st Regiment, District of Columbia Cavalry, and is now about 60 tons on hand, with the daily receipts almost equal to the cancellations.

A Correction.
EDITOR NATIONAL TRIBUNE: Will you permit me to correct an error in the issue of The National Tribune of Sept. 18? In the column devoted to the "National Encampment" the comrade, speaking of the battles of Franklin and Nashville, says of the Fourth and Twenty-third Corps, "that they were reinforced by Brig. Gen. A. J. Smith's detachment of the Fifteenth Corps." It should have read, "Was reinforced by Maj. Gen. A. J. Smith's detachment of the Army of the Tennessee, Right Wing of the Sixteenth Corps." C. Smith, 119th Ill., Kansas City, Mo.

Thanks to Representative Jett.
The members of Samuel T. Hughes Post, 534, Department of Illinois, Collinsville, Ill., have unanimously passed resolutions of gratitude to Hon. Thomas F. Jett, Representative, for his service in procuring for them a medal, which has been received and mounted in the public square, and also for his eloquent and patriotic address on the occasion of the dedication of the monument to the soldiers of the Civil War. They feel all the more grateful to him because his action in their behalf was taken after the fortunes of politics had placed Mr. Jett in a position of unpopularity in his district. They promised him their life-long appreciation and assistance at any time in the future when it can be of any value.

WHAT GOES UP Must Come Down.
Nothing is more certain than that the use of so-called tonics, stimulants and stimulants, which are sold under the name of their effect, is injurious to health in the long run.

What goes up must come down and the deleterious effects of the temporary exhilaration resulting from a dose of such a tonic, will certainly be followed in a few hours by a corresponding depression to relieve which another dose must be taken.

In other words, many liquid patent medicines derive their effect entirely from the alcohol they contain. They are temporary stimulants and not a tonic in any sense of the word. In fact it is doubtful if any medicine or drug is a real tonic. A true tonic is something which will renew, replenish, build up the exhausted nervous system and waste tissues of the body, something that will enrich the blood and endow it with the proper proportions of red and white corpuscles which prevent or destroy disease germs. This is what a real tonic should do and no drug or alcoholic stimulant will do it. The only true tonic in nature is whole food. Some food, however, is more nutritious than others. Every minute muscle, fibre and drop of blood is created daily from the food we digest. The mere eating of food has little to do with the repair of waste tissue but the perfect digestion of the food eaten has everything to do with it. The reason a few people have perfect digestion is because of their habit of living the stomach has gradually lost the power to secrete the gastric juice, pepsin and acids in sufficient quantity. To cure this condition and to restore the best preparation of this character is Stuart's Dyspepsia Tablets which may be found in every drug store and which contain pleasant palatable food. The whole system is brought back to normal and requires prompt digestion. One or two of these excellent tablets taken after meals will prevent sourness, fermentation and acidity and insure complete digestion and assimilation. Stuart's Dyspepsia Tablets are equally valuable for little children as for adults, as they contain no harmful or stimulating but only the natural digestive. One of Stuart's Dyspepsia Tablets will remove 100 grains of meat, eggs or other wholesome food from the stomach and sense a genuine tonic because they bring about in the only natural way a restoration of nerve power, a building up of lost tissue and a healthy condition. It can be done by the digestion and assimilation of wholesome food.

000, nearly 200 commands having been organized in the States and Colonies. It is further stated that about 100 commands are in process of formation. The organization expended for supplies, relief, etc., last year \$105,000, and there is now \$30,000 in the National Treasury.

The reports of the Adjutant-General and Quartermaster-General were turned over to the Council of Administration for examination and report. The National Auxiliary, Ladies of the Spanish War Veterans, held its Annual Meeting in Detroit during the National Encampment. The principal business transacted was the election of National officers and steps to provide for the general election of the Association. Mrs. Gen. John Logan declined to again serve as President, and the honor was bestowed upon Mrs. Flora A. Lewis, of Washington. The other National officers elected were: Mrs. Isabelle Alexander, Cleveland, Ohio, Senior Vice President; Mrs. William H. Hubbard, of New York, Junior Vice President; Mrs. F. S. Hodges, of Washington, Inspector; Mrs. Henry C. Conant, of Washington, Chaplain; Miss Cornelia Clay, Treasurer; Mrs. E. Gertrude Mitchell, of Washington, Conductress; Mrs. L. M. Huyck, Washington, Guard; L. M. Ferguson, Washington, Color Bearer; Mrs. Ellen Spencer Minney, Referee, and Dr. Ida Helberger, Surgeon.

Mrs. Lewis appointed Mrs. Hoyt A. Holton Corresponding Secretary, and Miss Agnes L. Little, Recording Secretary, both of Washington. National Council of Administration—Miss Harriette E. Hawley, Washington, New York; Mrs. Mary T. Denen, New York; Mrs. Isabel Thonny, New York; Mrs. A. E. Wilkinson, Washington; Mrs. Matilda E. Sprague, Washington; Mrs. Denison, Ohio; Miss Joseph M. B. B. New Jersey; Mrs. Eggleston, Ohio; Mrs. Mary Thomas, Brooklyn; Mrs. Rose Wheeler, New Hampshire; Mrs. Royce, District of Columbia; Mrs. J. J. McLean, Miss Clara Barton, of the Red Cross Society, was elected National Sponsor for life.

A son of Mrs. Lewis, the new President, was killed on the firing line at Santiago. Among the notable women at the Convention was Mrs. Capron, widow of Capt. Allyn K. Capron, of the Rough Riders, who was at the head of her troop during the first day's fight before Santiago.

Commander-in-Chief Urell was given a rousing reception upon his return from Detroit, and was met by the local Spanish War Veterans, and his comrades of John A. Rawlins Post, G. A. R., and Encampment 69, Union Veterans' Legion.

Tons of Checks.
Commissioner Yerkes, of the Internal Revenue Bureau, has been compelled to call on the banks in which he has received checks and drafts bearing imprinted stamps now being sent in for redemption. The original act providing for the redemption of these imprinted stamps was passed in 1891, and the stamps have been in use ever since.

Almost immediately after the act was passed banks and large business houses began sending in their surplus stocks, and in a short time the quantity had reached the point where the stamps threatened the walls of the rooms and corridors where they were stored, necessitating a prompt removal. Up to this time 194 tons have been removed, and the stamps are now about 60 tons on hand, with the daily receipts almost equal to the cancellations.

PENSION POINTERS.

Inquiries Answered and Suggestions Made.

G. B. Waupaca, Wis.—The only equalization bounty bill that passed Congress was vetoed by President Grant. The President has no power to return bills for amendment. He must approve, veto, or allow them to become a law without his approval.

H. P. Cordz, Mo.—A child's pension is ordinarily the widow's rate with \$2 per month added. That is to say, child's pension under the act of 1890 is \$10 per month, and under the general law, \$14 per month.

W. Vincennes, Ind.—Technically the war of the rebellion did not come to a close till Aug. 29, 1865. In the administration of the pension laws the war is held to have practically closed by July 1, 1865. After April 2, 1865, hostilities were limited to the State of Texas. Bounties were offered for enlistments in the volunteer army as late as April 30, 1865, and for enlistments in the Regular Army as late as June 30, 1865. Enlistments in the Regular Army after April 2, 1865, are held for pension purposes not to have been made in or for the war of the rebellion, and any service rendered under such enlistments must be shown to have had a direct connection with the suppression of the rebellion, in order to be pensionable under the act of 1890.

T. G. H. Grand Junction, Colo.—The general law pension rate for actual loss of arm below the elbow or leg below the knee is \$30, not \$24. The proposed pension bill, so far as it relates to general law pensions, does not propose to increase rates, except where there is actual loss or disability of a limb. It does not propose to increase all those receiving certain rates of pension.

AGAIN OFFERED
To National Tribune Readers.

The Theo. Noel Company are again making the offer to send a package of Vitae Ore on trial to every subscriber of The National Tribune, or friend recommended by readers, and every person in need of medicinal treatment of any kind who will send to the company a card of recommendation from a physician. Their offer occupies a large part of page 8 and all can profit by reading it through carefully. This medicine was discovered by the late Dr. Noel, who was the president of the college of medicine at the University of the Pacific, and since its introduction has been instrumental in curing thousands upon thousands of ailing people throughout all the United States of diseases, a number of which are enumerated in the advertisement. The company desires no one's money whom Vitae Ore cannot positively benefit and for this reason do not offer it to every subscriber, but desire each person to test it before paying for it, and none need pay unless benefited and satisfied. The company is not a medical or drug company, but a reading public, have what they claim, and will do as they agree. A large number of our readers have already accepted this offer and can consequently testify concerning the medicinal value of Vitae Ore. Those who have not should not hesitate to give V. O. a trial according to the liberal offer made by the Theo. Noel Company.

Widows' Pensions.
EDITOR NATIONAL TRIBUNE: Under date of Sept. 19, 1902, appeared in the Toledo Capital a special from Washington on retrenchment in the allowance of pensions. Among other things the author says:

"There are thousands of women drawing pensions from the Government simply because they are widows of men who were pensioned. These women married men after the war, and many of them just before the soldiers' deaths, and now they claim the right to draw that soldier's pension. It is fair enough to give a pension to the widow of a soldier who was his wife before he died, but I am in favor of a law that will prohibit the granting of a widow's pension to any woman who married the soldier after he was pensioned. Such a law would reduce the payment by many thousands dollars."

Any veteran who will give utterance to such diabolical and unworthy of membership in the G. A. R., or of confidence or respect of any man who wore the blue or who delights in our country's history.

There may be isolated cases where the widow of an old soldier is not justly entitled to a pension. But there is a general law on our statute books that works absolute justice in every case. If this law were strictly enforced, it would prevent the present wives of the old unmarried boys who left the colleges, farms and stores at their country's call, served their country with unflinching fidelity, came home crippled and maimed, and who could never have maintained a family but for the pension a grateful Government allowed them. These women, who are the mothers of the veterans' children; these wives, who for a lifetime have shared the burdens incident to the veterans' disabilities; whose earthly welfare is less than that of their husbands were able-bodied men, shall be denied a pension while the law is as it is.

There are also many veterans who became widowers since the war, who remarried and have children; whose wives have been the very best of mothers, who cared for the old soldier in his infirmity, were a mother to his children; they too, according to the views of the pensioners' Government, must be neglected by their Government. As well might it be urged that if an old soldier has children born to him after he received Government aid, they should be neglected by the Government. Their father helped to perpetuate it.

If this correspondent represents the views of any Congressional committee, then it is safe to assume that Congressmen is still a mourner for the Lost Cause.

PROF. THOMAS F. ADKIN.
President of the Institute of Physicians and Surgeons.

In all parts of the country men and women, doctors and surgeons, clergymen and educators, are wondering at the remarkable cures made by Professor Thomas F. Adkin, discoverer of the Adkin Vitapathic Treatment.

Prof. Adkin heals not by drugs, nor by Christian Science, nor by Osteopathy, nor by Hypnotism, nor by Divine Healing, but by a subtle psychic force of nature in combination with a certain vital magnetic remedies which contain the very elements of life and health.

A reporter recently talked with Prof. Adkin and was asked to write all the readers of his paper who are sick or who are worried by the ill of those dear to them, to write to him for assistance. "Some people have declared," said Prof. Adkin, "that my powers are of God, they call me a 'Divine healer,' a man of mysterious powers. This I do not care. I am a man of science, and I know that I am a healer. I use the subtle force of nature, to build up the system and restore health. But at the same time I believe that the Creator would not have given me the opportunity to make the discovery of this subtle force, if I were not to use it to the benefit of my fellow men. I am not a doctor, but I am a healer. I am not a physician, but I am a healer. I am not a surgeon, but I am a healer. I am not a minister, but I am a healer. I am not a priest, but I am a healer.
