TO CELEBRATE THE FOURTH.

Numerous Suggestions Made—Another Meeting Tomorrow Night.

The mass meeting called last Friday evening to consider preliminaries for celebrating the Fourth of July fell upon a storming night, but a good beginning was made. J. U. Smith was asked to take the chair as temporary chairman and L. W. Haworth was made temporary secretary. It was agreed to call another meeting Saturday evening April 18, when permanent officers will be chosen. The chairman selected that evening will have the appointing of committees for the general work to be done.

At the meeting Saturday night it was the unanimous opinion that a display of fire-works should be made a special feature of this year's celebration. The opinion was expressed that it would not be desirable this year to attempt a street parade in the morning. The forenoon for speeches and Literary feasting; the afternoon and evening for sport and fun. J. U. Smith suggested that it might be wise for the Fourth of July committee to see the Volcano Stables people about leasing Hoolulu park for the day. It was thought the committee, in this way might make a big share of the expenses of the day by the sale of privileges. This matter was left to be taken up by the proper committee. F. Brughelli reported that there were two crack base-ball teams in the city of Asiatic extraction which might afford a lot of fun with a game on the Fourth. He said the "Dragons" of Hong Kong and the Japs from Yokohama would put up a spectacular contest on the Diamond and thought the boys should be encouraged in their adoption of the American game.

The suggestion of a dance at the new wharf in the evening was also favorably received.

A general invitation is extended to the people of Hilo to be on hand Saturday night.

Wreck on a Canadian Railroad.

Halifax, Nova Scotia, April 12.—The Intercolonial Express, a fast train running between this place and St. John, New Brunswick, has been wrecked. Four persons were killed, two were fatally hurt and many were seriously injured, while others suffered severely from the cold. The express is the fastest train running on the Intercolonial Railway and usually carries many people arriving here from Europe, her passengers on this trip being numerous.

Bill Nye's Partner Dead.

Salt Lake, April 12.—Colonel Loot, a noted frontiersman, is dead. He was the hero of many Indian fights and was a newspaper partner of Bill Nye when the latter was making his early reputation as a humorist on the Laramie Boom-erang. Colonel Loot was widely acquainted among the men who, during the past half century, have built up the West.

Deported Chinese Coming.

San Francisco, Cal., April 12.—The Pacific Mail liner Gaelic leaves this port tomorrow with seventy-four deported Chinese sent from various places in the West, East and South. Many of them entered the country by the way of Canada and some came in from the Mexican mainland and Lower California.

Moorish Rebels.

Madrid, April 13.—Moorish rebels have captured the fortress of Brajama. They exploded a mine under the walls killing fifty of the garrison and then poured their forces through the beach. It is not known whether a general massacre of the Sultan's men followed.

DUTCH STRIKERS GIVE UP.

Collapse of Labor Revolt Follows Threat of Martial Law.

Amsterdam, Holland, April 12.—The prompt measures taken by the government in pushing through an anti-strike measure and in threatening to place the Netherlands under martial law have had the expected effect upon the strikers and the big labor movement has now collapsed. The men are beaten and will probably man the trains at once. Men at the sea ports who went out in sympathy with the railway workers have already returned to their work.

President Loubet.

Paris, France, April 12.—President Loubet has left Marseilles on a warship to visit Algeria. His visit is for the purpose of inspecting the government of that colony, to look into the cause of the recent clash of troops and tribesmen on the frontier, and also to recuperate his health, which has been failing rapidly of late. France counts Algeria as the most important of her colonial possessions as she has secured great advantages through her government of the African state. During 1902 France found a market for \$62,000,000 worth of her products in the colony and received in exports from Algeria goods valued at \$45,000,000.

China's New Leader.

Peking, China, April 13.—Prince Ching has succeeded the late Young Lu in the leadership of the Imperial cabinet.

Peking, April 13.—Prince Ching was installed as successor of Lu today with imposing ceremonies.

Prince Ching is a cousin of the Emperor of China. He was a rival to Young Lu and in many respects he is different from the "real emperor of China."

McKinney the Outlaw.

Bakersfield, Cal., April 11.—After killing two men in Arizona a week ago Jim McKinney, the Tulare outlaw, who now has several murders to his credit, again entered California today closely pursued by a Sheriff's posse. A pitched battle was engaged in between the posse and the outlaw, and although the latter escaped capture, it is believed that he has been wounded.

Germans and Austrians in Battle.

Peking, April 13.—There was a collision here today between German and Austrian soldiers, during the course of a drunken row. Fifty men on each side came to blows and many were injured. Infantry of the legation guards was called out and suppressed the disorder, arresting the participants, several of whom went to the hospital to be treated for serious injuries.

Why Russia is Slow.

Peking, April 13.—Russia explains her delay in evacuating Manchuria by the statement that she wishes first to organize an international commission to prevent the bubonic plague, which has a foothold in the province, from entering Russian territory or infecting towns along the route of the railroad to Port Arthur and Dalny.

On the Trail of Guilt.

Washington, D. C., April 13.—Postmaster General Payne announces that the postal scandals will be probed to the bottom and the guilty men summarily punished.

Gulf Steamer Sinks.

Galveston, April 13.—The steamer El Rio sunk here today. Three were drowned.

Gold Miners Strike.

San Francisco, April 13.—One thousand miners on the mother lode are out on a strike.

SPICES

Many who read this advertisement have never seen any PURE BLACK PEPPER. In its pure state it is a most pleasing, fragrant, pungent condiment, but the article commonly sold—a little black pepper and a lot of roasted peanut shells, cannot appeal to any one. Our PEPPER comes in 15c, 25c, 40c and 75c tins, and it will be a lesson to you to try a tin of it and learn how little you have known of BLACK PEPPER.

In future advertisements we will speak of Red Pepper, White Pepper, English Mustard, Leaf Sage, Allspice, etc. In the meantime we want to show you the goods at our store.

MATOJO'S FLAGSHIP RAISED.

Eighty Skeletons of Spanish Fighters Found in Hold.

Manila, P. I., April 13.—The Spanish cruiser Reina Christina, which was sunk by the American fleet in the battle of Manila bay, was raised today. Eighty skeletons were found in her hold, these being of those who were either killed in the battle or drowned when the vessel sunk.

Admiral Montojo had his flag on the Reina Christina during the naval battle. Finding that he could not rely on the shelter of the Cavite guns, Montojo sailed forth from his line against Dewey's flagship Olympia. He was met with such an awful concentrated fire from the American vessels that he turned his ship and made for the breakwater, but the gunners of the Olympia sent an eight-inch shell through the stern of the Reina Christina and this penetrated the whole extent of the ship to the engine room where it exploded with awful destruction, setting fire to the vessel. It is probable that the skeletons found in the hold of the raised cruiser were those of the men who came in contact with the destruction of the Olympia's eight-inch shell.

Foiled a Massacre.

Washington, D. C., April 13.—The American naval forces on the China station have prevented the success of a well-organized plot to massacre the foreigners at Quong Tung.

Chicago Bandits.

Chicago, April 13.—Three men held up a street car in the city limits tonight and robbed the passengers. There is an epidemic of such brigandage in this city.

Fatalities at a Fire.

Indianapolis, April 12.—By the burning of a residence in this city, Lawyer Nathan Morris and Frank Haas are dead and four women injured.
