**WHY THE Equitable Life Assurance Society**

of the United States is the Best company with which to Assure.

I.—Because of its Safety. Its surplus is larger than that of any other assurance company.

II.—Because of its Promptness. Of 1,043 death claims paid in 1885, nearly one-half were paid the very day proofs were received; while of the remainder, the majority were paid within the following three days. No other company can show such a record.

III.—Because of its Liberality and Reforms. All policies are INCONTESTABLE after three years. All incontestable policies are payable immediately upon receipt of proofs of death. The Society's policy contract is clear and simple, and liberal in its conditions. Its Non-forfeiting Tonline (or Semi-Tonline) policy affords all the ultimate benefits of the full Tonline, and has during its earlier years the surrender value and other material advantages of ordinary life policies.

IV.—Profit. No other company is paying on its policies, as large profits as are shown under the Equitable's matured Tonline policies with fifteen-year periods. Persons desiring assurance may obtain estimates of the probable results of similar policies, and of policies with twenty-year terms, which are expected to show even larger profits.

V.—Prospective Advantages. The unexampled progress of the Equitable in the past is the best guarantee of the increasing future value of assurance with the Equitable. Assets, \$68,553,847.50 Liabilities, 52,061,148.37 Surplus, \$16,492,699.13

Surplus on the New York Standard, \$17,495,329.40 New Assurance in 1885, \$96,011,378.00 a larger business than that of any other company.
