Rupture Quickly Cured No Charge if You Don't Get Relief

Not a single cent cames out of your pocket if a trial of the Cluthe Truss, which automatically gives Massage Treatment, doesn't result in immense relief. We don't want a cent of your money unless this Truss does you a world of good.

Your Rupture Can't Come Out

You'll feel a whole lot stronger the minute you put this Truss on. Your rupture will never again come out.

Your Rupture Can't Come Out

You'll feel a whole lot stronger the minute you put this Truss on. Your rupture will never again come out.

you put this Truss on. Your rupture will never again come out.

No matter how you lift and strain, the Cluthe Truss will hold your rupture securely and comfortably in place. You'll never surfer another moment's discomfort. There is no belt, no leg straps, no springs, no harness of any kind whetever. Nothing at all uncomfortable. Think of that—you who now have to put your rupture back perhaps many thness a day—you who now wear trusses that cause you constant torture.

Automatic Massage Treatment

The Cluthe Truss automatically gives a wonderfully beneficial treatment.

It has automatic holding pads. They are self-regulating—self-adjusting to every more inent you make. That is why it is utterly impossible to force these pads out of position. There is always proper support for your cupture.

And these Automatic Holding Pads automatically massage the westened muscles at the rupture opening until they are strong and the rupture opening until they are strong and sound.

This massaging does for these masseles what exercise does for the arms or legs. That is how the Cluthe Truss cures even after every

exercise does for the nems or irgs. That is how the Cluthe Truss cures even after every-thing else has falled to do any good whatever.

Cures in Short Time

When you wear a Cluthe Truss, you can to any work that you could do if you weren't And, unless yours is a terribly bad case, the Cuthe Truss with its Automatic Mas-sage Treatment will seen cure you so that you hever need wear a support of any kind.
The Cluthe Truss line cared some of the
worst cases in history.
Cured men and women 50, 60 and 70 years old-people who had been ruptured 20 to 50
