PHORCED PHORACING

Successful Raids by General
Scissors.A copy of the first dictionary,
made by Chinese scholars in the
year 1109 B. C., is still preserved
among the archives of the Celestials.Walter Besant is right in des-
cribing the American people as a
nation of slammers. We slam
doors everywhere, and we slam
our public men as do no other
people on earth.Those who are concerned in
men's fashions will be interested to
know that the German Emperor
wears two bracelets. One is a
watch bracelet, the other a gold
chain bracelet. Both are worn on
the left arm."California Midwinter Interna-
tional Exposition" is the official
and full title of it. Semi-officially
it is known as the Midwinter Fair.
With the populace "the fair" is
good enough and long enough.Polo was taken from the Mani-
puris, and was first played by
Europeans in 1863 at Calcutta,
whither it had been brought by
some officers stationed in Assam.
The game can, however, be traced
back 600 years before the Christian
era.Prof. St. George Mivaart's work
"Happiness in Hell," which ap-
peared originally in the nineteenth
century, and which provoked a
lengthy controversy and a deluge
of comment, has been placed by
the Vatican in the Index Expurga-
torius.Dick (translated into French)—
"Say, Tom, what is the French for
war-horse?" Tom—"Why er-er-
horse de combat, I think."She—"How was your speech at
the club received the other night?"
He—"When I sat down they said
it was the best thing I ever did."Creditor—"The consciences of
those two bankrupts appear to be
very elastic." Assignee—"Well,
don't you expect elasticity in sus-
penders?"First little girl—"Has your sister
begun takin' music lessons yet?"
Second little girl—"She's takin'
somefin' on th' piano, but I can't
tell yet whether it's music or type-
writin'."He—remember that you have
promised solemnly to be a sister
to me." She—"Yes; but you must
not act as if you thought you were
the only relative of that kind I
have in the world."Miss Laker—"Isn't it too bad
there are so many failures in life?"
Wiswell—"Can't say that it is.
I've been assignee in three and they
paid me so well I wouldn't mind
tackling more."Jasper—"Bighead is a strange
man for a philosopher." Jump-
puppe—"Indeed!" Jasper—"Yes.
He said that all men are merely
animals, and yet got angry when I
called him an ass."He—"Suppose, darling, I was
one of those husbands who always
comes down late in the morning
and then grumbles because the
coffee is cold." She—"Well, dear,
I should make it hot for you.""It is conducive to health to keep
the mouth closed, is it not, doctor?"
"Generally speaking, yes. In fact
when one gets out in Arizona, it is
the only sure way to avoid sudden
death.""I say, Davie," said one boy to
another in a Scottish town, "our
meenister was veeesit' us last
night." "Fat! was he really?" was
the reply. "Our meenister diens
come an' see us until we're died."

SHE SMILED AGAIN.

"The biscuits my mother made,
were not like these—"
The young wife burst into tears—
"For these are as light as the froth
of the sea,
And the best I have tasted for
years."
