Stallions at Marshfield!

"BAZAAR." (Thoroughbred.)

By Jack Morgan, he by Lexington, 1st dam, Ivy Leaf, by imported Australian; 2nd dam, Bay Flower, by Lexington; 3rd dam, Bay Leaf, by imported Yorkshire; 4th dam, Imported Maria Black, by Philo da Putah, etc., etc.

Bazaar was bred at the great Woodburn Farm, near Lexington, Ky., by the late R. A. Alexander, and was sold to W. L. Pritchard, of Sacramento, Cal., for \$5,000. He stands 15 1/2 hands, weighs 1,095 lbs., and is a bright chestnut color. During his racing career he downed many a favorite, and won many a hatful of money for his owners, and proved himself one of the greatest of horses over a distance, most of his races being at two and four miles. He has already sired several colts in California that are winners, among which are Lizzie Dunbar, Young Bazaar, Sophia, and another called the Bazaar Minerva Colt, he being out of Minerva by Imported Leamington, the sire of Parole and Troquois. Lizzie Dunbar greatly distinguished herself last year in her two-year-old form by defeating one of the largest fields of two-year-olds that ever started in California, among which were the two beautiful fillies brought here last Spring by Mr. Agnew, distance 3/4 mile; time, 1:04 1/2, the fastest time on record for two-year-olds, at the distance. This year she has won several important events, and has proved herself to be a crack three-year-old.

Bazaar has now been brought back to Honolulu, and will remain here the balance of this year, and breeders, horse owners and stock raisers should avail themselves of the opportunity to obtain his services while they have the chance. Terms, \$40. Payable at time of service.

The Imported Clydesdale Stallion Donald Dinnie, Jr., will stand at the same time and place at \$30 for the season. He was bred in Canada, sired by imported Donald Dinnie, and out of an imported Clydesdale mare. He is a beautiful dapple grey, 16 hands high, and weighs 1,400 lbs.; is very active, and as fine a large horse as could be found anywhere.

Also, the fine large imported Kentucky Jack Sampson. This is one of the largest Jacks that we could find in California, and is an animal of immense bone; is a very sure breeder, and should be liberally patronized, as he is one of the very best animals of his kind. Terms, \$30 for the season. The public are cordially invited to call and inspect the above animals.
