## National Tribune Patterns.

A Novel Yoke.

No. 2114 .- This is the age of the

dainty and may be in white or a color. delicate tint may serve. The pattern

No. 2151.-The American woman is so practical that she realizes the ne-cessity of comfort garments, and yet does not fail to appreciate the princiof attractiveness. A negligee like that shown is not only becoming, but

morning, when Sir Henry is waiting for breakfast or a hasty summons to the door necessitates a quickly-donned waist. The sack is simple and easily shoulder in front may be tucked or gathered, while a choice of three neck finishings is provided for. The sleeve may be in long bishop or short puff style and be as little or much trimmed as desired. For the medium size 3½ and desired. For the medium size 3½ as desired. For the medium size the pattern calls neasure.

A Happy Bald-Headed Man.

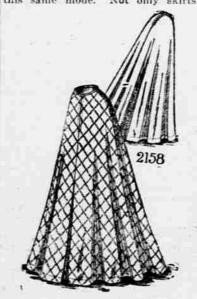

H. Dayton, a chemist, living at J 3137. The list D. C. Cav, was organized as a battalion of four campanies at Washington from June to, December, 1863, and Aug. 27, 1864, was transferred to the substitution of musin may serve as material. No. 2151—sizes, 22 to 42 inches bust of the pattern calls for 1½ yards of 36-inch material.

No. 2938—sizes, 2 to 19 years.

A Smart Street Costume.

Nos. 2116-2117.-In planning frocks exquisite in apparel, and every depart- every woman desires models which are ment of woman's dress is carried to the new and which possess an individual highest degree of excellence. An ex- smartness. An excellent idea for a ample of this is shown in the night- street gown is given here, made in which, while most dainty if hand-em- composed of deep pleats and completed public.

Any one, or all, of the above patterns will be promptly mailed, postpaid, upon receipt of 10 cents for each pattern. Each number represents a separate birm not very far distant from Clarks-burg, where Comrade Painter's regions.

It is not necessary to write a pattern. Well 22 Pattern.

No. 2158.—It is the day of circular tical new model for an apron to serve for sewing, darning or other nice wear is sketched here. The rounding corners are graceful in shape, while the whole is edged with a narrow Valenciennes lace. All but the center of the pron is double, so that a generous

No. 2158.—It is the day of circular lit might be fairly inferred from this statement that the regiment was "subject to the orders of the United States general officers" while on service in the State of West Virginia, at least But the question is so important that i have made a careful examination to determine the facts as they appear upon the official records. I find the following facts:

No. 2158.—It is the day of circular statement that the regiment was "subject to the orders of the United States general officers" while on service in the State of West Virginia, at least but the question is so important that i have made a careful examination to determine the facts as they appear upon the officers and standing, and we have much to make us hopeful of the determine the facts as they appear upon the officers are fired from this statement that the regiment was "subject to the orders of the United States general officers" while on service in the State of West Virginia, at least but the question is so important that i have made a careful examination to determine the facts as they appear upon the officers and standing, and we have much to make us hopeful of the battlefields of Atlanta was indorsed.

The regiment remained at Clarksburg until Aug. 25, 1863, when it re-turned to Pittsburg, and, as shown above, was mustered out of the State Comrade Painter has an hororable that date, as already stated.

Thus it clearly appears as to Com-1. That he served in a State regiment and was honorably discharged there- D Brewer, Fairplay, Mo.

2. That his regiment was called into 3. That it was "subject to the orders of United States general officers."

There can be no question that he is

Smith and D. N. Couch.

While none of John Morgan's force was captured or came in conflict with the 55th Pa. Militia, the records show that other regiments of that militia.

The 1st D. C. was organized at Washthat other regiments of that militia were in the field under Brooks actively aiding in surrounding and capturing ment was on duty. (Vol. 23, Rebellion Records, Part 1, 674.)

It will be seen that the importance of the matter, not only as to Comrade Painter, but as to many other survivor. of like regiments, is such as to warran a very careful examination of the ques tion before arriving at a decision. Yours in F., C. and L.-Chas. A
