THE regular monthly meeting of the Young Men's Christian Association will be held at their hall this evening at 7:30 o'clock.

THE rain that has come down for the past two days has made the road on King street, out to Waikiki, delightfully pleasant for riding and driving.

THE new pavilion at the Makiki recreation ground is completed. Mr. Hewett, at J. M. Ont & Co.'s, informs us that \$150 is still needed, and we hope this deficiency will be soon made up.

MR. HENRY HEYMAN's concert will be given Saturday evening at the Music Hall. The box plan is open at the office of Mr. J. E. Wiseman. We will give full particulars to-morrow.

JOHN SHELDON and Spencer, Elele editors, the fat boy of the Foreign Office, and about a half dozen loafers, sat on a front seat and stamped their feet at points in Mr.

Gibson's speech, when they tho't he needed help.

Mr. Gibson spoke in his defense this morning. The defense is for the most part shabby childish, and either avoids or skirts over the prominent charges of the Finance Committee.

ONE gentleman said yesterday, that the report of the Finance Report was the most disgraceful thing he had ever read against any Government, and another told us, that the Government ought to be put on the reef if all those charges are true.

THE regular monthly meeting of the Y. M. C. A. will be held at their hall this evening at 7:30 o'clock. The directors will meet at 7 o'clock. Members who have not paid their annual dues will please bring the sum of two dollars and pay same to the treasurer.

A SEWING society has been organized among the young ladies attending St. Andrews' Cathedral. The object is to raise funds for the new Cathedral. They will undertake to do work of any kind at most reasonable prices. Orders should be left with Mrs. Willis at the Bishop's College.

A RECEPTION and dance was given yesterday afternoon on board the Mutine. The ship was beautifully decorated with evergreens and flags. The band from the Swiftsure was in attendance, and the party broke up about 6 o'clock. His Majesty, H. R. H. Princess Likeli, Minister Daggett and lady, and many others were present.

MESSRS. Gonsalves & Co., 57 Hotel street, have received a splendid new assortment of goods by the City of Paris, and includes Madeira lace, silk shawls, fibre doilies, and a large assortment of crochet table covers, tidies, bed sets, etc. Give them an early call before you lose the opportunity of obtaining any of these choice goods.

MR. GIBSON quoted from the Finance Report, the DAILY BULLETIN, and occupied 20 min. of an hour and a quarter speech, in demonstrating that son-in-law Hayselden did sell the Government 7 turkeys at \$3.50, and that the corsets and bustle were neither worn by himself, the son-in-law or any member of the Government.

THE Minister of Foreign Affairs explains the corset and bustle item thusly: It was necessary that 40 kahilis be provided for the Coronation, the market value of which was \$50 apiece. The Foreign Office opened a diplomatic negotiation with the various "ladies" who knew how to make kahilis, and as a compromise succeeded in beating them down from \$50 ea. to, what? Why the Government was to furnish each and every female who tied up a bunch of chicken feathers, with a corset, bustle, and whatever other article of feminine attire she might stand in need of for a Coronation rig out. As a result of this brilliant financial transaction \$400 worth of bustles, etc., were traded off for \$2,000 worth of chicken feathers. This exhibition of financial ability is worthy of a cheap John store and of Mr. Gibson.

FOURTH OF JULY.

The sub-Committee met last evening and presented their report. The order of the day will be salutes at sunrise, noon and sunset, exercises in the Hotel ground at 10 A. M., boat racing in the afternoon and a grand ball in the evening, at Music Hall.
